The Three Big Boots vs. The World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most reasonable terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment is now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Boots one of the greatest attractions of the Western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is yet with affinity I can keep time with the thronging rush that is made on the establishment. It is a well established fact, that my sales are larger by ten times larger than any other house in the trade, and this, being the case on the smallest scale, I can afford to sell much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year, coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Boots.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original

Three Big Boots.

is one of the finest and most diversified collection that has ever been offered by any one concern in this or any other city in the United States. I will not undertake to describe to the public the different assortments of articles which I have to offer them; but will simply tell them that if they only favor me with a call, I will by before them a stock of clothing, different in many respects from any existing in part or Coats from the richest in quality down to the lowest in price; Pantaloons and Vests, to the accompaniment of the latter, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of heavy and extensive goods possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry, is the mainspring of trade. Without any intention of boasting, on my part, I will say at the same time, it is of such metal I am principally composed, that, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare by getting up a fashionable, and at the same time substantial garment to suit their demands; and as for others, who fancy themselves moving in a different sphere, and requiring other articles of the *regular silken* kind; they need only give me an outline of their wants, and they are suited to a wish.

Now, let me say a word or two to my country merchants in the trade. If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the *Three Big Doors*, and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only Remedy for the above ills, is the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, will be cheerfully given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam is sweet, and will not nauseate the most delicate stomach, is a quick nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the effects of a cough, but to be used as a preventive medicine, in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, difficult breathing, hoarseness, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, croup.

Sold in large bottles at $1 each, with ample directions for the restoration of health.

Pamphlets, containing a mass of Englis and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MEDICINES.

THIS celebrated remedy is found, by experience, to cause by the making all over the world. It has now become the only medicine in use in my family we, and I cannot fairly recommended for Dropsy: all cases of this complaint immediately relieved, no matter of how long standing. (See "Vaughn's Medical Pamphlet.")

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; in other cases it can never have been known to fail, and I can convince the most skeptical—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague. To the first and last of these it is a specific, and the only medicine ever offered to the public, that can be relied on for a cure. To every great number of cases, it is also a certain remedy for such complaints, and also for derangements of the Female frame. Dyspepsia, Costiveness, Piles, and all nervous sensations. No article has ever been offered, except this, which would warrant such a bold assertion. It is the only article upon as a sure and effective remedy; and, did we feel permitted to do so, could give a thousand names as proof of cures in the Dropsy, three Silver Medals and one Gold Medal. See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the bracing power of this article to be unrivalled. Mercury, and the poisonous ointment eradicated from the system.

Eruptive Diseases will find the alterative properties of this article PERFECTLY SPECIFIC, in ridding the poison in the system. See pamphlet for testimony, of cures in all diseases, which the limits of a pamphlet will not permit to be named here. Agents give them away; they contain 32 pages of certificates of high character, and a stronger array of proof of facts, and of a permanent character, not apparent. This one of the peculiar features of this article, that it never fails to benefit in any case, and if long and inveterate disease, it will let the patient alone and lingering invalid worn out, and keep taking the medicine as long as there is an improvement. The proprietors have no other medicine to put up, but a number of others which come out under the heads of Sarsaparilla, Syrups, &c., some of which are Dr. Vaughn's, and some Dr. Wistar's. They are good for nothing, and concocted to gull the unwary out of their rights. Their inventors never thought of curing such diseases as this article and that of Vaughn's, *particular attention of Agents is earnestly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Put up in 32 oz. bottles, at $1 each—the larger bottle contains more than 32 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic" blown upon it, and a fac simile of the written signature of "G. C. Vaughn" on the directions. Price, $1 per bottle. Pamphlet, Buffalo, stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*order from regularly authorized Agents except.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

HARNDEN & CO continue to bring out persons from any part of England, and to forward money for them, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not allow our agents to receive money for passage, and the evils that infest the sea-ports, so we take charge of them the moment they report themselves, and see to their wants, and their interests, as we would those of our own friends. We say this fearlessly, as we defy any of our passengers to show that they were deceived in anything, or robbed of a farthing. We have thousands of others, were detained months until they could be sent in some old hulk, or a cheap rate, which too frequently proved their coffins.

Connell's Magical Pain Extractor.

IT is now conceded by medical men that Connell's Magical Pain Extractor, manufactured by Comstock & Co., Cortlandt st., New York, is the most fortunate discoverer of the 19th century. Its effects are truly miraculous. All pains are removed from burns, scalds, &c., and all inflammations, such as sore throat, in a few minutes, being the same on the most delicate skin, leaving no scar. It is equally beneficial in all kinds of inflammatory diseases, such as rheumatism, Lumbago, Sciatica, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Piles, Tic Doloreux, &c. We, the undersigned, feel it our duty, as many of our patrons are physicians who use it in their practice, and hundreds of the clergy who prize it as invaluable, to recommend it *constantly on hand*, in case of accidents by fire life may be lost without, but by its use all burns are subject to its control, and ease the vitals and feelings. *Caution*—remember and ask for *Connell's Magical Pain Extractor*, manufactured by *Comstock & Co., N. Y.*, and take no other.

PITES, SORES, &c.—*The Grieving Hays' Liniment*, is an article more justly celebrated as a cure for the above, than any one of all others. Its effects are almost miraculous, and it is only necessary to let those who know the article and use it with such great success, the world be made aware of its merits, for Comstock & Co., 21 Cortland st., N. Y., sole proprietors.

Sold by Druggists in Pittsburgh, Pa., by WM. JACKSON, 89 Liberty st., head of Wood st.; also in Washington, Pa., by A. Clark; in Brownsville, by Bennett & Crocker, also in our agents in every town in Pennsylvania, Ohio, Maryland and Virginia.

"It is the best Cough Medicine I ever Saw."

READ the following proof of the superiority of Dr. *Wistar's Original Cough Mixture* from a respectable citizen, who was cured by it:

PITTSBURGH, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY:—After laboring for several weeks under the disadvantages of a harassing cough and most distressing pain in the side, I was induced by the praises of several of the "infallibles," I was induced to purchase a bottle of your Original Cough Mixture, and was so pronounced by her physicians—Sherman's Balsam was given me to take instead.

Mrs. GARRABRANTS, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—*see pamphlets.* Price 25 cents.

A. C. Castle, Dentist, 221 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, Influenza, Croup, Pain in the Side, Spitting Blood, Hoarseness, as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs healthy.

Rev. Henry Jones, 105 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beale, 19 Delancey street, says he has prescribed it in a great variety of cases of Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon relieving them
