### To Volunteers for Mexico!

CARLISLE, July 19, 1847.

I am this day informed that the President of the United States has accepted the services of the VOLUNTEER COMPANY enrolled here. I would therefore inform the members of said company and others, that the Act of June 18th, allows to each Non-commissioned officer, Musician and Private, of Volunteers, 50 cents, in lieu of subsistence for every twenty miles by the most direct route, from their homes to the place of general rendezvous: and $3,50 per month for clothing during the time he shall be in the service of the United States. The Volunteers must however furnish his own clothing, and cannot receive it in kind.

To enable the Volunteers called into service to provide themselves with good and sufficient clothing, the Secretary of War, has authorized the commutation allowance for six months, (twenty one dollars) to be paid in advance, to each non-commissioned officer, musician and private, after being mustered into service; but only with the express condition that the volunteer has already furnished himself with six months clothing, which fact is to be certified to the Paymaster by the Captain of the company, or that the amount thus advanced shall be applied under the super vision of his Captain to the object contemplated by law. In this latter case, the advance commutation for cloth ing will be paid on the Captain's certificate that he is satisfied it will be so applied.

EDWARD WATTS, Captain.

### Notice to Turnpikers.

THE Commissioners of Cumberland county having been required by an act of Assembly, passed the fifteenth day of March, A. D. 1847, to repair the road adjoining the bridge near Newville, will receive proposals up to FRIDAY, the 30 inst. at 12 o'clock M. for the making of a good turnpike road from the bridge to near McLaughlin's small house—distance from forty to fifty rods in length and twenty feet wide—depth of stone, fifteen inches in the centre and eight inches at the sides, rounded on the surface. The contractor must state a definite price per rod, running the length and taking in the full breadth of the road. The contractor to furnish all the materials, and the stone to be well broken and gravelled on the surface of the road.

The proposals will be received at the public house of Daniel S. Duhlap, Newville, on the above date,

### Notice to Taxpayers.

THE Commissioners of Cumberland county feel much gratified in being able to announce to the citizens of the county, that by their prompt payment of the State and County Tax, they have enabled the County Treasurer to pay over to the Treasurer of the Commonwealth the State Tax assessed upon this County, so as to receive an abatement of five per cent upon the amount thus paid, agreeably to the act of Assembly. But while they would congratulate the citizens of Cumberland county that a majority have evinced a laudable spirit in thus promptly affording to the State Treasurer the means to meet the engagement of the Commonwealth and to pay the interest upon the State Debt at maturity, they would remind the few, who are yet in arrears in the payment of their taxes, that there is a debt due by the county and bearing interest, which renders it very desirable that those yet in arrears should make payment to the County Collectors as soon as practicable.

The commendable promptness with which the majority have paid their State and County Tax, has enabled the Treasurer to pay over the State tax without the necessity of the Commissioners obtaining a loan for that purpose, which has hitherto been required—and the prompt payment of the balance of the State and County Tax yet due, will place in the hands of the Commissioners the means to pay the annual interest of the County debt and also about twelve thousand dollars of the principal.

### To the Citizens of Cumberland Co.

*"There is something more precious than Gold or Diamonds*—HEALTH."

THERE are some diseases that visit us at stated seasons of the year, and which not unfrequently become alarmingly fatal, during the summer and autumn months, especially the young; there being not less than seventy thousand dying annually with derangements of the stomach and bowels alone. Does not every feeling of our nature become enlisted in the human desire to lessen this frightful mortality, are we not bound by every principle of religion to administer relief when in our power; and we discharge our duty when we point out the greatest remedy ever yet discovered, for this purpose, to the public. If there be one, or if they have a friend, or a child, or a neighbor, who may chance to read this notice, that is suffering with Diarrhœa, Dysentery, Cholera Morbus, Summer Complaints, Colic, Flatulency, &c., &c., let them try Dr. Keeler's Cordial and Carminative, and we guarantee a speedy cure.

Lancaster Co., Neffville, Dec. 11, 1846.

Dr. Keeler—Sometime last summer our aged left me some of your Infant cordial and Carminative, urging me to try it. It so happened that I had a case, a young child about six months old, whose stomach and bowels were in a very disordered condition, caused by a deficiency of its mother's milk. The child was a mere skeleton, there was much tormina, tenesmus and constant evacuations. I administered every medicine I could think of, with but a slight alleviation of the complaint. I then thought of giving your medicine a trial commencing with small doses. I soon however perceived the child could bear a full dose as recommended in directions; before it had taken half a bottle, the stomach and bowels had recovered their natural tone, every other bad symptom yielded, and the child rapidly recovered.

I have no hesitation in saying that your medicine is the very best for the above complaints I have administered in a 21 years' practice.

Very respectfully, your friend,
H. B. BOWMAN, M. D.

### The Great English Remedy.
### *Dr. Barber's Liniament*
### FOR HORSES.

This most valuable Embrocation has been used with wonderful success in the cure of some of the most troublesome diseases with which the horse is affected, (without destroying the hair) such as old strains, swellings, stiffness of joints, galls produced by the collar and saddle, strains of the shoulders, stifle, hoof, pastern and coffin joints, strains of the whirlbone, knee, and fetlock, poll evil, fistules, curbs, splints, spavin, windgalls, puffs, &c.

It very soon cures old or fresh wounds, cuts, bruises, fistules, poll evil, curbs, etc., and gives instant relief in the scratches, grease, etc., and the diseases incident to horses having white feet and noses produced by St John's Wort, which so often destroys the hoofs and bones of the feet, and resists the action of sulphur and vitriol, ointments, and other remedies equally powerful.

No application has heretofore proved so useful in relaying stiffness of the tendons and joints, and producing such immediate and beneficial effects in cracked heels, brought on by high feeding, splints and sprains.

This Embrocation is highly recommended to farriers, keepers of livery stables, wagoners, stage proprietors, and private gentlemen owning horses, as an invaluable remedy, and should be constantly kept in their stables.

Also, farmers, whose horses are so liable to kicks, cuts and wounds, will find it equally advantageous to keep it constantly on hand. It is equally beneficial in the treatment of working cattle, for galls, sore necks, cuts, wounds, etc.

## Notices.

### SEWELL,

DAGUERREAN ARTIST, late of Plumbe's celebrated National Gallery, would inform the citizens of Carlisle and vicinity, that he has taken rooms over Miss Moore's confectionary store, where he will be happy to wait on them and continue to take the most perfect Daguerreotype Likenesses. As his stay is limited for a short period only, those wishing likenesses are requested to give him an early call.

Mr. — has spared no expense in procuring the very best apparatus, chemicals, &c. that can be furnished. Many persons are prejudiced against Daguerreotype Miniatures, because, they say, they will fade. The idea is absurd—those taken at this establishment are warranted to remain permanent, and are both as regards perfection of likeness and the faithful coloring from nature, alike the wonder and admiration of all.

Secure the SHADOW ere the subs ance fade,
Let Nature copy that which Nature made.

Ladies and gentlemen are respectfully invited to call and examine his pictures, whether they contemplate sitting for a likeness or not, when they will be able to judge for themselves.

Likenesses of deceased persons taken at request.

### Dr. Keeler's Vegetable Panacea

For the removal and permanent cure of all diseases, arising from an impure state of the Blood and Bad Habit of the body, viz. Chronic affections of the chest, Chronic Pleurisy, Bronchitis, Catarrh, etc., Scrofula in all its stages, Tetter, Scald-head, Cutaneous affections of the head and extremities, Chronic Hepatic diseases, Chronic Rheumatism, Chronic Chilblains, Ulcers of the legs and joints, White Swellings, Scrofulous affections, Mercurial and hereditary dispositions and constitutional disease.

Among all of the various Medicines and Compositions that science has discovered and prepared for the alleviation of human suffering from diseases that arise from an impure state of the Blood and organs of nutrition, most stands the PANACEA. Where other remedies have failed to destroy the principle of disease, it was worked like a charm into the deep fibres of the system, and undermining the foundation of this remedy, pervading every tissue of the part of the body has by its powerful influence uprooted every vestige of disease from the system. As the genial rays of the sun infuses new Life in the vegetable kingdom, the Paradise invigorate the dead and sleeping and a new life from the spring up from the parched earth at the first showers. So does health follow the steps of this natures great remedy.

Prepared and sold Cor. 3d and South streets, Philadelphia. Sold wholesale and retail by SAMUEL ELLIOT, Carlisle; Dr. McPherson, Harrisburg, and by Druggists and Merchants throughout the County.
