LIVER COMPLAINT, JAUNDICE, DYSPEPSIA, NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, ASTHMA, and all affections arising from derangement of disease in the Biliary, Digestive, Vascular, Respiratory, and Nervous Systems, such as constipation, inward piles, heartburn, loss of appetite, coat of tongue, acidity of the stomach, swimming of the head, fullness, or weight in the stomach, dimness of vision, palpitation of the heart,

Choking or suffocating sensations, depression of spirits, sudden flushes of heat, pain in the side or back, weakness of the limbs, cold feet, constant imaginings of evil, fever and dull pain in the head, pain out, difficulty of breathing when lying upon the side, frightful dreams, sour eructations, yellow ness of the skin and eyes, deficiency of perspiration, &c. &c.: can be effectually cured by DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures in this city attest, in many cases after skillful physicians had failed.

Derangement in the liver and stomach are sources of insanity—from disorder or obstruction a morbid action of the sympathetic and other nerves follows; and the functions of the brain are impaired and deranged; as nerves are the connecting medium between mind and matter, it follows from the reciprocal action that both must be more or less implicated and deranged simultaneously; derangement there will also produce diseases of the SKIN, LUNGS, UTERUS and KIDNEYS, as well as the brain. The thousands who die with "YELLOW FEVER, CHOLERA or INFLUENZA, is owing to the same cause; and the majority of cases of the most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system; if it is out of tune you depend for the success and all the advantages to be derived from the administration of internal medicines. Its functions are of the utmost importance to every one in constituting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system.

The rare success in treating disease of the liver and stomach successfully has not been a want of pathological knowledge of their functions, but the preparation of a compound that would act upon the disease and all the sympathetic afflictions. That point has been gained in these Bitters, and they are ENTIRELY VEGETABLE, and will in every case permanently destroy costiveness, and give strength and vigor to the frame, at no time debilitating the patient, and they are grateful to the most delicate stomach under any circumstances.

WHO WILL USE THEM AS DIRECTED,

(IF WITHIN THE POWER OF MEDICINE,)

The few months this preparation has been before the public, has, from its infallible efficacy, elicited the eulogy of the press through the land, their object being for the benefit of suffering humanity; its success has surpassed all precedents; and it is free from all alcoholic stimulant, syrup, mercury, aloes, quinine, acids, and all injurious ingredients, and especially adapted to the diseases of the variable climate of the United States, and the West India Islands.

WEEK AND DELICATE CHILDREN, are made strong by using it—in fact it is a family medicine, and can be administered with safety to a child one year old, the delicate female, or a man of misery.

The Philadelphia Democrat says:—"This medicine has an extraordinary virtue and efficacy, and is in great demand. We can speak from experience, that it has produced many wonderful cures."

The Daily Sun says:—"We believe it is one of the best medicines of the age—a friend having used it in his own family with great satisfaction in the Jaundice and Liver Complaint."

The Spirit of the Times and Keystone says:—"Do our good citizens, who are invalids, know the many astonishing cures that have been performed by Dr. Hoofland's celebrated German Bitters? If they do not, we recommend them to the German Medicine Store, 278 Race street; all who are afflicted with Liver Complaint, Jaundice, Dyspepsia, or Nervous Debility; the Doctor has cured many of our citizens, after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon our humble effort, they are entirely vegetable."

The Evening Bulletin says:—The Celebrated German Bitters are an invaluable remedy for Jaundice, Dyspepsia, and nervous complaints."

Neal's Gazette says:—"It is not often we notice the various excellent medicines advertised in our columns, because we are unwilling to speak except from personal experience, and a good constitution fortunately makes us generally strangers to such articles. A word, however, of Dr. Hoofland's German Bitters. This we know to be an excellent article fulfilling in every respect what is claimed for it by the advertiser."

The Daily News says:

"A MEMORIAL.—We speak knowingly of Dr. Hoofland's celebrated German Bitters when we say it is a blessing of this age, and in diseases of the biliary, digestive and nervous systems; if has not, we think, an equal—it is a VEGETABLE PREPARATION AND MANY WITNESS ACCOUNT, and to all invalids we would recommend it as worthy their confidence."

What stronger testimony can a medicine have? At the Depot can be seen the evidences of many of our most respectable citizens of Cures in all the foregoing diseases.

Principal Depot, German Medicine Store, 278 RACE Street; and for sale in Lancaster by John F. Logan; Harrisburg, by D. W. Gross; and respectable dealers generally throughout the country.
