'Tis horrible to be obliged to rub and scratch when alone, but more horrible to abstain from it, (for decency sake,) when in company. Let it be remembered that DR. LEIDY'S TETTER & ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and the fluids of the body, and where such diseases be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the Ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leidy. Most cases, however, will be effectually cured by Dr. Leidy's Tetter and Itch Ointment, unless the whole system is impregnated by the diseased humors, which will be completely purified off from the system by Dr. Leidy's Blood Pills, and the surface of the skin healed by the Ointment. Price of Ointment 25 cents. For sale

Great Remedy of the Age!

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY,

ESTABLISHED IN 1835 BY AN ACT OF CONGRESS.

The Great Remedy for

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and All diseases of Throat, Breast, and Lungs; the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

Read the Testimony.

St. Louis, Sept. 7th, 1846.

DR. E. EASTERLY & Co.—Gents.—I have been afflicted for about three years with a pulmonary complaint, which has baffled the skill of several of the most eminent physicians of our country. At times my cough was very severe, pain in my side and breast, and great difficulty in breathing. In this way I continued to suffer, until life became almost a burden. At length I saw your advertisement of DR. SWAYNE'S Compound Syrup of Wild Cherry, and was persuaded by a friend of mine to make a trial of it. I purchased a bottle of you. I am happy to inform you that one bottle has effected a perfect cure, and that I am now in the enjoyment of good health. I make this statement in the form of a certificate, that others who may be afflicted with such diseases may know where to find a valuable medicine. You can use this testimony in the recommendation of Swayne's Compound Syrup of Wild Cherry as you think best. Yours, with respect,

WM. CARSON.

☞ ONE WORD OF CAUTION.—Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry; some are called "Balsams," "Syrups," "Bitters," and even a Syrup of Wild Cherry," but mine is the original and only genuine preparation ever introduced to the public, which can be proved by the public records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

DR. H. SWAYNE,
☞ Corner of Eighth and Race streets, Philada.

☞ 50,000 Deaths by Consumption

Would perhaps be a small estimate for the ravages of this dreadful disease in a single year; then add the fearful catalogue of those cut off by inflammation of the Lungs, Hemorrhage, Asthma, Coughs, Influenza, Bronchitis and other diseases of the Lungs and Liver.

And the list would present an appalling proof of the fatality of these two classes of diseases. But it is important to know that nearly all of this dread mortality, or human life might have been prevented by a timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its intrinsic merits, is a sufficient tribute to inflated newspaper puffs. Those who give it a trial, being benefitted by it, recommend it to their neighbors, and thus gradually and surely has gained an enviable reputation and extended its way into general use. One bottle never fails to give relief in Croup or Cold, while with strict attentions to the directions that accompany each bottle, its use in Pulmonary diseases of long standing, and of the most alarming character, has always given relief, and in very many instances has effected complete and permanent cures.

Beware of the worthless "*Balsams*," "*Bitters*," "*Syrups*," &c., as they contain none of the virtues of the original preparation.

The original and only genuine article is prepared by DR. SWANE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

Prepared only by DR. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States.

The Warrant, when received, will be immediately sent per express to the proper owners; or if he should prefer receiving money, I will make sale of his Warrant to the best advantage for cash, and make no charge for that service.

In the event of the death of the soldiers, it should be mentioned in the letter, and the warrant will be according to the following rules: First, to his wife and children, if he have any; Second, to his father; and Third, to his mother.

Having a son in the General Land Office at Washington, and one in the Army under General Scott, in Mexico, the writer would bestow their prompt attention, should any difficulty arise respecting the necessary proof.

Letters addressed to me on the subject must be post paid, and inclose a Five Dollar Bank Note as my compensation. WM. B. FOSTER.

☞ Beware of a Pocket vessel of any repute sailing from the port of New York, without an abundant supply of the

SICK MAN'S NEVER FAILING FRIEND.

☞ Agencies have been established in all the principal Cities in the Union, and applications are constantly reaching us from almost numberless villages in every section of the Country. Testimonials of the marvellous effects are pouring in from all quarters—and in such numbers that we have not time to read one half of them. What stronger or more conclusive evidence than these important facts in the most sceptical desire? Is it possible, that the many thousands who have tried CLICKENER'S PILLS, can be deceived in their results? If any imposture or quackery existed, would it not long ago have been held up, as it should be, to the scorn and contempt of justly offended community?

☞ Remember, Dr. C. V. Clickener is the original inventor of Sugar Coated Pills; and that nothing of the sort was ever heard of, until he introduced them in 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud.

"It is the Best Cough Medicine I ever used."

THIS was expressed in our hearing yesterday, by an intelligent gentleman, who had used but about one half of a bottle of *Dr. Wistar's Oriental Cough Mixture*, before he was entirely cured. Come and get a bottle of it, and if the most obstinate cough prevail, that by addressing an application to him at this City, giving the name and address of the soldier, and if dead, his representatives, it will receive careful and prompt attention.

Instructions and Blanks will be immediately returned free of charge to the applicant, to be executed and returned to me at the office. The Warrant, when received, will be immediately sent per express to the proper owners; or if he should prefer receiving money, I will make sale of his Warrant to the best advantage for cash, and make no charge for that service.

In the event of the death of the soldiers, it should be mentioned in the letter, and the warrant will be according to the following rules: First, to his wife and children, if he have any; Second, to his father; and Third, to his mother.

Having a son in the General Land Office at Washington, and one in the Army under General Scott, in Mexico, the writer would bestow their prompt attention, should any difficulty arise respecting the necessary proof.

Letters addressed to me on the subject must be post paid, and inclose a Five Dollar Bank Note as my compensation. WM. B. FOSTER.

Rheumatism, Gout and Tic Doloureux.

A RESPECTABLE gentleman called at our office, as he said, to inform us that he had been afflicted for fifteen years with Rheumatism or Gout, and occasionally with Tic Doloureux; that he had been frequently confined to his room for months together, and often suffered the most intense and excruciating pains; but that lately he had been using JAYNE'S ALTERATIVE, from which he found the most signal and unexpected relief. He says he found the medicine very pleasant and effective, and that he now considers himself perfectly cured.—*Philadelphia North American.*

A FACT WORTH KNOWING.—A gentleman of Scrofulous habit from indiscretion in his younger days, became affected with Ulcerations in the Throat and Nose, and a disagreeable and troublesome eruption of the Skin. Indeed, his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful and offensive ulcers, and were as hollow and porous as a
