The Daily Morning Post.

Morning Post Job Printing Office.

CORNER OF WOOD AND FIFTH STREETS.

☞ Having added to our Establishment, a splendid Steam-Power Printing Machine, we are prepared to do all kinds of Newspaper and Book work in a style of unsurpassed beauty and neatness, and upon the most reasonable terms. We respectfully solicit the patronage of the public in this line of our business.

☞ *Advertisers are requested to hand in their favors before 4 o'clock, P. M. This must be complied with, in order to insure an insertion. When it is possible, an earlier hour would be preferred.*

☞ E. W. CARR, United States Newspaper Agency Sun Buildings, N. E. corner of Third and Dock streets, and 400 North Fourth street—is our only authorized Agent in Philadelphia.

☞ PREMIUM LEMON SYRAP.—Prepared by J. W. Kelly William street, N. Y., and for sale by A. JAYNES, No. 70 Fourth street, Agent for the manufacturer. This will be found a delightful article of beverage in families, and particularly in sick rooms.

BAKER'S BROMA.—An improved Chocolate preparation, being a combination of Cocoa nut; innocent, invigorating and palatable; highly recommended, particularly for invalids. Prepared by W. Baker, Dorchester, Mass., and for sale by A. JAYNES, at the Pekin Tea Store, No. 70 Fourth street mar17

☞ GIDDINESS AND DIZZINESS.—Wright's Indian Vegetable Pills are one of the best medicines in the world for the cure of giddiness, because they purge from the body those stagnant and corrupt humors which, when floating in the general mass of the circulation, are the cause of a determination or rush of blood to the head, giddiness, headache, loss of memory, dimness of sight, drowsiness, pain of the head, and many other symptoms of a loaded and corrupt state of the blood.

Wright's Indian Vegetable Pills are also one of the very best medicines for the cure of indigestion; and therefore will most assuredly restore the body to a sound state of health.

Beware of Counterfeits and Imitations.—Remember that the Original and Only Genuine Indian Vegetable Pills have the writ n signature of WILLIAM WRIGHT on the top label of each box.

Remember, also, that H. Smyser, Druggist, corner of Market and Third stre s, is not an agent for this medicine, and we cannot guarantee as genuine that offered by him for sale.

The genuine is for sale a Dr. Wright's Principal Office, 169 Race street, Philadelphia; and by JOHN THOMPSON, 150 Liberty street, Pittsburgh, Pa., who is sole agent for this city, by whom dealers can be supplied at the wholesale rate. mar23

☞ Consumption is a disease which is carrying its victims to the tombs by thousands, without being arrested in its progress by the medicines in common use at the present time. But a brighter day is coming, and has come—as to successfully arrest this disease, Dr. Rogers' Liverwort and Tar not only gives immediate relief in Coughs and Colds, but from the testimony of men of the highest standing here and elsewhere, it is making some very remarkable cures of Consumption. Improvements in the manufacture of medicines are onward, and nothing can arrest its spirit in the present age. Those who are afflicted with diseased Lungs, would do well to call on the agent, and see the certificates of Dr. Mott, Judge Richards, Judge Wm. Burke, the wife of the Rev. George W. Maley, and of Dr. Hiram Cox, late Professor in the Eclectic Medical College of Cincinnati.

This medicine not only cures Consumption, but breaks up the most distressing Coughs in a few hours time, or the money will be cheerfully refunded.

A Rare Chance for a Small Investment.

THE PADUCAH FOUNDRY, that flourishing concern, now in full operation, at the mouth of the Tennessee River. It can be had on easy terms; and situated, beyond all other places on the Western waters, for doing business—accessible at all seasons for the lower trade where a great number of Boats are repaired; all of which have more or less to do with the Foundry;—as there is no other in the place, it is a great chance for any two persons, say a Moulder and Finisher: good mechanics and energetic. The work, generally, is confined to steamboats, of which there is plenty—never any lack—the only trouble is to do it. The place may be easily cleared, the first year. Further information and particulars can be obtained from WM. LANCASHIRE, the owner, who can be found at the Ne Plus Ultra steam boat, Capt. R. Phillips, for a few days. Also—

A FARM,

On which the subscriber lives, seven miles from Paducah, containing 160 Acres of Land, together with a new Steam-Grist Mill in operation—two run of Burrs doing the country Grinding for more than 20 miles around—one-fourth toll taken. This is a most desirable place and property for a small family; all it needs, in addition, is a Store, and a large business may be done. The Farm is delightfully situated, and improved with Garden, and Fruit Trees of all kinds. Further particulars can be obtained from the owner, who is to be found as above; letter which, by letter, addressed to Paducah, Ky., will be attended to [mar23:1w] WM. LANCASHIRE.

Extension of the Baltimore and Ohio Rail Road.

TO CONTRACTORS FOR GRADUATION AND MASONRY.—Proposals are invited for the Graduation and Masonry of the following-named sections of the road—the sections averaging a mile in length—commencing in the town of Cumberland: Sections 1, 2, 3, 8 and 10, will be let, embracing considerable rock work along the Potomac river bluffs, and the masonry of several bridges on section 1st. Also, all the sections from 30 to 45, inclusive, (excepting sections 43 and 44), beginning 25 miles from Cumberland, about a mile below the mouth of Savage river, and continuing to the summit of the mountain. The works upon these sections is heavy, containing much rock excavations and two tunnels, each about 600 feet in length, and a stone bridge of considerable size. The whole number of sections now to be let is 23. In the course of the spring and summer upwards of 30 more sections will be put under contract between Cumberland and Three Forks creek. The remaining sections between that point, and other work upon the latter, will be let in the spring of 1850.

Specifications of the work on the 20 sections to be let, will be ready by the 25th of March current. They will be distributed from the company's offices in Baltimore, Frederick, Harper's Ferry, Cumberland and Washington. The Engineers will be stationed at Cumberland, at No. 23 HANOVER ST., Baltimore, and will be received until SATURDAY, the 28th of April, inclusive. Before making bids, the line should be thoroughly examined, and the resident Engineers will be in attendance thereon, to give information. The most satisfactory testimonials of ability and character will be made in cash, reserving the usual 20 per cent. until the completion of the contract. The most energetic prosecution of the work will be required.
