Vegetable Pulmonary Balsam.

THIS Balsam is probably, almost without a parallel in having, during a trial of nearly 20 years, fully maintained the high reputation which it has acquired for Consumptive Complaints and all diseases of the Lungs, Throat, and Chest. It has been tried with probably greater success than any other article known, and many physicians who have had an opportunity of witnessing its highly salutary effects, do not hesitate to recommend it as a safe, convenient, and very efficacious medicine, equal if not superior to any other prescription for the above complaints within their knowledge, and one which has seldom disappointed the reasonable expectations of those who have used it. It is a most valuable remedy for *Consumptions, Asthma, Pleurisy, Phthisic, Spitting of Blood, Hooping Cough, Coughs, Bronchitis, and Pulmonary Affections of every kind.*
