Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Buchan, of London, English and introduced into the United States under the immediate superintendence of the inventor.
The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.
Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.
Sold in large bottles at $1 per bottle, with full directions for the restoration of health.
Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original
THREE BIG DOORS.
is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both hands and eyes open, wondering in the most extravagant degree of surprise, have such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade—Without any intention or boasting, on my part, I will say at the same time, it is of such moral I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up suitable goods, and at the same time substantial garments, to meet their demands: and as for other trade, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.
Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 50 per cent. in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people or so noble a nature and close disposition.
JOHN MULDOKEY,

JOHN KENNEDY,
feb17-dtw JOHN C. BLAIR.

FINAL NOTICE.—All persons indebted to the estate of W. Cahill, deceased, are notified to call and settle on or before the 1st day of March next, as all accounts unsettled after that day, will be placed in the hands of an Alderman for immediate action. The above will be enforced without distinction of persons.

DR. WILLARD'S *Oriental Cough Mixture.*—LET US WORK WHILE WE HAVE THE OPPORTUNITY.—Those who have not had an opportunity of trying this great remedy for the permanent cure of every affection of the lungs, should not fail to give it a trial. Certificates of its efficiency, from our own citizens, which we are constantly receiving, cannot fail to convince the skeptical. Read the following from a lady of high standing in Allegheny:
"ALLEGHENY CITY, Feb. 7, 1848.
"*Messrs. Hays & Brockway:* It affords me great pleasure to be able to add my testimony in favor of Dr. Willard's truly valuable cough medicine. About three months since I was attacked with a violent cold, and was much distressed with the cough, from which I could get no relief, until I was a short time since induced to call at your store and purchase some of the Oriental Cough Mixture. I am happy to state that the use of the second bottle has *entirely cured me*; and, having great confidence in it, I have, and shall continue to recommend it to my friends.

FROM the New York Gazette, Oct. 6, 1839, a daily paper deservedly at the head of the daily press in this country.
Bristol's Extract of Sarsaparilla.—It were but courtesy to call the attention of our readers to this invaluable preparation which will be found advertised in another column. Mr. Bristol is a brother, and issues a highly interesting newspaper, every now and then, one or two numbers of which we have already noticed; and the medicine itself has been eulogized by nearly all the press of the western country, and, we doubt not, justly eulogized. It has in its favor, moreover, very flattering testimonials from the most eminent practitioners in every part of the country where it has been used. There is beauty and taste enough in the bottles, and in the engraved labels in which they are enveloped, to induce a purchase, even if the preparation itself were not one of the "sovereignest in the world," as every person must believe it is—that is, every one must believe it is—that is, every one who would not resist a mass of documentary evidence conclusive enough to convert a Turk to Christianity. Buy one of the bottles, gentle reader, and see whether you do not agree with us on this point.
