Clothing! Clothing!! Clothing!!!

The Three Big Doors *The Western World!!!*

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are larger or ten times larger than any other house in the trade, and this being the case for an immense amount, I can afford to sell at much less profit than those who could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS,

is one of the largest and choice st selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to you the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the satisfaction of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise; how such a vast collection of heavy WOOLEN CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry are the main-spring of trade.—Without any intention of boasting, on my part, I will say that at the same time, it is a matter of surprise to me, how I succeed, for, nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who merely go to make up a different sphere, and require fancy themselves moving in a different sphere, and requiring an article of the *so plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes; in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people or so noble a nature and close discernment.

Tapscott's Genera—Emigration Office.

REMITTANCES and Passage to and from Europe, from Great Britain and Ireland, by Av. C. J. T. Tapscott, 75 South st., corner of Wood st., Liverpool.

The subscribers, having accepted the Agency of the above House, are prepared to make arrangements on the most liberal terms with those desirous of paying the passage of their friends from the Old Country; and they flatter themselves their character and long standing in business will give ample assurance that their arrangements will be carried out faithfully.

Messrs. C. & J. T. Tapscott are long and favorably known to the shipping class, accommodation, and sailing qualities of their Packet Ships. The QUEEN OF THE WEST, SHERIDAN, GARRICK, HOTTINGUER, ROSCIUS; LIVERPOOL, and SIDDONS, two of which have each port monthly—from New York the 21st and 6th, and from Liverpool the 6th and 11th; in addition to which they have arrangements with the St. George and other Lines of Liverpool Packets, to insure a departure from Liverpool every five days, being the determination that their facilities shall keep pace with their increasing patronage; while Mr. W. Tapscott's constant personal superintendance of the business in Liverpool and accumulation of personal security that no effort of his shall cause the passengers will be particularly attended to.

The subscribers being, as above, extensively engaged in the Transportation Business between Pittsburgh and the Atlantic Cities, are thereby enabled to take charge of and forward passengers immediately on their landing, on the Transportation Business, without disappointment or delay; and, therefore, prepared to contract for passage from city or port in Great Britain or Ireland to this city, and, as their business they are engaged in giving them facilities for carrying passengers so far inland as cheaper than proof of cures in the following diseases:—Consumption. See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the wonderful power of this article to act immediately, and the poisonous mineral eradicated from the system.

Eruptive Diseases will find the diuretic properties of this article purify the blood, and drive such disease from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not allow to be named here; Agents give them away; they contain 32 pages of certificates of high character, and strongest proof of the virtue of the medicine, never equalled. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if nerves and muscle are left to build upon, by the emaciated and lingering invalid sore on, and keep inking the medicine as long as there is any improvement. Then unless perfect satisfaction is given to the public against a number of articles which come out under the heads of SARSAPARILLAS, SYRUPS, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary: TOUCH THEM NOT. Their inventors never thought of curing such diseases; if this article had done it. *A particular study of the pamphlets is earnestly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Price in 30 cent bottles, at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*enclosed from regularly authorized Agents excepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

PASSENGER AND REMITTANCE

OFFICE

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindlers and sharpers so numerous at this time, we also take charge of them the moment they report themselves, and see to their welfare, and despatch them without any detention, on the first train. We say this fearlessly, as we defy any of our passengers to show that they were detained one minute longer by us than Liverpool, while thousands of others were detained months until they could be sent in some *old craft*, at a cheap rate, which, too frequently proved their coffins.

We intend to perform our contracts honorably, *exactly what it may*, and not as some have done before us, promise one thing and perform another not at all, or when it suited their convenience.

Great English Remedy!

FOR Cough, Colds, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive of the climate, but to be used as a preventive medicine, in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.

Sold in large bottles at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

BY DOCTOR HOOFLANDS

CELEBRATED GERMAN BITTERS.

Their power over the above diseases is not excelled, if equalled—by any other preparation in the United States, as the cures in this city attest, in many cases after skilful physicians had failed.

Derangement in the liver and stomach are sources of filantly—from disease or obstruction a morbid action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; as nerve follows from their reciprocal action that both must be more or less implicated, and deranged simultaneously. Hence there will also produce disease of the SKIN, LUNGS, UTERUS and KIDNEYS, as well as the brain. The thousands, who die with YELLOW FEVER, CHOLERA, or INFLIENZA, is owing to the same cause, and the majority of cases of that most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system of man, as upon it is so dependent for the success and all the blessings that are to be derived from the administration of internal medicines. Its functions are of the utmost importance to every one in consulting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system.

The rare success in treating disease of the liver and stomach successfully has not been want of pathological knowledge of their functions, but the preparation of a compound that would act upon the disease and all the sympathetic affections: that would be safe, and yet certainly effectual, and they are ENTIRELY VEGETABLE, and will in every case permanently destroy constitutions, give strength and vigor to the frame, at the time debilitating the patient, and they are grateful to the most delicate stomach under any circumstances.

WHO CAN USE THEM?

WHO WILL USE THEM AS DIRECTED,

(IF WITHIN THE REACH OF SENSE?)

The fame of this popular preparation has been before the public, has from its infallible efficacy, elicited the eulogy of the press from north to the land, their object being for the benefit of suffering humanity, its success has surpassed all precedents, and it is free from all alcoholic stimulants, syrup, sugar, potash, quinine, acids, and all injurious ingredients, and especially adapted to the diseases of the Western and Southern climate of the United States, and the West Indies.

The Philadelphia Democrat says:—"This medicine has an extraordinary virtue and efficacy, and is in great demand. We can speak from experience, that it has produced many wonderful cures."

The Daily Sun says:—"We believe it is one of the best medicines of the age—a friend having used it in his family with great satisfaction in the Jaundice and Liver Complaint."

The Spirit of the Times and Sporting says:—"Do our good citizens, who are invalids, know the many testimonials that have been published of Dr. Hoofland's Celebrated German Bitters?
