The Three Big Doors vs. The Western World!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old and well valied Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the increasing calls in my line, it is still a difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are larger at the times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing, if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year, preparatory to the accession, I will make, in the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS,

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I have to offer them, but will simply tell them that if they only favor me with a call, I will lay before them 175,000 different garments to make a choice out of. Come one, come all, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main spring of my part. Without any intention of boasting, on my part, I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 30 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind—a generous people of so noble a nature and close discernment.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing in fame for the speedy relief it affords to all those who become the only medicine for family use, and is particularly recommended for Dropsy; all stages of this complaint immediately relieved, and a cure effected in a few days. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone, and never failed to give relief, and the cures testified to will convince the most skeptical.—(see pamphlet.) Liver Complaint, Bilious Diarrhoea, Fever and Ague, &c. are the West especially, and wherever these complaints prevail, this medicine is offered. Nominal agent, and otherwise compound is a part of this medicine; cures these diseases with certainty and celerity, and does not leave the system in a feeble state. Fever and Ague, however long and painful character, is immediately relieved, and a cure follows by a few days use of this article. It is far beyond any other preparation for the above, and for every disease originating from impure blood. (See pamphlet.) Debility of the System, Weak Back, Weakness of the Kidneys, &c., or inflammation of the Kidneys, immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as a certain remedy for such complaints, and for all those diseases of the female frame, Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this which would counteract the effects of derangement, or may be relied upon as a safe and effective remedy; and, did we feel tempted to do so, could, by the hundreds of certificates as proof of cures in this distressing class of complaints.—See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find in the healing power of this article to act immediately, and the poisonous mineral eradicated from the system.

Sanpitor Diseases will find in this preventive properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here: Agents give them away; they contain 25 pages of certificates of high character; and a stronger array of proof of the virtues of this medicine, never appeared. It is one of the peculiar features of this article, that it never fails to bring relief in Dropsy, and all those cases of pain and muscle are left to build upon; let the emaciated and lingering invalid WORK ON, and keep taking the medicine as long as there is life and hope. The proprietor would caution the public against a number of articles which come out under the heads of SARSAPARILLA, SYRUPS, &c., as cures for Dropsy, Gravel, Liver Complaint, and all wasting; and concocted to gull the unwary: TOUCH THEM NOT. Their inventors never thought of curing such diseases till this article was discovered. *A parallel case can be adduced to show that it is a certain remedy, and that it is earnestly solicited:*—Agents, and all who sell the article, are bound to execute every contract. Put up 32 oz. bottles, at $2; 12 oz. do. at $1 each—the larger holding 4 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo; wholesale and retail.

No attention given to letters unless post-paid—*order from regularly authorized Agents excepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Offices devoted exclusively to the sale of this article—132 Nassau st., N. Y.; 246 Essex st., Salem, Mass.; and by the principal Druggists throughout the United States and Canada, as Agents.

Great English Remedy!

FOR Colds, Coldsa, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Buchan, of London, England; and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for it the notice of those persons in the north who may be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.

Sold in large bottles at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.
