The Three, Big Doors vs. The Western World!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style, and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrailed Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing, if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old Corner, is the finest ever offered in *THREE BIG DOORS*.

Unless of the highest and choicest in selection that has ever been exhibited by any one firm in a thousand miles of city in the Union. I will not undertake to describe to you, reader, the different descriptions of articles which I now have to offer them; but will simply tell them that they only favor me with a call, I will lay before them a TROUP of different articles to make a choice out of, ranging in part of costs, from the richest in quality down to the lowest in price; Pantaloons and Vests; to the astonishment of the beholder, will look more and more upon wondering in the most extravagant degree of horror, how such a vast collection of MANS WANE CORRING could possibly be collected together under the control of one individual. But such things will be as long as perseverance, and industry be the mainspring of trade. Without any intention of boasting, on my part, I will say in the same time, it is at such point I am principally composed, for nothing is the shape or form of difficulties, so long as there is any thing that is attainable, that I will not accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up a suitable and at the same time substantial garment, to meet their demands; and as *60 cheeks*, who fancy themselves moving in a different sphere, and requiring an article of the *very finest* kind, I will endeavor to give an article of their wants, and the price suited to it work.

Look at the prices, viewed or two to my country friends and to the trade: If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the Three Big Doors, and if I does meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only remedy for these diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Hoofland, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent, soliciting for treatment the worst possible cases that can be found in the community. Hundreds have been cured from any of the common remedies of the day, and have been given up by the most distinguished physicians, as incurable, and incurable it is, except the Hungarian Balsam, cured, and will cure, the most desperate cases. It is a most innocent preparation, not a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Barham's Hungarian Balsam, while it is, not only to counteract the consumptive of the climate, but to be such an a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the breast, difficulty of breathing, soreness of the lungs, bronchitis, difficulty of breathing, hoarseness, tickling, night sweats, emaciation and general debility, asthma, and all wasting complaints.

Sold in large bottles at $1 per bottle, with full directions for the management of the same.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled success of this English Remedy, may be obtained of the Agents, gratuitously.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is coming into increasing use every day, in the making of the world. It is now become the only medicine for family use, and is particularly recommended for Dropsy: all stages of this complaint immediately relieved, the worst of cases, in a short time. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these diseases it is unrivalled, and alone is the only article that cures these you; and the cures resulted to will convince the most skeptical. (See pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague, Chills, &c. &c. Wes especially, and wherever these complaints prevail, this medicine is the most efficacious, and the most powerful compound in a part of this mixture; it cures these diseases certainly and celerity, and does not leave the system weak, (like mercurial.) This a compound that is not a painful character, is immediately relieved, and a cure follows in a few days use of this article. It is far beyond any other preparation for this disease, or for Bilious disease originating from impure blood. (See pamphlet.) Debility of the System, Nervous Ache, Weakness of the Kidneys, &c., or Inflammation of the same, is speedily relieved by a few days use of this medicine, and a cure always the result of its use. Hundreds are prevail among female frame, Irregularities, Suppressions, painful menstrations, &c. No article has ever supported its strength, which would touch this kind of derangements. It may be relied upon as a safe and effective remedy; and, did we feel permitted to do so, we could give a thousand names in proof of cures in this distressing class of complaints. (See pamphlet.) All liquor down, debilitated constitutions, from the effect of mercury, or the ill effects of the power of this article to act immediately, and the poison, give immediate relief and a speedy cure.

Eruptive Diseases will find the alterative properties of this article *sovereign remedy*, and drive such diseases from the system. See pamphlet for testimony of cures of such diseases, which the limits of an advertisement will not permit to be named here; Agents give them away; they contain 32 pages of testimony of high character; and a stronger array of proof of the virtues of a medicine, never appeared in any other form. Another feature of this article, that it never fails to benefit in any case, if the organs and muscles are left to build upon, let the emaciated and lingering invalid take one or two bottles, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which come out under the heads of Sarsaparillas, Syrups, and as cures for Dropsy, Gravel, &c. They are good for nothing, and connected to gull the unwary: none true cures for their intended objects, can be made such diseases as this article had done it. *A particular study of the pamphlets is certainly solicited.* Agents, and all who sell the article, are glad to circulate pamphlets. Price, $1 per bottle, or $12, 12 doz. do. at $1 each—the larger holding 1 oz. more than the two small bottles. Look out and not get imposed upon. *Every* bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the label, and "G. C. Vaughn, Buffalo," stamped on the cork. None are genuine without.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail by the proprietor, who will attend to all orders, *post-paid, from regularly authorized Agents*, or any other responsible orders, or verbal communications seeking advice, promptly attended to or gratis.

Conell's Magical Pain Extractor.

IT has now contested by medical men that Conell's Magical Pain Extractor, is the most rapid, safe, and pleasant experience, and a good consultation fortunately make as gratefully strangers to such articles. A word, however, in regard to its operation, Dr. Hoofland's, German Bitters. This was expressly intended for it by the advertiser.

The Daily News says:

"A Mixture.—We speak knowingly of Dr. Hoofland's celebrated German Bitters when we say it is a blessing of this age, and in diseases of the digestive and nervous systems, it has not, we think, an equal. Its operation is mild and pleasant, yet as we have ever found, and to all invalids we would recommend it as worthy their consideration.

P. S.—Have you read our testimony on the above? Perhaps you have seen the evidences of many of our most respectable citizens of Cures in all the foregoing diseases.

Principal Depot, German Medicine Store, 273 RACE Street, Philadelphia. Sold by Agents: John F. Lagnin, Harrisburg, by D. W. Gross; and respectable dealers generally throughout the country.

STOP THE THREADFUL COUGH!—The Lungs are in danger, the work of destruction, perhaps, has begun, the Cough of Consumption hath in it a sound of warning.

ARE YOU A MOTHER? Your darling child, your idol and earthly joy, is now perhaps confined to her chamber; to do this and that, your heart, your hopes, your fondest fingers, tell the bold disease has already gained upon the ground of her sanguine cough pierces your soul.

YOU ARE A FATHER? Your child, your only child, disease which has already fastened its claws upon the fairest of her sex, and which, if left, disease should linger over the fair prospects of the fondest hopes, but you need not despair. Check and cure the cough, by the use of

Sherman's Balsam.

Mr. Alfred, the wife of Wm. H. Alfred, Esq., was given up by her physicians, of Washington, D. C., and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had been given up, and was in a state of being prepared for, and pronounced by her physicians—Sherman's Balsam! She taken it, and it cured her.

Mrs. Ann Maria Pratt of Ball's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. G. Cassin, Dr. Dunglison, St. Mary's, has recommended it to several cases where no other medicine afforded relief. Hundreds of cures operated like a charm. DEAF, DUMB! Hundreds have testified to its efficacy in curing deafness, and the majority of cases of that most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system of WEST SHERIDAN, GARRICK, HOTTINGUER, ROSCIUS, LIVERPOOL, and SIDDONS, two of which leave each port monthly—from New York the 1st and 20th, and from Liverpool the 6th and 11th; in addition to which they have arrangements with the St. George and Union Lines of Liverpool Packets, to insure a ship every day from Liverpool every five days, being thus determined that their facilities shall keep pace with their increasing patronage; while Mr. W. Tapscott's constant personal superintendance of the business in Liverpool is an additional security that the comfort and accommodation of the passengers will be particularly attended to.

The subscribers being, as usual, extensively engaged in the Packet Business between New York or Philadelphia and the Atlantic Cities, are thereby enabled to take charge of and forward passengers immediately on their landing, without a chance of disappointment or delay, and are, therefore, prepared to contract for passage from any seaport in the West Britain or Ireland to this port, the nature of the business they are engaged in giving them facilities for carrying passengers so far inland not otherwise attainable; and will, if necessary, forward passengers further West by the best mode of conveyance, without any additional charges for their trouble. Where persons sent for decline coming out, the amount paid for passage will be refunded in full.

REMITTANCES.

The subscribers are also prepared to give drafts at sight for any amount, payable at the principal cities and towns in England, Ireland, Scotland and Wales; also affording a safe and expeditious mode of remitting funds to those countries, which persons requiring such facilities will find it to their interest to avail themselves of.

☞ Application (if by letter, post-paid) will be promptly attended to.
