Clothing! Clothing!! Clothing!!!

The Three Big Doors on the Western Bevel!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this fast-famed and extensive establishment has now, after returning from the Eastern cities, in much trouble and expense, just completed his fall and winter arrangements to supply his numerous old customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold or, must certainly render the old and ever popular Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case, the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame by the making all cures they profess. It has now become the only medicine for family use, and is particularly recommended for Dropsy: all stages of this complaint immediately relieved, no matter of how long standing. (See pamphlets for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands unrivalled, and it can relieve you; and the cures testified to will convince the incredulous. (See pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague. For these it is especially, and wherever these complaints prevail, this medicine is offered. No mineral ingredient, the medicinal compound is a part of this mixture; it cures these diseases with sure and celerity, and does not leave the system tainted. (See pamphlet.) Piles, a complaint of a painful character, is immediately relieved, and a cure follows in a few days use of the medicine, without any other preparation for this article. It is far beyond any other remedy for the cure of Piles, or any other disease originating from impure blood. (See pamphlet.) Debility, Nervous Weakness, Weak Back, Weakness of the Kidneys, &c., or inflamation of the same, is speedily relieved by a few days use of this medicine, and a cure is always the result. It stands as a certain remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruations. No medicine will be recommended, except this, which would touch this kind of derangement, and this is offered in confidence, as the safest and effective remedy; and, did we feel permitted to do so, would give a hundred certificates as proof of cures in this distressing class of complaints—but, pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find in the vegetable ingredients of this article to act immediately, and the poisonous mineral will be expelled from the system.

Eruptive Diseases will find the alterative properties of this article a PURIFYING PLASM, and drive such diseases from the system. Numerous certificates of cures in all these diseases, which the limits of an advertisement will not permit to be inserted here: Agents give them away; they contain 22 pages of testimony, and are worth gold, for the stronger array of proof of the virtues of a medicine, we do not know of. Some of the peculiar features of this article, that it never fails to benefit and cure, if the vital spark and muscle are left to build upon, let the emaciated and long suffering invalid, who has been keeping the medicine from the public against a number of articles which have come out against it, and who, in fact, have kept back the medicine from the public, and who, in fact, have made it necessary to come out against it, and who, in fact, have made it necessary, forward and publish this article and done it. *A particular study of the Lungs is recommended.* Agents, and all who sell the medicine, are glad to circulate pamphlets. Price 25 cents per bottle, at $12; 12 oz. do. at $1 each—the larger holding 32 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has a white label, with the Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail.

No attention given to letters unless post-paid—*order from regularly authorized Agents or none accepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Office devoted exclusively to the sale of this article. 132 Nassau st., N. Y.; 225 Essex st., Salem, Mass.; and by the principal Druggists throughout the United States and Canada, as Agents.

HARNDEN & CO. continue to bring out persons from any part of England, Scotland or Wales, upon the most liberal terms, with their usual punctuality, despatch and attention to comforts. We say this fearlessly, as we defy any of our passengers to say we have not fulfilled all the stipulations of our bills, or to complain of any inattention or incivility. Persons intending to come out, will find it to their interest to call at our office, and examine our bills, and compare our terms with those of other offices, who either performed not at all, or when it suits their convenience.
