Clothing! Clothing!! Clothing!!!
The Three Big Doors vs. The Western World!!!
150,000 WELL SELECTED GARMENTS now ready, and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low prices which they will be sold for, must certainly render the world renowned Three Big Doors one of the greatest attractions of the western country. Its gratifying to me to be able to announce to my numerous friends, that my unremitting and unwearied exertions, the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that crowds in this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could, possibly think of doing, if they wished to cover expenses and expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!! Clothing!!!
THE Spring and Summer stock that is now ready to be offered at the old original
THREE BIG DOORS,
is one of the largest and choicest in extent that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to you the tender-the different assortments of articles which I now have to offer them; but will simply tell them that if they fully favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open; wondering in the most extravagant degree of surprise, how such a great collection of SAME MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade. Without any intention of boasting on my part, I venture the assertion that no such assortment of articles can be found in any other house in the country, and I do not hesitate to say, that I can sell at a cheaper rate, and give more for the money than any other house in the country.

Now, *mark my words* and two to my country merchants, I do not say a word or two to my country merchants, I do not say a word or two to save from sixteen to twenty per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and giving satisfaction in the way of good, stylish and durable goods, I will not in future attempt to offer inducements of a similar kind to a generous public, of no mean nature and close discernment.
