Clothing! Clothing!! Clothing!!!

The Great Big Door vs. The Western World!!!

150,000 WELL SELECTED GARMENTS now made, and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the eastern cities, at much trouble and expense, just completed his full and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very lowest price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the smallest profit I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I feel grateful to the citizens of all my pretentious before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Big Door.

Clothing! Clothing!! Clothing!!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS.

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that I may entir favor me with a call, I will for before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the finest quality down to the low priced Vests, Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade.—Without any intention of boasting, on my part, I will say at the same time, it is of such merit I am principally composed, for nothing in this shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who may themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are satisfied in a word.

Now, let me say a word or two to my country merchants in the trade; if you wish to save from 25 to 33 1-3 per cent, in your wholesale purchases, be sure, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and disposition.

Western New York College of Health.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame by the making all over the world. It has now become the only medicine used by the faculty in this city for Dropsy; all stages of this complaint immediately relieved, no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other remedy ever offered to the public has proved so effective the most skeptical—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague. To the Great Western and Western Country, where these complaints prevail, this medicine is offered. Nominal agent, unbelievingness compound is a part of this mixture; it cures by sweating with certainty and celerity, and does not leave the system torpid. (See pamphlet.) Piles, a complaint of a most painful character is immediately relieved and cured in a few days by a few days use of this article. It is *life* beyond any other preparation for this disease, or for any other disease originating from derangement of the Liver, Debility of the System, Weak Back, Weakness of the Kidneys, &c., or inflammation of the same; is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as a certain remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, and Obstructions. No article has ever been offered, except this, which would combine this kind of arrangement; it may be relied upon as a sure and effective remedy; and, did we feel permitted to do so, could give a thousand names as proof of cures in the Western Country, Pittsburgh etc. See pamphlets. All broken down, debilitated constitutions, from the effect of mercury, will find the bracing power of this article to be most extraordinary, and the poisonous mineral eradicated from the system.

Eruptive Diseases will find the alterative properties of this medicine very conspicuous, and effectually cure them from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not admit of being inserted. The story of Rattlesnake Oil, contains 32 pages of certificates of high character; and a stronger army of testimony in favor of any medicine does not appear. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if long and numerous trials are to be relied upon, let the sufferer lingering in valid hope on, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against the number of worthless, which come out under the heads of SARSAPARILLA, STURTS, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and connected with the Eastern Cities, and Western Cities, and Louisville, and Nashville, and New Orleans. Their inventors never thought of curing such disease as Dropsy, this article is *the remedy, the only remedy*. Agents, and all who sell the article, are glad to circulate gratuitously. Put up in 50 oz. bottles, at $2; 12 oz. at $1 per bottle—the large one containing 4 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture" blown in the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 397 Main street, Buffalo, (Western New York.)

No attention given to letters unless post-paid—*order from regularly authorized Agents excepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

PASSENGER AND REMITTANCE

Office.

HAENDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the sea-ports, as we take charge of them the moment they report themselves at our office in Liverpool, and despatch them without any detention by the first ships. We say this fearlessly, as we defy any one to produce of our Liverpool Packets, one single forty-eight hours by us in Liverpool, while thousands of others were detained months until they could be robbed of the last farthing they could be induced to part with, for the privilege of sailing in a filthy hole in Cork Harbour.

☞ It is the best Cough Medicine I ever used.—READ the following testimony of the superiority of *Dr. Wilard's Oriental Cough Mixture*, from a respectable citizen, who has tried it:

PITTSBURGH, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY:—After laboring for several weeks under one of the disagreeable coughs that is most distressing cold, which had, thus far, resisted the efforts of several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and it is a fair trial. Also, a desirable patent medicine, called Dr. Ralph's Pills, which I have found a very heavy article, and which I never failed of a ready sale. Spitting Blood, alarming as it may be, is effectually cured by the Balsam. It is not desirable patients should be required or wounded blood vessels, as the lungs sound again.

Mrs. HEZEKIAH JOHNS, 103 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicines he had taken, etc. Dr. L. J. Hess, 19 Barclay street, gave it to a sister-in-law who was labouring under Consumption, and to another sorely afflicted with the Asthma, and in both cases it effected a cure immediate, soon restoring them to comfortable health.

Mrs. LUCRETIA WELLS, 93 Christie-st., suffered from Asthma, and was given up by her physicians, but, at once, and she is comparatively well, being enabled to subdue every attack by a timely use of the medicine. This, and much, is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the Throat, Lungs and Stomach.

Jayne' Family Medicines.

DR. S. S. COOK, Piqua, Ohio, writes, March 1846:

"I have used your *Vermifuge, Carminative Balsam, and Expectorant*, in my practice, for the last three years, and have been exceedingly well pleased with them, and never, as yet, to my recollection, failed or realizing my fullest expectations in their curative properties. Your other medicines I cannot speak of from experience; but, judging from those I have used, I doubt not but that they claim, and are entitled to all the confidence reposed in them, by those who have used them. I was formerly very partial to ****'s Vermifuge, until I became acquainted with yours, which has my decided preference to any other now in use.

Respectfully, yours, &c., S. S. COOK, M. D.

Connell's Magical Pain Extractor.

IT is now conceded by medical men that Connell's Magical Pain Extractor, manufactured by Mr. Connell & Co., of Cincinnati, stands the test, as the greatest wonder of the 19th century. Its effects are truly miraculous, all pains are removed from burns, scalds, &c., in an extent unknown, in a few minutes after its application, leaving the same on the most delicate skin, leaving no blemish. It is equally beneficial in all kinds of inflammatory diseases, such as sore Nipples and Eyes, Sprains, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Salt Rheum, Piles, &c. We might add as proof to all we say, the names of many eminent physicians who use it in their practice, and recommend it, and to all invalids we would recommend it as worthy their confidence.

Sold by the agent, Hays, who keeps the Pekin Tea Depot can be seen the evidences of many of our most respectable citizens of Cures in all the foregoing diseases.
