Daily Review of the Markets.

OFFICE OF THE POST, WEDNESDAY MORNING, *August 16th*, 1848.

Yesterday was too hot for any out-door purpose. There appeared to be some stir on the wharf, but upon the whole the transactions of the day were limited. The resolution of the Factory proprietors to shut up for the present, and perhaps forever, seemed to create a little gloom, (particularly among Allegheny city property holders,) but in a few days, or weeks, when the question comes to be rightly understood, and the value of the Factories is fairly estimated, things will look as bright as heretofore.

FLOUR. There was another advance yesterday. The market is almost bare, and prices still tend upward. The rivers are now so low as to preclude the possibility of large receipts from below, so that for awhile our people must depend upon wagon Flour. We will just mention to farmers in the neighborhood, who intend selling their present crop, that now is the time to bring it in. Sale of 105 bbls. on wharf at $4,25; 45 bbls. at $4,20; 50 bbls. on Allegheny wharf at $4,20. From store $4,37@4,50.

BACON. There has been for two weeks a very limited demand for Bacon. There has been no change in prices.

OATS. Sales on wharf at 25c.; very little demand.

MOLASSES. Sales at 28c.

SUGAR. Sales at 4½@5½c. according to quality.

LINSEED OIL. Sale of 4 bbls. at 54c.

LARD OIL. Regular sales at 52c.

LARD. We still quote at 6@6½c. in kegs and bbls; but little doing; some demand with poor supply.

CHEESE. Regular sales at 6½c. for best article; common still sold at 5@5½c.

FLOUR INSPECTION.—There is urgent necessity for some regulation in the Flour business of the city, that will protect purchasers against the enormous frauds of some millers. Flour is taken here at the brand—196 pounds, when there may be, and often is, but 190 pounds. The loss falls upon the consumer here when the Flour is sold at retail; and when it is shipped east the purchasers there have recourse upon the shippers, who are not only compelled to pay for the amount of the fraud but the cost of repacking in addition. This is an evil which has long been experienced and borne by Pittsburgh merchants. The surest remedy will be an application to Legislature for an equitable inspection law for this city—one which cannot be evaded.

But in the absence of this regulation, we desire to suggest to millers the propriety of being a little more careful in packing their Flour. They are responsible for the loss in the ton, and dealers here are resolved to be more stringent in future. To mark a barrel 18 pounds which weighs 25, is downright swindling, and those who practice the game could and should be punished. Dishonest millers are alone benefitted by this; while the dealers, consumers and honest producers are injured.

Western papers should notice this matter.

FOR SALE—A brick dwelling house and lot, in a pleasant location, situated on Knoll street, Allegheny. The house is well arranged, having a good cellar, a kitchen and dining room, hall and two parlors, three bed rooms and finished garret. Lot is 20 feet, by 120 deep, to a back street. Price, $1,200. Terms, $300 in hand, balance in four equal yearly payments.
S. CUTHBERT, General Agent,
aug5 Smithfield street.

TAKE NOTICE.—A trunk was left at our store several months since, for safe keeping, for a few minutes, by a gentleman who was a stranger to us. He has never yet called for the trunk, and it is presumed that he must have forgotten the place. We still have it in safe keeping for the owner, who can reclaim it any time, by paying charges.
BRANNIGAN & MURPHY,
aug2 Wylie street, near the Court House.

From Rev. Asa Shinn, of the Protestant Methodist Church.
THE undersigned, having been afflicted during the past winter, with a disease in the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and having tried various remedies with little effect, was furnished with a bottle of *Dr. D. Jaynes' Carminative Balsam*. This he used according to the directions, and found, invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes, every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening, and sometimes in the morning; and in a few weeks health was so far restored that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently *recommend* Dr. D. Jaynes' Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels.

THE GREAT REMEDY OF NATURE.
AMERICAN OIL, procured from a well in Kentucky, 135 feet below the surface of the earth, a certain and infallible cure for Sprains, Strains, Cuts, Bruises, Scalds, Burns, Tetter, Erysipelas, Scald Head, Croup, Inflammatory Sore Throat, Sore and Inflamed Eyes, Flatulence, Ulcers, Fever Sores, and
INFLAMMATORY RHEUMATISM,
which yields to its effects in a surprising manner.
It has never yet failed when used according to directions. Read the following:
MANCHESTER, Allegheny co., Pa., November 18, 1846.
This is to certify, that my wife, Margaret Ghriest was cured of a Rheumatic Complaint of seven years standing, by which she was so lame as to be obliged to use crutches. In one week she was cured by using the American Oil, and could walk about as usual without her crutches.
JONATHAN GHRIEST.
The following is communicated by Mr. Wm. Nash, Mr. Jackson's agent for Steubenville, O.
A gentleman near Steubenville, who had not been able to put either of his feet to the ground for twelve years, in consequence of lameness, by the use of one bottle was enabled to walk two miles to a township election. It is likewise a sovereign remedy for
CONTRACTION OF THE MUSCLES AND TENDONS.
The following is communicated by Mr. Wm. Nash, W. Jackson's agent for Steubenville:
A lady residing in Steubenville, the finger of whose hand was so contracted as to deprive her of the use of it for thirty-five years, was entirely cured by the use of one bottle of the Oil, so that she now has the perfect use of her hand fully equal to the other which had never been affected. It has also been found to be a safe and invincible agent in the speedy and certain cure of
DEAFNESS,
in all cases not organically incurable.
A lady residing in Allegheny city was effectually cured of obstinate deafness, of years' continuance, by the use of less than one bottle of the Oil, so that she said, she heard better than she had ever done before.
A gentleman well known in Pittsburgh, was cured of deafness of nine years' standing, by the use of a small quantity of the Oil. The names and residences of the lady and gentleman will be given to those who desire it, at the office of the advertiser.
Its properties are highly developed in the certain and surprisingly speedy cure of all cases of
CHOLIC, CRAMP, AND SPASMS.
Several cases of Cramp Cholic have been effectually cured by one dose of the Oil, in the short space of half an hour, when the parties have been agonized with pain. Its curative properties have been remarkably manifested in the radical cure of
DISEASES OF THE SPINE.
A lady, the wife of a planter in Kentucky, was cured effectually of one of the worst cases of diseased Spine, which had confined her to her bed for a considerable time, in which she could not turn herself. It is also a sure remedy and perfect cure for pains in the small of the back, and
INFLAMMATION OF THE KIDNEYS.
Read the following:
PITTSBURGH, Dec. 18, 1846.
This is to certify that I was afflicted with great pain in the small of my back and kidneys, which affected me so much that I could not stand upright. By rubbing externally, and using half a teaspoonful internally, night and morning, I was entirely cured. JOHN BIDDLE,
near Warren, Armstrong co., Pa.
A gentleman of Pittsburgh, afflicted with a violent inflammation of the kidneys—the pain of which caused him to faint—was completely cured, in three days, by the use of the American Oil.
The qualities of this
NATURE'S OWN REMEDY
is extremely penetrating and anti-inflammatory, consequently is confidently recommended as a sovereign remedy wherever inflammation exists, either external or internal. Used immediately after a cut, bruise or wound, it will cure and prevent
GANGRENE AND MORTIFICATION.
It has, in addition, been found a salutary, pleasing and effective remedy for those very unpleasant and inconvenient diseases,
GRAVEL AND URINARY COMPLAINTS.
☞ Price, 50 cents per bottle.

Caution—Be on Your Guard.
The surprising excellence and growing popularity of the American Oil, has induced some dishonest persons to palm upon the public, miserable imitations of this truly valuable medicine, for the purpose of deceiving the unwary, and defrauding the Proprietor.
In order to be sure of obtaining the genuine, *observe* the following FOUR THINGS:
1st. See that the name "Wm. Jackson, 69 Liberty st., head of Wood st.," is printed on the label of the wrapper of each bottle, to imitate which is felony.
2d. That each bottle is inclosed in a pamphlet containing full directions for use; and also containing the name and address of Wm. Jackson, General Agent for the proprietors; likewise, the name and address of the proprietors, D. Hail & Co., Kentucky.
3d. Purchase ONLY of the advertised Agents, all of whom have a show bill, on which is printed the names of the Proprietors and General Agents—thus: D. Hail & Co., Proprietors, Kentucky. Wm. Jackson, Pittsburgh, Pa., General Agent for Western Pennsylvania, and part of Ohio and Western Virginia; and the printers' names—M'Millin & Shryock, Pittsburgh—printed at the bottom of said show bill.
4th. Observe—the genuine American Oil is of a dark green color, without any sediment, and its specific gravity lighter than water. The counterfeits are mostly of a black color;—some Seneca Oil—others a mixture of other common oils; and one a black filthy looking mixture, purporting to come from the "Pittsburgh and Allegheny Dispensary Co." None of these counterfeits possess either the virtue or the power of the *true AMERICAN OIL.*
☞ Sold wholesale and retail by WM. JACKSON, General and Sole Agent for the Proprietor in Western Pennsylvania, Western Virginia, and Northern Ohio; and by the following duly appointed Agents in Allegheny county, Pa.:

LIVER COMPLAINT, JAUNDICE, DYSPEPSIA, NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, ASTHMA, and all affections arising from derangement or disease in the Biliary, Digestive, Vascular, Respiratory, and Nervous Systems, such as constipation, inward piles, heartburn, loss of appetite, coated tongue, acidity of the stomach, swimming of the head, fullness or weight in the stomach, dimness of vision, palpitation of the heart.
Choking or suffocating sensation, depression of spirits, sudden flushes of heat, pain in the side or back, weakness of the limbs, cold feet, constant imaginings of evil, fever and dull pain in the head, pain and difficulty of breathing when lying upon the side, frightful dreams, sour eructations, yellowness of the skin and eyes, deficiency of perspiration, &c. &c. can be effectually cured
by DOCTOR HOOFLAND'S
CELEBRATED GERMAN BITTERS.
Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures in this city attest, in many cases after skilful physicians had failed.
Derangement in the liver and stomach are sources of insanity—from disorder or obstruction a morbid action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; as nerves are the connecting medium between mind and matter, it follows from the reciprocal action that both must be more or less implicated and deranged simultaneously; derangement there will also produce disease of the SKIN, LUNGS, UTERUS and KIDNEYS, as well as the brain. The thousands who die with YELLOW FEVER, CHOLERA or INFLUENZA, is owing to the same cause; and the majority of cases of that most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system of matter, as upon it you depend for the success and all the advantages to be derived from the administration of internal medicines. Its functions are of the utmost importance to every one in constituting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies, none such remarkable power in modifying every part of the system.
The rare success in treating disease of the liver and stomach successfully has not been a want of pathological knowledge of their functions, but the preparation of a compound that would act upon the disease and all the sympathetic afflictions. That point has been gained in these Bitters, and they are ENTIRELY VEGETABLE, and will in every case permanently destroy costiveness, and give strength and vigor to the frame, at no time debilitating the patient, and they are grateful to the most delicate stomach under any circumstances.
ALL CAN BE CURED,
WHO WILL USE THEM AS DIRECTED,
(IF WITHIN THE POWER OF MEDICINE.)
The few months this preparation has been before the public, has, from its infallible efficacy, elicited the eulogy of the press through the land, their object being for the benefit of suffering humanity; its success has surpassed all precedents, and it is free from all alcoholic stimulant, syrup, mercury, aloes, quinine, acids, and all injurious ingredients, and especially adapted to the diseases of the variable climate of the United States, and the West India Islands.
WEEK AND DELICATE CHILDREN,
are made strong by using it—in fact it is a family medicine, and can be administered with safety to a child one year old, the delicate female, or a man of ninety.
The Philadelphia Democrat says:—"This medicine has an extraordinary virtue and efficacy, and is in great demand. We can speak from experience, that it has produced many wonderful cures."
The Daily Sun says:—"We believe it is one of the best medicines of the age—a friend having used it in his own family with great satisfaction in the Jaundice and Liver Complaint."
The Spirit of the Times and Keystone says:—"Do our good citizens, who are invalids, know the many astonishing cures that have been performed by Dr. Hoofland's celebrated German Bitters? If they do not, we recommend them to the German Medicine Store, 278 Race street; all who are afflicted with Liver Complaint, Jaundice, Dyspepsia or Nervous Debility; the Doctor has cured many of our citizens, after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives them greater claim upon our humble effort, they are entirely vegetable."
The Evening Bulletin says:—The Celebrated German Bitters are an invaluable remedy for Jaundice, Dyspepsia, and nervous complaints."
Neal's Gazette says:—"It is not often we notice the various excellent medicines advertised in our columns, because we are unwilling to speak except from personal experience, and a good constitution fortunately makes us generally strangers to such articles. A word, however, of Dr. Hoofland's German Bitters. This WE KNOW to be an excellent article, fulfilling in every respect what is claimed for it by the advertiser."
The Daily News says:
"A MEDICINE.—We speak knowingly of Dr. Hoofland's celebrated German Bitters when we say it is a blessing of this age, and in diseases of the biliary, digestive and nervous systems, it has not, we think, an EQUAL—IT IS A VEGETABLE PREPARATION AND MADE WITHOUT ALCOHOL, and to all invalids we would recommend it as worthy their confidence."
What stronger testimony can a medicine have? At the Depot can be seen the evidences of many of our most respectable citizens of Cures in all the foregoing diseases.
Principal Depot, German Medicine Store, 278 RACE Street, and for sale in Lancaster by John F. Logan; Harrisburg, by D. W. Gross; and respectable dealers generally throughout the country.
