Choice and cheap Family Paper.

New York People's Organ.

NOW IN ITS THIRTEENTH VOLUME.

Is carefully adapted to the wants of the Home Circle. Its

ORIGINAL TALES

are of the highest order of merit; literary and moral, from such writers as Miss Metta V. Fuller, T. S. Arthur, Mrs. Denison, Mrs. E. C. Loomis, and others. Its

Miscellaneous, Ladies', Youth's and Editorial Departments

are under the most careful supervision, and the steady aim of its conductor is to furnish a paper for the family, which, while it promotes refined gayety and wholesome cheerfulness, shall also enlighten the mind and enlarge the heart. The organ is the advocate of all the great interests of humanity, a friend to rational progress, and proceeds upon the principle that the Family is the true nursery of national virtue, greatness and glory. The temperance cause, as one of the most important and most needed of modern reforms, commands the cordial advocacy of THE ORGAN, and all important movements throughout the country, in this behalf, are noted.

In short, THE ORGAN, by employing a variety of brilliant minds to adorn its various departments, and aiming constantly to promote the enjoyment and highest interests of the Family, has extensively secured for itself a cordial welcome in intelligent households, as exactly the kind of paper needed in the Domestic Circle. Every man who would gratify his wife and children, and have an efficient aid in training up his family in right principles, should subscribe for the New York Family Organ. To enable all to subscribe, we offer to mail it at the low price of $1 per annum, in advance.

THIS Cutter is superior to any now in use, for strength, durability and simplicity of construction; it cuts faster, and is the only self-sharpening Hay, Straw, and Corn Stalk Cutter ever made. It has but *one straight knife*, which any person can grind and set with ease; but in ordinary cases is ground in the machine. Thousands have already been sold, and the demand is daily increasing. In most cases an examination is sufficient to convince one of its superiority. No one after a short trial would part with it for any other.
