☞ Counterfeit 10's on the Sussex Bank, at Newton, N J, a new issue, and not described in any of the detectors, have just made their appearance. The bill shown us is a very bad imitation, though the name of the President is tolerably well done. A very little observation will discover the fraud. The vignette in the centre is an Indian, with hand upraised in wonder at the approach of a train of cars, a ship on the right margin, and an Indian with a bow on the left. It is letter A. No. 1586, and purports to have been engraved by Rawdon Wright & Hatch. The bill appears to be from the same plate as the lately notified counterfeits on the Burlington County Bank, at Medford, names and dates only being altered.—*Philadelphia News.*

Doctor Duncan's Expectorant Remedy, for Consumption, Cough, &c.—Whatever will have a tendency to mitigate suffering, and remove any one or a part of the many diseases which are now prevalent in the United States, is truly a great blessing to mankind. When a medical preparation has been tried, and found to possess the virtue to heal and cure disease, it is an act of imperative justice and benevolence which we owe to our fellow beings and the word to make it known. We have made use of Dr. Duncan's Expectorant Remedy in our family, and believe it to be among the very best of the many medical preparations, to remove Coughs, Colds, Spitting of Blood, &c. &c., now in practical use.

A. WHITING AVERY.

For sale by WM. JACKSON, 89 Liberty st., head of Wood st., Pittsburgh. jan21

☞ Consumption is a disease which is carrying its victims to the tomb by thousands, without being arrested in its progress by the medicines in common use at the present time. But a brighter day is coming, and has come—as to successful arrest of this disease. DR. ROGERS' LIVERWORT AND TAR, not only gives immediate relief in COUGHS and COLDS, but from the testimony of men of the highest standing here and elsewhere, it is making some very remarkable cures of CONSUMPTION. Improvements in the treatment of diseases is onward, and nothing can arrest its spirit in the present age. Those who are afflicted with diseased Lungs, would do well to call on D. C. Kneeland, also Messrs. Kidd & Co., the agents, and see the certificates of Dr. Wm. J. Richards, Judge Wm. Burke, the wife of the Rev. Geo. W. Maley, and of Dr. Hiram Cox, late Professor in the Cincinnati Medical College of Cincinnati.

☞ Let every one who is in need of some such Medicine as Sarsaparilla, and who wishes a good preparation, put up in generous sized bottles at one dollar each, read the advertisement in another column, of DOCTOR WOOD'S SARSAPARILLA AND WILD CHERRY, a compound of two of the most valuable medicines in the Materia Medica. As a tonic for General Debility, Dyspepsia, &c. we may safely say it is an excellent preparation.

Auction Sales.

Choice Business Stands,

FRONTING on Liberty street, Pittsburgh, and running back to Plum Alley being opposite to Commercial Row, for sale at Public Auction.

On the premises, on Saturday January 29th, at 3 o'clock, P. M.; will be sold, to close the concern, the four Lots, corner of Liberty street and Plum alley, marked as Nos 1, 2, 3 and 4, with the breadth and depth on the land bills.

The House and lot No 1, (corner) is one of the best Grocery Stands in Pittsburgh, and has an excellent Bakery connected with it. It is now rented for $240 a year until the first of April, 1849; the purchaser may take the lease, or pay interest from possession.

Lot No 2, embraces both the walls of the front house erected thereon, subject to the right of support for joists, &c., for the present or any future adjoiners, as will be especially described. This house is also rented for a year from the 1st of April, for $240 [subject, however, to this sale,] so that the purchaser may have that rent, or possession on the 1st of April next.

Lot No 3, is nearly one third larger than No 2, and with ten feet next; it was rented on an old lease, expiring 1st of April, 1849, for $260 a year.

Lot No 4 has an average depth of 36 feet 4 inches to Plum alley, and the ground rent for which it was bound has been assumed by Mr. Shepherd, so that the sale of this lot, will be perfected by a deed in fee simple with a covenant of general warranty; a similar deed will be given as to the other lots, clear of all incumbrances.

TERMS: One-fourth cash; residue in four equal annual payments, secured on the property, with interest, payable half-yearly.

The perfect certainty that the great Central Railroad must come in on this side of Pittsburgh, will enhance the value of this property in the hands of the purchaser 25 to 50 per cent. long before the price will be due.

SCRATCH, SCRATCH,

FETTER, ITCH, SALT RHEUM, &c.—Who would for a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

This horrible to be obliged to rub and scratch when alone, but more invisible to abstain from it, (for decency sake,) when in company. Let it be remembered that DR. LEIDY'S TETTER & ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and the fluids of the body, and where such diseases be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaprilla Blood Pills be used with the Ointment, they will cure any case whatever, and if they do not, the money will be refunded by Dr. Leidy. Most cases, however, will be effectually cared by Dr. Leidy's Tetter and Itch Ointment, unless the whole system is impregnated by the diseased humors, which will be completely cleansed off from the system by Dr. Leidy's Blood Pills, and the surface of the skin healed by the Ointment. Price of Ointment 25 cents. For sale by

DR. HOFFLAND'S CELEBRATED GERMAN MEDICINES!

Are without a rival for the Cure of the following Diseases!

IF taken according to directions they will cure any case, no matter who or what else has failed.

VEGETABLE RHEUMATIC PILLS.

For the permanent cure of Rheumatism, Gout, Gargreme, Hysterics, and severe nervous affections, and are highly recommended for the cure of Dropsy, Hemoral Asthma and Neuralgia. Patients using them, in most cases, experience benefit soon after the first dose; they quiet the nervous system, which enables them to rest well during the night; they never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as a palliative for a short period, but there is always danger in their use; they may cause the pain to leave one place for perhaps a vital part, or else where the pain will be more acute.

GERMAN BITTERS,

For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, (arising from the liver or stomach) diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as female weakness, dirziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and action, and assist digestion; they can be taken by the most delicate stomach; and in every case will entirely destroy costiveness, and renovate the whole system, removing all impurities and remnants of previous diseases, and give a healthy action to the whole frame.

The symptoms of Liver Complaint are uneasiness and pain in the right side, and soreness upon touch immediately under the inferior ribs; inability to lie on the left side, or if at all able, a dragging sensation produced, which seriously affects respiration, causing very often a troublesome cough; together with these symptoms we perceive a coated tongue, acidity of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a great disposition to sleep and depression of spirits, and sometimes sores in the mouth or throat, causing mucus to rise in the nostrils; jaundice frequently accompanies it, and a Dropsy in the face. These symptoms, if permitted to continue, will eventually produce that most baneful disease, Consumption; in fact a majority of such cases originate from the irritating cause above mentioned. Cathartic medicines must in every instance, be avoided in the treatment for it.

The symptoms of Dyspepsia are very various—those affecting the stomach alone, are nausea, heartburn, loss of appetite, sometimes an excess of appetite, sense of fulness or weight on the stomach, sinking or fluttering of the pit of the stomach; feted eructations, or sour arising from the stomach, &c. The sympathetic affections are very diversified.—Dyspepsia, devoid of a functual nature, is without danger, but if arising from a disease of the stomach, it is dangerous

Nervous Debility generally accompanies dyspepsia or liver complaint; it will also cure. A few doses will remove all the unpleasant effects, such as fluttering at the heart, aching sensation when in a lying position, dots or webs before the sight, fever and dull pain in the head, constant imagining of evil; and great depression of spirits. Outward signs are quick and strong pulse, pale and distressed countenance, &c.

Any case of the above disease can be cured effectually by the use of the Bitters as directed.

SUDORIFIC,

An infallible remedy for coughs or colds, or the chest, spitting of blood, influenza, whooping cough, bronchitis, hysteria, nervous asthma, or any disease of the lungs and throat.

This is an invaluable family medicine. It soon releaves any cough or hoarseness, and prevents the croup by being early administered. No danger of cold is too light to pass neglected; neglected colds send thousands to the grave annually, and cause many to grow up with a delicate frame, who would have been strong and robust if at first properly treated.

SPIKENARD OINTMENT,

For the effectual cure of the piles, tetter, and rheum, scald head, ringworms, inflamed eyes or eyelids, Barber's itch, frosted feet, old sores arising from fever or impure blood; and will extract the fire from burns, upon application, or remove any cutaneous eruptions from the skin. Persons troubled with tender faces should use it after shaving; it will in a few minutes remove all soreness, and stop the bleeding. It can always be relied upon, and is invaluable in any family.

TAR OINTMENT.

For the cure of pains or weakness in the liver, back or chest; it will entirely remove any deep seared pains. These remedies have caused many to enjoy the inestimable blessings of invigorated health, and in a variety of desperate and abandoned cases, a perfect and radical cure.

The innumerable impositions upon the public, and statements of remarkable cures never made, yet certified to by forged names, or by persons wholly unacquainted with what they have endorsed, renders it difficult to do justice to the public in offering sufficient inducements to make a trial of these invaluable medicines. They are entirely vegetable, and free from all injurious ingredients, and claim your patronage solely upon their merits. Every family should have a pamphlet; they can be had of the agent gratis.
