☞ GREAT INCONSISTENCY!—Physicians prescribe Dr. Rogers' Liverwort and Tar in the last stages and most hopeless cases of Consumption, after all other medicines have failed, as it has proved itself to be the most extraordinary medical aid in curing that disease. Now this medicine is as valuable in the incipient stages, such as Coughs, Colds, &c., &c., when the Lungs are not too far gone before ulceration takes place. It is seldom or ever known to fail in breaking up the most distressing Cough or Cold in a few hours time, if the directions are strictly followed. The Genuine *Dr. Rogers' Liverwort and Tar*, which makes so many wonderful cures.

☞ APOPLEXY.—This dreadful complaint is generally preceded by pain in the head, giddiness, especially on turning suddenly around, dimness of sight, stupor, loss of memory, and other unpleasant symptoms, which indicate a loaded and corrupt state of the blood.

Wright's Indian Vegetable Pills are a certain Preventive of apoplexy, because they expel from the blood those stagnant and corrupt humors, which are the cause of this and every other malady incident to man.

Wright's Indian Vegetable Pills also aid and improve digestion, as well as purify the blood, and therefore drive disease of every name from the body.

Beware of Counterfeits and Imitations.—Remember that the Original and Only Genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.

Remember, also, that Messrs. Fonctwangler & Co., of New York; Jas. S. Glancoe & Co., at Cincinnati; and J. B. Wilder & Co., of Louisville, are sole agents for this medicine, and we cannot guarantee the genuineness of that offered by them for sale.

The genuine is for sale at Dr. Wright's Principal Office, 169 Race street, Philadelphia; and by John Thomson, 156 Liberty street, Pittsburgh, Pa., who is sole agent for this city, by whom dealers can be supplied at the wholesale rate. jan4

☞ A cough should never be neglected. It may appear trifling and unworthy the attention at first, but it will not remain stationary long: it may progress slow at first, and its augmentation may or scarcely perceptible; yet when it once seizes the lungs, all the other parts of the body will be sympathetically affected, and a confirmed Consumption and premature death will be the inevitable result. A little care would save many a life, and be timely use of a proper remedy might have arrested many a consumption. But many persons have an invincible repugnance to taking any medicine, and rather suffer than use the means towards arresting a disease, simply because the remedy may not be a pleasant one, would suffer and languish for a long time, before they would resort to the aid of medicine.

B. A. Fahnestock & Co.'s Cough Balsam has a great advantage in this respect over many other Cough preparations, as its pleasant taste permits it to be used without inconvenience. Butts value as a Balsam consists in the speediness of its cure. We have known some of the most desperate coughs, some of which had been running on for a considerable length of time, yield almost immediately to its power.

☞ Let the public bear in mind that Scarlet Fever and other complaints incident to sudden changes of the weather, are peculiarly prevalent at this season of the year. Thousands of children, and many persons of mature age, are dying weekly, because they overlook the only medicine which is infallible in diseases of that kind. That medicine is Clickener's Sugar-coated Vegetable Purgative Pills, which have been successful in cases of the greatest obstinacy, and where all other remedies have proved unavailing. Physicians of the highest eminence have prescribed them in their practice, and they have been highly recommended by a committee of the American Institute, appointed to investigate their merits. Let those who have never used them consent to make a single trial, and they will never have cause to regret their determination. In case of failure, if such a thing is possible, the money will in all cases be returned.

☞ Sold by WM. JACKSON, Gen. Agent,
jan10 89 Liberty street, Pittsburgh.
[For list of Agents see advertisement.]

☞ COUNTERFEITS! COUNTERFEITS!—*Beware of Counterfeits!*—Citizens of Pittsburg, counterfeiters of Wright's celebrated INDIAN VEGETABLE PILLS are still abroad, and of the worst conceivable kind. We would respectfully invite you to call on the Agent for Pittsburgh, Mr. JOHN THOMPSON, 156 Liberty street, and examine for himself a box that was purchased at a Drug Store in this city. It is absolutely enough to make one blush to speak, *full business*, but at the same time to guard all against the villainy of the counterfeiter. The passing of counterfeit coin is not a touch to it. It is as much inferior in the degree of criminality, as petty larceny is inferior to downright murder.

Always remember that the Original and only Genuine INDIAN VEGETABLE PILLS have the written signature of WILLIAM WRIGHT on the top label of box.

Remember, also, that H. SNYDER, Druggist, corner of Market and Third streets, is *not* an agent for this medicine, and we cannot guaranty the genuineness of that offered by him for sale.

JOHN THOMPSON, 156 Liberty street, is sole Agent.
Purchase only of him. jan11:d&w

DRY GOODS NOTICE.

A. A. MASON & CO.,
No. 60 Market-street, Pittsburgh, Pa.,

BEG leave most respectfully to announce to their numerous patrons and the public that they, in consequence of contemplating a change in the firm, propose opening the whole of their extensive Warehouse, (including all their Warehouse Rooms) for retailing, and will continue open until the first of February, commencing on New Year's Day, 1849. Our whole stock, comprising one of the most extensive and well selected assortments of FANCY AND STAPLE DRY GOODS ever exhibited in the Western country, will be offered at lower prices than ever before known. Upwards of fifty thousand dollars of our stock has been recently purchased, the great portion of which are foreign Goods, received at New York by late European importations, and purchased since the commencement of the season, as well as the well known pressure in the money market, were sold at immense sacrifices at the public sales, at rates varying from twenty-five to fifty per cent. less than similar goods brought the first of the season. We therefore confidently invite our numerous friends and the time above mentioned will be found to be even lower than any Eastern wholesale rates.

We seriously invite the persons to visit our establishment, whether they purchase or not, and test the truth of the above—assuring them that they will incur no obligation thereby, but denote a favor upon the proprietors. Our assortment of SILKS, SHAWLS, and FINE DRESS GOODS will amply compensate for a visit, added to which our great display of DOMESTIC GOODS must induce all to call.

☞ Our system of One Price, will be strictly adhered to. A. A. MASON & CO.
