Consumption, Cough, Spitting of Blood, Bronchitis, Asthma, &c.

TO Consumptives; four-fifths of you are really suffering from neglected colds, from obstruction and consequent inflammation of the delicate lining of those tubes through which the air we breathe is distributed to the lungs. This obstruction produces pain and soreness, hoarseness, cough, difficulty of breathing, hectic fever, and a spitting of blood, matter, or phlegm, which finally exhausts the strength of the patient, and death ensues. JAYNE'S Expectorant *never fails* to remove this obstruction, and produces the most pleasing and happy results. IT IS CERTAIN in its effects, and cannot fail to relieve.

PERSONS brought out by this Agency upon the most reasonable terms, from any part of England, Ireland, Scotland, and Wales, sail in Packet Ships only. Foreign Correspondents and agents of the British Government have frequently cautioned Emigrants at Home and their friends in America, against the frauds that are continually practised upon them, and have always referred to the well known house of *Harnden & Co.* as the right place for all to apply if they wish to be treated with punctuality and kindness. Parties who advertise themselves *sole agents for the Black Ball Line*, state what is not true, and thus deceive the public, as we profess to be agents not only of the *Black Ball Line*, but every other *Good Line*, and also *Cunard's Steam Line*.

Great Remedy of the Age!

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY,

PATENTED MAY 1ST 1843 BY THE ACT OF CONGRESS.

The Great Remedy for Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and All diseases of Throat, Breast, and Lungs, the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY!

Read the Testimony.

St. Louis, Sept. 7th, 1846.

DR. E. EASTERLY & Co.—Gents:—I have been afflicted for about three years with a pulmonary complaint, which has baffled the skill of several of the most eminent physicians of our country. At times my cough was very severe, pain in my side and breast, and great difficulty in breathing. In this way I continued to suffer, until life became almost a burden. At length I saw your advertisement of DR. SWAYNE'S Compound Syrup of Wild Cherry, and was persuaded by a friend of mine to make a trial of it, and I purchased a bottle of you. I am happy to inform you that one bottle has effected a perfect cure, and that I am now in the enjoyment of good health. I make this statement in the form of a certificate, that others who may be afflicted with such diseases may know where to find a valuable medicine. You can use this testimony in commendation of Dr. Swayne's Compound Syrup of Wild Cherry as you think best. Yours, with respect,

WM. CARSON.

ONE WORD OF CAUTION.—Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry; some are called "Balsams," "Bitters," and even "Syrup of Wild Cherry," but mind—the genuine and only genuine preparation ever introduced to the public, which can be proved by the public records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

DR. H. SWAYNE,
Corner of Eighth and Race streets, Philada.

50,000 Deaths by Consumption

Would perhaps be a small estimate for the ravages of this dreadful disease in a single year; then add the fearful catalogue of those who fall by inflammation of the Lungs, Hemorrhage, Asthma, Coughs, Influenza, Bronchitis, and other diseases of the Lungs and Liver.

The list would present an appalling proof of the fatality of these two classes of diseases. But it is important to know that nearly all of this dread waste of human life might have been prevented by a timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its intrinsic merits, owes but little to inflated newspaper puffs. Those who give it a trial, being benefitted by it, recommend it to their acquaintances, and thus gradually and surely has it gained an enviable reputation, and forced its way into general use. One bottle never fails to cure a recent Cough or Cold, while with strict attention to the directions that accompany each bottle, its use in Pulmonary diseases of long standing and of the most alarming character, has always given relief, and in very many instances has effected complete and permanent cures.

Beware of the worthless "*Balsams*," "*Bitters*," "*Syrups*," &c., as they contain none of the virtues of the original preparation.

The (original and only) genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in parts of the United States, and some parts of Europe.

Prepared only by DR. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States.

For sale *Wholesale and Retail*, by WM. THORN, 53 Market street; I. JONES, 150 Liberty street, and OGDEN & SNOWDEN, *corner of Wood and St. clair*, SOLE AGENTS FOR PITTSBURGH, PA. jy10

SOLDIERS OF THE MEXICAN WAR:

THE subscriber having opened an office in the City of Pittsburgh, in the State of Pennsylvania, for the purpose of procuring Land Warrants at the Seat of Government, for the discharged Soldiers of the Regular Army, as well as the Volunteers, who have served their country in the present War with Mexico, informs the living, and the representatives of the dead, that by addressing an application to him at this city, giving the name and address of the soldier, and if dead, his representatives, it will receive careful and prompt attention.

Instructions and Blanks will be immediately returned per mail o the applicant, to be executed and returned to me at this place. The Warrant, when received, will be immediately sent per mail to the proper owner; or if he should prefer receiving money, I will make sale of his Warrant to the best advantage for cash, and make no charge for that service.

In the event of the death of the soldier, that must be mentioned in the letter, and the warrant will issue according to the following rules: First, to his wife and children, (if he have any.) Second, to his father; and Third, to his mother.

Having a son in the General Land Office at Washington, and one in the Army under General Scott, in Mexico, the matter would receive their prompt attention, should any difficulty arise respecting the necessary proof.

ARE universally admitted to operate, not only as an *effectual preventive*, but as a *never failing remedy*, in all diseases which can effect the human frame.—Head-ache, Indigestion, Rheumatism, Piles, Scurvy, Dropsy, Small-pox, Cholera-morbus, Worms, Whooping-cough, Consumption, Jaundice, Quinsy, Scarlatina, Liver complaint, Apoplexy, Cancers, Measles, Salt-Rheum, Fits, Heartburn, Giddiness, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Pains in the back, Inward weakness, Palpitations in the heart, Risings in the throat, Asthma, Fevers of all kinds, Female complaints, Stitches in the side, Spitting of blood, Sore eyes, Scrofula, St Anthony's fire, Lowness of spirits, Flooding, Fluor Albus or Whites, Gripes, King's evil, Lockjaw, Hysterics, Bile on the stomach, and all bilious affections, Pleurisy, Croup, Swelled feet and legs, Swine-pox, White-swellings, Tremors, Tumours, Ulcers, Vomiting, and a host of others have successively and repeatedly been vanquished by their all powerful army. They have been known to effect permanent cures when all other remedies had proved unavailing, and in the last stages of disease.

They have in many cases *superseded the prescriptive skill of the most eminent Physicians*, and received besides their unqualified commendation.

They have been repeatedly recommended by men of the most distinguished characters, throughout the land, and been sanctioned in Europe by Noblemen, and Princes of Royal blood.

They have been introduced into the Hospitals of Edinburgh, Paris, and Vienna, and through the disinterested exertions of our Foreign Ambassadors, they have received the favorable commendation of the Emperor of Russia, and his celestial Majesty of the Chinese Empire.

☞ Scarcely a Packet vessel of any repute sails from the port of New York, without an abundant supply of the

SICK MAN'S NEVER FAILING FRIEND.

☞ For years they have been established in all the principal Cities in the Union, and applications are constantly reaching us from almost numberless villages in every section of the Country. Testimonials of their marvellous effects are pouring in from all quarters—and in such numbers that we have not time to read one half of them. What stronger or more conclusive evidence than these important facts can the most sceptical desire? Is it possible, that those who have tried CLICKENER'S PILLS, can be deceived in their results? Is it imposture or quackery existed, would it not long ago have been held up, as it should be, to the scorn and derision of a justly offended community?

☞ Remember, Dr. C. Clickener is the original inventor of Sugar Coated Pills; and that nothing of the kind ever was heard of, until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud.

"It is the Best Cough Medicine I ever used."

THIS was expressed in our hearing yesterday, by an intelligent gentleman, who had used but about one half of a bottle of *Dr. Willard's Oriental Cough Mixture*, before he was entirely cured. Come and get a bottle of it, and if the most obstinate cough or cold does not disappear by its use, your money will be refunded. Compounded as it is, of the most effective, though tasteless and pleasant medicines, its use for years has not, nor indeed can it, fail to give entire satisfaction.

For sale, wholesale and retail, by

HAYS & BROCKWAY,
Liberty street, near Canal Basin.
Sold also by WM. FLEMING,

B. A. FAHNESTOCK'S COUGH SYRUP—This preparation has proved itself to be of very great efficacy in the cure of obstinate Coughs, Colds, Asthma, Whooping Cough, Spitting of Blood, and other Pneumonic affections; and the proprietors feel warranted in recommending it as a safe and useful medicine, and are prepared to show certificates of indisputable authority, in testimony of its value.

It is pleasant to taste, and offered at so low a price as to place it within the reach of every person. There are, perhaps, but few Cough preparations that will produce such decided effects in so short a time. Prepared and sold, by
