The Three Big Doors vs. The Western World!!!

150,000 made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this firm and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unparalleled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the smallest sale, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year, coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS,

is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them: but will simply tell them that if they only favor me with a call, I will lay before them 375,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of ready made clothing could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main spring of trade. Without any intention of boasting, on my part, I will say at the same time, it is of such stuff I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my *country* customers in this trade: If you wish to save from at least 25 to 50 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people, of so noble a nature and close discernment.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only remedy for the above diseases is the celebrated *Hungarian Balsam of Life*, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, we deem it unnecessary for an Agent in soliciting for treatment the worst possible cases that can be found in the country—and we do not seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendency, which has so much a preventive medicine in all cases of colds, coughs, spitting of blood, pains in the side and breast, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.

Sold in large bottles at $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled efficacy of this celebrated English Remedy, may be obtained of the Agents, gratuitously.

The subscribers, having accepted the Agency of the above House, are now prepared to make arrangements on the most liberal terms with those desirous of paying the passage of their friends from the Old Country; and they flatter themselves their character and long standing in business will give ample assurance that all their arrangements will be carried out faithfully.

Messrs. W. & J. T. Tapscott are long and favorably known for the superior class accommodation and selling qualities of their Packet Ships, "The QUEEN OF THE WEST," SHERIDAN, GARRICK, RIGHTINGER, ROSCIUS, LIVERPOOL, and SIDDONS, two of which leave each port monthly, from New York the 21st and 20th, and from Liverpool the 6th and 21th; in addition to which they have arrangements with the St. George and United Lines of Liverpool Packets, to insure a departure from Liverpool every five days, being thus determined that their facilities shall keep pace with their increasing patronage; while Mr. W. Tapscott's constant personal superintendence of the business in Liverpool is an additional security that the comfort and accommodation of the passengers will be particularly attended to.

The subscribers being, as usual, extensively engaged in the Transportation Business between Pittsburgh and the Atlantic Cities, are thereby enabled to take charge of and forward passengers immediately on their landing, without a chance of disappointment or delay; and are therefore prepared to contract for passage from any sea port in Great Britain or Ireland to this city, the nature of the business they are engaged in giving them facilities for carrying passengers so far inland not otherwise at hand; and will, if necessary, forward passengers further West by the best mode of conveyance, without any additional charges for their trouble. We do not allow our passengers to be robbed by the swindlers so rife that infest the sea-ports, as we take charge of them the moment they report themselves, and see to their well-being, and do not leave them until we see them safely on board ship. We say this fearlessly, as we defy any of our passengers to state that they were detained forty-eight hours by us in Liverpool, while thousands of others are detained months until they could be sent in some *old trafic*, at a cheap rate, which, too frequently proved their ruin.

Connell's Magical Pain Extractor.

THIS now conceded by medical men that Connell's Magical Pain Extractor, manufactured by Comstock & Co., of New York, is the greatest discovery of the 19th century. Its effects are truly miraculous. Severe pains are removed from burns, scalds, &c., and all external sores, in a few minutes. Cures in a few hours, bending the same on the most delicate skin, leaving no sign, and not causing the least pain, or the slightest inflammatory disease, such as sore Nipples and Eyes, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Scalds, Felons, Boils, Tic Douloureux, &c. We might add as proof to all we say, the names of many eminent physicians who use it in their practice, and hundreds of the elite every where praise it, but we prefer to present *facts* in stubborn *fact*. In one instance a lady in this city, who had been afflicted with a cancer on her breast, and had tried every other remedy, was cured by the use of Connell's Magical Pain Extractor, and is now in good health. In another instance, a child of Mr. Tapscott's, of this city, was cured of a severe scald on the face, by the use of Connell's Magical Pain Extractor, in a few days, being thus determined that their facilities shall keep pace with their increasing patronage; while Mr. W. Tapscott's constant personal superintendence of the business in Liverpool is an additional security that the comfort and accommodation of the passengers will be particularly attended to.

The subscribers being, as usual, extensively engaged in the Transportation Business between Pittsburgh and the Atlantic Cities, are thereby enabled to take charge of and forward passengers immediately on their landing, without a chance of disappointment or delay; and are therefore prepared to contract for passage from any sea port in Great Britain or Ireland to this city, the nature of the business they are engaged in giving them facilities for carrying passengers so far inland not otherwise at hand; and will, if necessary, forward passengers further West by the best mode of conveyance, without any additional charges for their trouble. Where persons sent for decline coming out, the amount paid for passage will be refunded in full.

REMITTANCES.

The subscribers are also prepared to give drafts at sight for any amount, payable at the principal cities and towns in England, Ireland, Scotland and Wales; thus affording a safe and expeditious mode of remitting funds to those countries, which persons requiring such facilities will find it to their interest to avail themselves of.

Application (if by letter, post-paid) will be promptly attended to. TAAFFE & O'CONNOR,

DR. HOFFLAND'S CELEBRATED GERMAN MEDICINES.

Are without a Rival for the Cure of the following Diseases:

VEGETABLE RHEUMATIC PILLS,

For the permanent cure of Rheumatism, Gout, Lumbagreue, Hysteria, and severe nervous affections, and so highly recommended for the cure of Dropsy, Hemoral Asthma, and Apoplexy. Patients using them, in most cases experience benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as palliatives for a short period, but there is always danger in their use. They may cause the pain to leave one place for perhaps a vital part, or else where the pain will be more acute.

GERMAN BITTERS,

For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, (arising from the liver or stomach,) Diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as female weakness, dizziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and action and assist digestion. They can be taken by the most delicate stomach, and in every case will entirely destroy costiveness and removate the whole system, removing all impurities and remnants of previous diseases; and giving a healthy action to the whole frame.

The symptoms of Liver Complaint are uneasiness and pain in the right side, and soreness upon touch immediately under the inferior ribs; inability to lie on the left side, or if so all able, a dragging sensation produced, which seriously affects respiration, causing very often a troublesome cough; together with these symptoms we perceive a coated tongue, acidity of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a great disposition to sleep and depression of spirits, and sometimes sores in the mouth or throat causing mucus to rise in the mouth. Jaundice frequently accompanies, and a dropsy in the back. These symptoms, if permitted to continue, will eventually produce that most baneful disease, Consumption. In fact, a majority of such cases originate from the irritating causes above mentioned. Authentic testimonials must, in every instance, be accorded in the treatment for it.

The symptoms of Dyspepsia are very various—those arising from the stomach alone, are Costiveness, Want of appetite, sometimes an excess of appetite, sense of fullness or weight in the stomach, sinking or fluttering of the pit of the stomach, acid eructations, or *sour rising* from the stomach, &c. Dyspepsia, devoid of a functional nature, is without danger, but, if arising from a disease of the stomach, it is dangerous.

Sour Stomach generally accompanies Dyspepsia or Liver Complaint; it will also cure. A few doses will remove all the unpleasant effects, such as fluttering at the pit of the stomach, a painful sensation when in a lying position, dots or webs before the sight, fever and dull pain in the head, cutaneous imaginings of evil, and great depression of spirits, &c. Palpitation of the heart, accompanied with strong pulse, pale and distressed countenance, &c.

Any case of the above diseases can be cured effectually by the use of the Bitters as directed.

SUDORIFIC.

An infallible remedy for Coughs or Colds, or the Chest, Spitting of Blood, Influenza, Whooping Cough, Bronchitis, Hemoral Asthma, or any disease of the Lungs or Throat.

This is an invaluable family medicine. It soon relieves any Cough or Hoarseness, and prevents Croup by being early administered. No cough or cold is too light to be neglected; for neglected colds sink thousands to the grave annually, and cause many to pine away with a delicate frame, who would have been strong and robust, if at first properly attended.

SPIKENARD OINTMENT.

For the effectual cure of the Piles, Tetter, and Rheum, Scald Head, Ring-worms, Inflamed Eyes, Scald Head, Barber's Itch, Frosted Feet, Old Sores arising from fever or impure blood; and will extinct the fire from burns, on application, and prevent any cutaneous eruptions from the skin. Persons troubled with tender feces should use it after shaving; it will keep free from pimples, and soften and stop the bleeding. This ointment is always to be relied on, and is invaluable in any family.

TAR OINTMENT.

For the cure of pains or weakness in the liver, back or chest; it will entirely remove any deep seated pains. These ointments are recommended to enjoy the invaluable blessings of invigorated health, and in a variety of desperate and abandoned cases, a perfect and radical cure.

The innumerable impositions upon the public, and the unanswerable and irremediable injury sustained by ignorant and by designing persons, by persons wholly unacquainted with what they have endorsed, renders it difficult to do justice to the public in offering such testimonials as
