Clothing! Clothing!! Clothing!!!

The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old main well called Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year, coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS,

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will pay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the mainspring of trade.—Without any intention of boasting, on my part, I will say to the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the "Three Big Doors" and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Jacobs, of London, England, formerly Physician to the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the country—certain in all cases where it is used from any of the common remedies of the day, and have been given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with this invaluable Hungarian Balsam of Life, ever ready to counteract the consumptive of the climate, but to be used in the incipient stage of all cases of colds, coughs, spitting of blood, pain in the side and chest, difficulty of breathing, soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and strict attention to the comfort of all who may allow our passengers to be robbed by the swindling scamps that infest the sea-ports, as we take charge of them the moment they leave the vessel, and keep them in lodging, and despatch them without any detention by the first ships. We are in the habit, every year, of bringing out passengers to *show* that they were not robbed of their outfits. SILENCE THAT DREADFUL COUGH!—The Lungs are now attacked, and the seeds of a fatal disease have begun, the Cough of Consumption hath in it a sound of death.

ARE YOU A MOTHER? Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by the merciless cold—paler pale cheeks, her thin shrunken fingers, tell the fold disease has already gained upon her—the sound of her supulchral cough pierces your soul.

Spitting Blood, Liver Complaint, Dyspepsia, Sore Throat, Bronchitis, Hemoral Asthma, or any disease of the Lungs or Throat.

This is an invaluable family medicine. It soon rel
