Clothing! Clothing!! Clothing!!!

The Great Big Doors is—The Western World.

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other mercantile establishment. For neatness in style and excellent of the workmanship, combined with the very low price which they will be sold for, must certainly render this the greatest attraction of the western country. It is gratifying to me to be able to announce to my numerous friends in my home and abroad that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I enclose my stock with the constant rush that is upon this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the most small, I can afford to sell at much less profit than others could, possibly think of doing if they wished to offer equal expense. I intend to make a clean sweep of all my present stock before the beginning of next year, coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old corner,

THREE BIG DOORS.

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I propose to offer them; I will simply tell them that if they only favor me with a call, I will lay before them 175,000 different articles to make a choice out of, consisting in part of Coats from the richest in quality down to the lowest in price; Pantaloons and Vests, to the satisfaction of the beholder, with both mouth and eyes open, wondering if the most extravagant degree of surprise, how such a vast collection of articles can be offered for so little money, or how any other under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade. Without any intention of boasting, on my part, I will say at the same time, as of such metal I am principally composed, for nothing else, I think, I can satisfy any one, no matter what their difficulties may be, can deter me from accomplishing my object, in providing for the former, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *nec plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 50 per cent in your wholesale purchases, call in at the Three Big Doors, and if I don't meet your most sanguine hopes, in the way of getting up bargains and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous public of no mean importance.

DR. G. C. VAUGHAN'S LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is continually increasing its fame by the healing all over the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy, all stages of Gravel, complainants by relief, no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other article can relieve you; and the cures testified to will convince the most skeptical of its wonderful powers. (See pamphlet. Bilious Diseases, Fever and Ague. To the Great West especially, and wherever these complaints prevail, this medicine is offered. Nothing can equal this compound in a part of this mixture; it cures these diseases with certainty and celerity, and does not prevent the regular medicine is offered. Takes a complaint of a most painful character, is immediately relieved, and a cure follows by a few days use of this medicine. It is the ground work of all other preparation for this disease, or for any other disease originating from impure blood. (See pamphlet).

Debility of the System, Weak Pains and Weakness of the Kidneys, &c., or inflamation of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as a sovereign remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful and obstructions. No other medicine can be offered, except this, which would touch this kind of derangements. It may be relied upon as a sure and effectual remedy. Its use has been tested in no a few cases, and we can give a thousand names as proof of cures in this distressing class of complaints.—See pamphlet. All persons who have suffered from injurious effects from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.

Eruptive Diseases will find the alterative properties of this article remove the blood, and drive such diseases out of the system. Scrofula, Scurvy, and all other forms of cutaneous diseases, which the limits of an advertisement will not permit to be named here; Agents give their agency, and warrant the article to be a sure remedy for all these complaints, and to be a sure cure in all cases of difficulties, no matter what these difficulties may be, can deter me from accomplishing my object, in providing for the former, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *nec plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Tapscott's constant personal supervision of the business affords the public an additional security, that the comfort and accommodation of the passengers will be particularly attended to.

The subscribers, being an old, extensively engaged in the Transportation Business between Pittsburgh and the Atlantic Cities, are thereby enabled to take charge of forward passengers immediately on their landing, without a chance of disappointment or delay; and are, therefore, prepared to contract for passage from any sea-port in Great Britain or Ireland to this city, the nature of the business they are engaged in giving them facilities for carrying passengers so far infinitely more otherwise attainable; and will, if necessary, forward passengers further West by the best mode of conveyance, without any additional charges for their trouble. PASSENGER AND REMITTANCE

Office.

HARNDEN & Co. continue to bring out persons from any part of England, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not let our passengers be robbed by the swindling scamps that infest the seaports, as we take charge of them the moment they reach Liverpool, and do not let them rest and despatch them without any detention by the first ships. We say this fearlessly, as we defy any of our opponents to show that they can do anything of equal importance to us in Liverpool, whilst thousands of others were detained months until they could be sent to some *Hell* of a place, at a cheap rate, which, too frequently proved their coffins.

We intend to perform our contracts honorably, rest assured of that, and we are as sure the ease last season with other offices, who either performed not at all, or when it suited their convenience.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Burton, of London, England; and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, as incurable and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.

Sold in large bottles at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequaled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

Connelli's Magical Pain Extractor.

IT is now conceded by medical men that Connelli's Magical Pain Extractor, manufactured by Messrs. Jones & Co. Philadelphia, is the best, and at the greatest wonder of the 19th century. Its effects are truly miraculous. All pains are removed from the head, face, &c., and in a few minutes after its application; healing the same on the most delicate skin, leaving no scar. It is equally beneficial in the cure of inflammatory diseases, such as sore Nipples and Eyes, Sprains, Rheumatism, White Swelling and Ulcers, Burns, Bruises, Scalds, Chilblains, Felons, Sore Throat, Quinsy, &c. We might add as proof to all we say, the names of many eminent physicians who use it in their practice, and in their families, as the strongest proof of its praise in their people. Kind parent *keep it constantly on hand*, in case of accidents by fire life may be saved, and pain prevented. Its use is perfectly harmless to control, unless the vitals are destroyed. *Convincing testimony* of its virtues of Cures, Certificates, &c., *to be seen*—remember and ask for *Connelli's Magical Pain Extractor*, manufactured by *Comstock & Co., N. Y.*, and take no other.

FILES, SORES, &c.—*The Genuine Hoyt' Liniment*, is an unfailing remedy, and a cure for the above, than any or all others. Its cures are almost immediate, and its only necessary to let those who have the article know it, and it will be used, to know that it is to be had in every town and country. Comstock & Co., 21 Cortlandt st., N. Y., sole proprietors.

Sold wholesale and retail in Pittsburgh, Pa., by WM. JACKSON, 89 Liberty st., head of Wood st.; also in Washington, Pa., by Chas. Cracraft; in Brownsville, by Lewis Rose and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in the last stage of a decline, and was pronounced by her physicians—Sherman's Balsam was given and recured her.

Mr. Gassaway, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—he was reduced to skin and bone. He also witnessed its wonderful effects in curing Asthma, which is never failed doing. Spitting Blood, alarming as it may seem, effectually yields to this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Mr. Jones, of West Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the medicine he ever took in the course of a year. Dr. J. J. Beals, 19 Delancy street, gave it to a sister-in-law who was laboring under Consumption, and in another case of Asthma. Dr. Williams, in both cases its effects were immediate, soon restoring them to comfortable health.

Mr. Stanton, of Stanton-st., suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to attend to her duties. Mr. Ely, of Ely's Place, says: "This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the lungs and throat, including Asthma and Consumption, and in another case its effects were immediate, soon restoring them to comfortable health.
