Deaths.

On Wednesday the 2d day of March, 1853, at the residence of her daughter Mrs. Long, Juliana Keys, in the 84th year of her age.

The venerable lady, whose decease we mention above, was formerly Mrs. Walworth, wife of Judge Walworth, who died September 10th, 1812. In 1792 Judge Walworth removed with his family from Connecticut to Cayuga county, N. Y., and in 1800 removed from there to what is now Painsville in Lake county, residing for the first fortnight after his arrival in a tent pitched in the woods, until he could erect a log cabin as the house of a pioneer. In 1805 Mr. Walworth removed with his family to this city and resided here until his death. Four or five years after the death of Judge Walworth, Mrs. Walworth was married to Mr. Keyes, of Batavia, N. Y., and resided there until his death. She then returned to this city, and has since remained with her children. She was a woman of energetic spirit and remarkable force of character, and well fitted to be the wife of a pioneer. Four or five years since she received a paralytic shock, which rendered her almost helpless, and at times her sufferings were most intense, but she bore them with great cheerfulness and fortitude, and would rejoice that she had friends and children spared to render her situation as comfortable as it was possible to make it. During the past season she seemed to suffer less, and was in a measure insensible to objects about her, and during the last week of her life she failed gradually and almost imperceptibly, passing away from us without a struggle, and as calmly as if falling asleep.

MAGIC!—ALMOST.

The cream being placed within the Churn,
You've but to give the crank a turn,
When, ere you're scarce had time to utter
"Presto! Change!" behold the butter!

IN sober prose, simply turning the crank of my

Newly-Invented Churn,

for a few minutes—whereby the two *dashers* thereto attached rise and fall alternately, speedily manufacturing your cream into Butter—is a very different thing from the old, tiresome mode of butter-making.

Such as desire to witness the action of this labor-saving Churn, can do so by calling at the store of I. L. Post & Co., at Montrose.

The above Churns will be manufactured to order by R. A. SMITH.

Philadelphia, March 29, 1852.

MR. JOHN FARRELL—Sir: It affords me much satisfaction to inform you that the "Herring Salamander Safe," which we purchased of you a short time since, preserved our books and papers in good condition, during the severe ordeal through which they passed at the disastrous conflagration that took place at our warehouse on the morning of the 28th instant, when the safe was exposed to the most intense heat for some hours, and when taken from the flames was red hot on several sides. We make this statement by way of bearing testimony to the worth of these valuable Fire Proofs.

Very respectfully, LEWIS & Co.

The proprietor of the *genuine* "Herring Salamander Safes" challenges the whole world, in the sum of *one thousand dollars*, to produce their equal. Awarded the PRIZE MEDAL at the *World's Fair*, London, and the *Gold Medal* by the American Institute. Over 8000 of these Safes have been sold and are now in use and more than 100 have passed triumphantly through accidental fires.

Second-hand Safes and "Salamanders" of other makers, having been taken in part for "Herrings," for sale at cheap rates. JOHN FARREL,

241 Walnut street, Philadelphia.

DOCTOR H. PATRICK

Would respectfully inform his numerous old and well tried friends both in and out of the Profession, and the public in general that he has just embarked in the above named business, and has now on hand, and is still receiving a full and well chosen assortment of every thing in the line of Drugs, Medicines, Groceries, Dyes, Paints, &c. &c., all of which he will sell for Cash or Barter upon the Cheapest and most advantageous terms to the purchaser. In reference to his Drugs and Medicines, he would simply state, that they were selected by *himself* from the establishment of P. Shiffelin Haines & Co. one of the most reliable in the City of New York—and for purity and excellence he believes were never excelled, if equaled by any stock ever before brought into Susquehana County. His Stock of Groceries is full and well bought, and consequently can be sold cheap. He has also a few Choice Liquors for medicinal purposes, which he can afford as low as a more inferior article has generally been bought for. Please call before purchasing elsewhere, at the old stand of Pitts & Warner, in the building formerly known as the "Farmers Store," opposite the "Democrat office."
