Clothing! Clothing!! Clothing!!!

The Cities Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most splendid stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very lowest prices which they will be sold for, that certainly render the old unrivalled Water Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the cotton sold, I can offer it at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wears a cheap winter suit, to call and purchase at the Three Big Doors.

DR. G. C VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame by the making all over the world. It has now become the only medicine in the Lithontriptic line, generally recommended for Dropsy; all stages of this complaint yielding readily to the use of this, now long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs, for these distressing complaints, this is the only medicine, (or medicine you; and the cures testified to will convince the most skeptical—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague, &c. &c. are in the Western country, and wherever these complaints prevail, this medicine is relieved. No mineral agent, indeleterious compound is a part of this mixture. It cures by a direct effect on the urinary and celerity, and does not leave the system in ruin. (See pamphlet.) Fifty accomplaints of a most painful character, it immediately relieves, and in a few days by a few days use of this article. It is far beyond any other preparation for this class of complaints. Whips all of which to the contrary, (see testimony.) Debility of the System, Weak Back, Weakness of the Kidneys, &c., or inflammation of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as a certain remedy for such complaints, and also for Suppressions, of the female frame, Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this, which would touch this kind of derangement. It may be relied upon as a sure and effective remedy; and, did we feel permitted to do so, could give a thousand names as proof of cures in this distressing class of complaints. See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find this bracing power of this article to an immediately, and the poisonous mineral eradicated from the system.

Eruptive Diseases, Scrofula, Cancerous properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of a newspaper advertisement will not permit to be named here: Agents give them away; they contain 32 pages of certificates of high character; and a stronger array of proof of the efficacy of the Government to be set apparated. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if bone and muscle are left, it will cure. Its great tendency and lingering invalid nurses, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which come out under the heads of SARSAPARILLAS, SYRUPS, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and conceived to gull the unwary; touch three sore. Their inventors never thought of curing such diseases till this article had done it. *A particular study of the pamphlets is earnestly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Put up in 30 oz. bottles, at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the very small one. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 237 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post paid—*orders from regularly authorized Agents excepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Offices devoted exclusively to the sale of this article—132 Nassau st., N. Y.; 295 Essex st., Salem, Mass.; and by the principal Druggists throughout the United States and Canada, as Agents.

THIS INSTITUTION is now in successful operation, under the management of a competent Matron and Nurses. The Medical Staff is composed of the following Physicians: Drs. Addison, Gazzam, Dale, Brooke, Morgan, Bell, Lange and Cormany; the two last of whom attend to the German patients.

Individuals, Churches, Beneficial Societies, Families, &c., who wish to provide an asylum for sick friends, members, and domestics, can do so at from $2 to $5 per week, according to attendance, rooms, &c.
