☞ GIDDINESS AND DEADNESS.—Wright's Indian Vegetable Pills are one of the best medicines in the world for the cure of giddiness, because they purge from the body those stagnant and corrupt humors which, when floating in the general mass of the circulation, are the cause of a determination or rush of blood to the head, giddiness, headache, loss of memory, dimness of sight, drowsiness, pain of the head, and many other symptoms of a loaded and corrupt state of the blood.

Wright's Indian Vegetable Pills are also one of the very best medicines for the cure of indigestion, and therefore will most assuredly restore the body to a sound state of health.

Beware of Counterfeits and Imitations.—Remember that the Original and Only Genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.

Remember, also, that H. Smyser, Druggist, corner of Market and Third street, is not an agent for this medicine, and we cannot guarantee as genuine that offered by him for sale.

The genuine is for sale at Dr Wright's Principal Office, 169 Race street, Philadelphia; and by JOHN THOMPSON, 150 Liberty street, Pittsburgh, Pa., who is sole agent for this city, by whom dealers can be supplied at the wholesale rate. mar22

☞ Consumption is a disease which is carrying its victims to the tombs by thousands, without being arrested in its progress by the medicines in common use at the present time. But a brighter day is coming, and has come—as it successfully arrest this disease. Dr. Rogers' Liverwort and Tar not only gives immediate relief in Coughs and Colds, but from the testimony of men of the highest standing here and elsewhere, it is making some very remarkable cures of Consumption. Improvements in the treatment of diseases are onward, and nothing can arrest its spirit in the present age. Those who are afflicted with diseased Lungs, would do well to call on the agent, and see the certificates of Dr. Wm. J. Rickards, Judge Wm. Burke, the wife of the Rev. George W. Maley, and of Dr. Hiram Cox, late Professor in the Eclectic Medical College of Cincinnati.

This medicine not only cures Consumption, but breaks up the most distressing Cough in a few hours time, or the money will be cheerfully refunded.

NEW YORK MARKET.

MONDAY, March 19.

BUSINESS generally is improving, and dealers are purchasing goods quite freely for the spring trade.

RICE.—The sales for the week are about 1000 tierces at 3¾,3¾, the latter price for very handsome—a portion of which was purchased on speculation.

TEAS—The auction sales went off at an improvement on greens over the first spring sale of last spring, about five per cent; on blacks the previous high prices were sustained; the companies of both parties acted with spirit, and every lot on the first catalogue was sold, and but very little in the last withdrawn.—By private sales the transactions have been considerable.

FRUIT.—Sales of 4000 boxes bunch raisins, part to go out of the country, at $1,50; some half do 75c; qr do 42½; 700 boxes layers 1,80, 2 crowns; 100 frails Ivica soft shelled almonds, 12c; 1500 drums figs 5c 4 mos; 800 bags Texas pecan nuts, 4½@4½—the arrivals on Saturday, and they depressed the market and 40 bris sold at 4½; 600 boxes Palermo lemons, 225; and 300 bushels Wilmington pea nuts 1,06½, cash.

WOOL.—The sales are 20,000 lbs pulled No. 1 and superfine at 27@33c; 30,000 do do and 200 bales Buenos Ayres, washed, 10½@11c, cash.

CORN EXCHANGE.—The demand for flour has been moderate, and prices have further declined on the large receipts of large arrivals of New Orleans, of which the decline has been 12½c, and lower grades of State and Michigan 6½c. We quote the common State and mixed Michigan 5,38@5,44, straight and good Michigan and State 5,44@5,50; favorite brands, extra Genesee, 5,69@5,62; pure Genesee 6,06,12, fancy 6,06,38 and extra do 5,50@5,62; fancy brands 5,12@5,25; for common to good, 5,38 for very good, and 5,75@5,81 for fancy brands. Southern is steady; all common brands are quote at 5,25; Richmond City Mills, in bags, 5,38; per bbl $6,88. Rye flour is lower, and offered at 4,12½. Buckwheat is more plenty and firm at 188@2,12½ ⅌ 100 lbs, and 2,06 per bbl. Jersey Corn Meal has declined with large sales at 2,62@2,62½ for yellow, and 2,50 for white; Brandywine sorts 2,75. Wheat but little doing, the demand for milling only; the sales are 1000 bushels Genesee wheat, 1,35, and on Saturday 1000 Ohio at 1,124. Rye in good demand and lower, with sales on Saturday of 700 bushels, on the spot at 62c; delivered, and 3500 in the slip, at 61@62c; and previously, 2000 to arrive on the opening of navigation, 60c. Barley is also in fair demand, with sales of 600 bush two rowed, part from store, at 62½@65 cents. Oats dull at 33@35c for Jersey, and 39@40 for canal. Corn was in the forepart of the week in good supply, but towards the close it became more scarce, and the market closed with a firm feeling; the prices are 53@54c for mixed: and white Southern.

MONEY AND EXCHANGES.—Money was easy at the forepart of the week, but has gradually stiffened up until at the close prime paper could not be discounted under 9@11 per cent, and for ordinary to good up to 16@18. Stocks have fallen off thro' the week, and are lower than last Saturday. The business in exchange for the steamer to sail from Boston on Wednesday, for the last two days, has been very good, more so than usual. We quote bills on London from 9@7½ per cent, and some at a lower rate, but which are hardly a criterion. France, 5,32½@5,37½c. On other places there has been nothing done of importance.

The amount of duties received at the custom house on the 4th, was 89,000 15; received in the sub-treasury, $66,000; paid out, 23,224 92; balance, 2,184,193 93. Advices of a new draft of 5,000.—Journal of Commerce.

☞ IMPORTANT TO OLD COUNTRYMEN SENDING FOR THEIR RELATIVES.—The following advertisement is taken from the Liverpool Journal of the 24th ult. With such unequalled arrangements there can be no detention to the poor emigrant whose passage is paid through this house, which, we are informed, was established in 1824:

NEW LINE FROM CINCINNATI TO ST. LOUIS.—A new line of splendid steamers has been established. The following have been selected: The "Jewess," "Melodeon," "Whirlwind," "Belle of the West," "Pike No. 8," "Embassy," and "Thomas Jefferson!" The Cincinnati Enquirer says: "It is the intention of the Company to have boats enough in the line so that a boat will leave St Louis and Cincinnati every day, and it will require seven more boats to make the whole complement complete. The advantages accruing to a regular line, will, of course, offer an inducement for others to drop in in a short time, so that we think we can promise the travelling community, or that portion of it bound for St. Louis, that they can be sure of getting a passage for that port every day."
