The Three Big Doors vs. The Western World!!

150,000 WELL SELECTED GARMENTS now made, and ready to be offered on the most liberal terms to any old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of clothing that has ever been offered in this or any other market west of the mountains. For neatness, in style and workmanship, combined with the very low price which they will be sold for, not certainly rather the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with confidence I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to compete or even cut expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

JOHN MCLOSKEY.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered in the old original

THREE BIG DOORS,

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them: but will simply tell them that if they only favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the satisfaction of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of fancy ware can or could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the mainspring of trade.—Without any intention of boasting, on my part, I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing the object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save *from* at least 25 to 30 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual despatch and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindling sentiment that *intoxicates* the brain of all those who have emigrated before the report themselves, and see to their well-being, and despatch them with as little delay as possible. We say this fearlessly, as we defy any of our passengers to *show* that they were detained forty-eight hours by us at any time, or that thousands of them were detained months until they could be sent in *some old craft*, at a cheap rate, which, too frequently proved their coffins.

We intend to perform our contracts honorably, *cost what it may*, and not act as was the case last season, with other offices, who would promise, but not all, or when it suited their convenience.

Connell's Magical Pain Extractor.

IT is now conceded by medical men that Connell's Magical Pain Extractor, manufactured by Connell & Co., 23 Courtland st., New York, is the greatest wonder of the 19th century. Its effects are truly miraculous. Pains are removed from a person's back, side, or any external sores, in a few minutes after its application; healing the same on the most delicate skin, leaving no scar. It is equally beneficial in all kinds of inflammatory diseases, such as sore Nipples and Eyes, Sprains, Rheumatism, White Swelling and Swelled Joints, Chilblains, Erysipelas, Piles, Tic Doloreaux, &c. We might add as proof to all we say, the names of many eminent Physicians who use it in their families for the cure of their own children, but we prefer to let the testimony of hundreds of the clergy who praise it to their people. Kind parent *keep it constantly on hand*, in case of accidents by the life may be lost without it. It is sold in bottles, and is subject to its control, unless the vials are destroyed. *Caution*—remember and ask for *Connell's Magical Pain Extractor*, manufactured by *Connell & Co., N. Y.*, and take no other.

PITKS, SORES, &c.—*The Genuine Hays' Liniment*, is an article more justly celebrated as a cure for the above, than any or all others. Its cures are almost immediate, and its only powerful rival, the wife of Hays, is its style and use it with such great success, that it is to be had true and genuine of Comstock & Co., 21 Courtland st., N. Y., sole proprietors.

Sold only genuine in Pittsburgh, Pa., by WM. JACKSON, 89 Liberty st., head of Wood st; also in Washington, Pa., by A. Clark; in Greensburgh, by Bennett & Crocker, also by our agent in every town in Pennsylvania, Ohio, Maryland and Virginia.

"It is the best Cough Medicine I ever Saw."

READ the following proof of the superiority of *Dr. Willard's Oriental Cough Mixture*, from a respectable citizen, who has tried it:

PITTSBURGH, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY:—After laboring for several weeks under a severe cough, which prevented my rest and most distressing cold, which had, thus far, resisted the effects of several of the best Cough Medicines I have tried and recovered through the subscribed or during this adverse from this cold, I was induced to try your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one bottle of the bottle I found myself entirely well. *It is the best medicine I ever saw.*"

Keenan has been frequently mistaken by applications and letters on the business of "Herdman & Keenan," passenger agents, this is to inform the public that the subscriber says that he is not the Keenan of that firm, and has never had any connexion with either of those persons. DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is rapidly increasing in fame by the making all over the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy; all symptoms of the dropsical diseases are immediately relieved, no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other article can compare with it, and the cures verified to will convince the most skeptical;—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague. To the Great Western, and Western Country, where these complaints prevail, this medicine is offered. No mineral agent, nor deleterious compound is a part of this mixture; it cures these diseases with certainty and celerity, and does not leave the system torpid. (See pamphlet.) Piles, a complaint of a most painful character, is immediately relieved, and a cure follows by a few days use of this article. It is far beyond any other preparation for this disease, or for any other eruptive disease, purifying the blood, Sick Headache, Debility of the System, Weak Back, Weakness of the Kidneys, &c., or Inflamation of the same, is immediately relieved by a few days use of this medicine, and it is always the result of its use. It stands as a certain remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this, which would combine this kind of derangements. It may be relied upon as a sure and effective remedy; and, did we feel permitted to do so, could give a thousand names as proof of cures in this distressing class of complaints—See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the bracing power of this medicine, and are emphatically *The Parents*. Very complete directions for use in the various complaints will be found in the directions accompanying the bottle.

DR. HOFFLAND'S CELEBRATED GERMAN MEDICINES

Are without a Rival for the Cure of the following Diseases:

IF taken according to the directions they will cure any case, no matter who or what else has failed.

VEGETABLE RHEUMATIC PILLS.

For the permanent cure of Rheumatism, Gout, Gangrene, Hysteria, and severe nervous affections, and are highly recommended for the cure of Dropsy, Hemorrid Asthma and Neuralgia. Patients using them, in most cases, experience benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as a palliative for a short period, but there is always danger in their use. They may cause the pain to leave one place for perhaps a vital part, or else where the pain will be more acute.

GERMAN BITTERS.

For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, (arising from the liver or stomach,) Diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as female weakness, dizziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and action and assist digestion. They can be taken by the most delicate stomach, and in every case will entirely destroy costiveness and renovate the whole system, removing all impurities and remnants of previous diseases, and giving a healthy action to the whole frame.

The symptoms of Liver Complaint are uneasiness and pain in the right side, and soreness upon touch immediately under the inferior ribs; inability to lie on the left side, or if it will abide, a creeping sensation produced, which serriously affects respiration, causing very often a troublesome cough; together with these symptoms we perceive a sallow complexion; acidity of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a great disposition to sleep and depression of spirits, and sometimes scores in the mouth or throat, causing mucus to rise in the nostrils. Jaundice frequently accompanies it, and a dropsy in the face. These symptoms, if permitted to continue, will eventually produce that most baneful disease, Consumption. In fact, a majority of such cases originate from the irritating causes above mentioned. Cathartic medicines must, in every instance, be avoided in the treatment for it.

The symptoms of Dyspepsia are very various—those affecting the stomach alone, are nausea, heart-burn, loss of appetite, sometimes an excess of appetite, sense of fullness or weight on the stomach, sinking or fluttering of the pit of the stomach, fœtid eructations, or sour arising from the stomach, &c. Dyspepsia, devoid of a bad stomach, is a rare thing, if arising from a disease of the stomach, it is dangerous.

Nervous Debility generally accompanies Dyspepsia or Liver Complaint; it will also cure: A few doses will remove all the unpleasant effects, such as fluttering at the heart, sudden startings of the frame, disturbed sleep or weba before the sight, fever and dull pain in the head, constant imaginings of evil, and great depression of spirits, cold feet, with a cold sweat on the
