R. & J. T. SUANCE,

No. 77 & 79 CORNER SIXTH AND LIBERTY STREETS, having enlarged and newly fitted up their establishment, and having the above well known stand, respectfully invite the attention of Merchants and the public to their choice selection of New Goods, comprising every variety of seasonable summer wear, selected especially for their customer department. Those wishing to leave their orders will find in this establishment every style of seasonable and desirable goods. Their stock of ready made Clothing is extensive and of the best manner, of cutting, trimming, and workmanship, and at the same time substantial garments, to meet the demands, and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are assisted to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from to at least 25 to 50 per cent in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of a noble nature and fine discernment.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by Professor Dr. Buchan, of Hungary, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for it a trial from those who have not yet found it to be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, are confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases of Consumption, if used according to the directions of the medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive of the climate, but to be used as a preventive medicine in the first incipient cold, tickling of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, and all other symptoms of Consumption, asthma, influenza, whooping cough, and croup.

Sold in large bottles at $1 per bottle, with full directions for the management of the same.

Pamphlets, containing a mass of English and American certificates, and other testimony, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

NEW HAVEN, CONN.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated preparation continues to increase in fame by the making all over the world. It has now become the only medicine for family use, and is principally recommended for Dropsy, Gravel, Stone in the Bladder, Pain immediately relieved, no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other medicine can relieve you; and the cure is effected speedily, and without any inconvenience whatever. Dropsy, Costiveness, Bilious Diseases, Fever and Ague. To the great importance of these, and many other complaints, for which this medicine is offered. No mineral ingredient, no deleterious compound is a part of this mixture; it cures these diseases with certainty and celerity unknown to any other medicine ever tempted. (See pamphlet.) Piles, a complaint of the most painful character, is immediately relieved, and a cure follows by a few repetitions of this article. It is for general and any other preparation for this disease, or for any other disease originating from impure blood. (See Pamphlet.) Debility in the System, Weak Backs, Weak Stomachs, Kidneys, &c., or inflamation of the same, is immediately relieved by a few days use of this medicine, and a cure always the result of a few months use. Dropsy, Costiveness, *very far advanced*, complaints and use for debilitated parts of the female frame. Immediate relief from Gravel and Urinary strictures. No article has ever been offered, except this, which would touch this kind of derangements. It may be used even as a wash and injection, and in fact, it has been so used permitted to do so, could give a thousand names as proof of cures in this distressing class of complaints.—See pamphlet. Although good, yet, from the nature of its ingredients, from the effect of mercury, will find the burning power of this article to act immediately, and the poisonous mercurial substance from the system.

Eruptive Diseases will find the alternative properties of this article remarkable, and drive every bad humor out of the system. See pamphlet for testimony of cures in all diseases; which the limits of an advertisement will not permit to be named here. Ages cannot give disparage; they contain 32 pages of certificates of high character, and a stronger array of proof of the virtues of a medicine, never appeared. It is one of the peculiar features of this article, that it never fails to bring in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid rejoice, and keep taking, the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which come out under the heads of SARSAPARILLA, SYRUPS, &c., as cures for Dropsy, Gravel, &c. They proved for certain, and connected to cull the unwary: TOUCH THEM NOT. Their interest is to sell, and they will carry such disease still this article had done it. *A particular study of the pamphlets is earnestly solicited.* Agents, and all who sell the article, are glad to receive communications. Price in 50 cz bottles, at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture" blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 377 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*order from regularly authorized Agents, receipts.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Offices devoted exclusively to the sale of this article—132 Nassau st., N. Y.; 295 Essex st., Salem, Mass.; and by the principal Druggists throughout the United States and Canada, as Agents.

EXPRESS AND PASSAGE OFFICE.

HARNDEN'S EMIGRANT BOARDING HOUSE.

HARNDEN & Co. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most favorable terms, and with care, attention to the wants of emigrants. We do not allow our passengers to be robbed by the sharpers who lay in wait for them on their arrival, but we take charge of them the moment they report themselves, and see them well-housed, and despatch them to their destination in the first ships. We say this fearlessly, as we defy any of our passengers to show that they were detained forty-eight hours in any place, while they employed Harnden & Co., and paid their money to them. Persons who have remained a month or more, and have paid their money to other persons, will find it to their interest to call at our office, and compare the accommodations we furnish with those they have received elsewhere.

Persons who have friends in the country, and who wish to send for them, may be certain that if they place their money in our hands, it will be faithfully applied to the purpose for which it is designed, and that no disappointment will be occasioned by our neglect.
