Cond's patent graduated galvanic Battery AND PATENT INSULATED POLES,

FOR Medical and other purposes.—This is the only instrument of the kind that has ever been presented in this country or Europe for medical purposes, and is the only one ever known to multiply which the galvanic fluid can be conveyed to the human eye, the ear, the brain, or to any part of the body, either externally or internally, in a definite, gentle stream, without shocks or pain—with perfect safety—and often with the happiest effects.

This important apparatus is now highly approved of by many of the most eminent physicians of this country and Europe, to whom the afflicted and others whom it may concern can be referred. Reference will also be given to many highly respectable citizens, who have been cured, by means of this most valuable apparatus, of some of the most inveterate nervous disorders, which could not be removed by any other known means.

Among various others, it has been proved to be admirably adapted for the cure of the following diseases, viz: nervous headache and other disorders of the brain. Fashionable Hat and Cap Manufactory.

GEORGE S. ANSHITZ, Agent, respectfully informs his friends and the public generally, that he has commenced the Hat and Cap business, on account of your selling three shillings trial bottles, try it without fear. One instance, which has attracted particular attention, is the case of a gentleman of Philadelphia, who for nine twenty years; he had tried numerous preparations in vain, and ultimately had his hair shaved and wore a wig. At my recommendation, he tried the Restorative, and after using it, according to the direction, they commenced to grow and continued until he now has as fine a head of hair as any person in Baltimore.

"Yours, &c. JOHN KILVINGTON."

It causes the hair to grow, prevents the hair from turning grey, and the first application causes it to curl beautifully, frees it from scurf, and stops it from falling off.
