The Largest Journal in the West.

NEW AND CHEAP WEEKLY FAMILY PAPER.

THE PITTSBURGH SATURDAY MORNING POST

—DEVOTED TO—
POLITICS, NEWS, LITERATURE, &c., &c.

THE UNDERSIGNED WILL ISSUE, about the first of October, 1848, the first number of a LARGE FAMILY PAPER, containing *more reading matter* than any weekly published West of the Mountains. Every department will be faithfully attended to, and no pains or expense will be spared to render the *Saturday Morning Post* one of the most instructive and acceptable newspaper ever circulated in the Mississippi Valley.

In its POLITICAL DEPARTMENT the paper will aim to be the faithful and honest exponent of the Principles of the GREAT DEMOCRATIC PARTY—the People's Party—the Party of Progress, Honesty and Truth. We shall fearlessly expose the unrighteous doings of Federalism, in whatever guise it may present itself, or under whatever cognomen it may sail.

The NEWS DEPARTMENT will be the object of special care and attention. Every thing that is new, interesting and exciting, will be faithfully chronicled. The various lines of MAGNETIC TELEGRAPH being now completed from Pittsburgh to nearly every leading city in the Union, we shall be enabled to present our readers, up to the latest moment, a full digest of all the STIRRING EVENTS OF THE DAY.

In the LITERARY DEPARTMENT, we shall introduce an entire new feature into the columns of the Saturday Morning Post. At least *eight columns* of the paper each week will be devoted exclusively to *Tales, Poetry, Biography, History, Moral Essays, &c., &c.* In short, we shall aim to make the paper, in this respect, fully equal to the best LITERARY PAPERS of the East. We have now engaged several distinguished writers, who will regularly contribute ORIGINAL TALES AND POETRY, to the columns of the Saturday Morning Post.

COMMERCIAL INTELLIGENCE.—We shall furnish our readers each week with an entirely new and accurate *REVIEW OF THE PITTSBURGH MARKET*, carefully made up from ACTUAL SALES; together with the markets of *Philadelphia, Baltimore, New York, Boston, Cincinnati, New Orleans, St. Louis, &c.*, received by Telegraph and other sources, up to the latest moment before going to press. The fluctuations in the Money Market, Prices of Stock, Exchange, &c. will also be carefully noted in each number.

PREMIUMS.

To encourage Western Talent, we shall pay a liberal compensation to any person who will furnish us with either Tales, Poetry or Essays, which shall be deemed worthy of publication by a Committee selected for that express purpose.

TERMS OF THE SATURDAY MORNING POST.

☞ In order to secure a large circulation, we shall offer our Monmouth Weekly to the public on terms heretofore unsurpassed by any paper in the West. To do this the CASH SYSTEM will be strictly adhered to:

For 1 copy, in advance,	$2.00
" 5 copies, "	8.00
" 10 " "	15.00
" 20 " "	25.00
" 50 " "	50.00

CLUBBING!

To any person who will obtain the largest number of subscribers to the Saturday Morning Post, (not less than fifty,) we shall present a copy of Shakspeare's Plays, splendidly bound, worth at least $5.00, besides a copy of the paper for one year. To the person who will procure the next largest number of subscribers, we shall present a beautiful edition of Lord Byron's Poems, worth at least $4.00, and a copy of the paper.

POST-MASTERS AND OTHERS,

To whom this Prospectus may be sent, are respectfully requested to act as Agents in procuring subscribers to the Saturday Morning Post. To the person who will procure 10 subscribers, we will forward one copy of the paper, and their exertions will otherwise be handsomely rewarded.

☞ Letters must be addressed (post paid) to

J. HARPER,
Editor and Proprietor of the Saturday Morning Post, Pittsburgh, Pa. September 16, 1848.

POSTSCRIPT

In answer to the many inquiries of our friends, we have to state, that owing to the arduous duties of the election campaign, it will be impossible for us to issue the first number of the *Saturday Morning Post* at so early a day as we anticipated. We shall defer the issue of the first number until after the Presidential election, which we hope to present to the public the handsomest and best paper ever sent out.

PITTSBURGH, Oct. 6, 1848.

The above proposals may be divided into five parts for each place of delivery, viz:

1. Blankets.
2. Dry Goods,
3. Hardware, to include the agricultural implements.
4. Axes and hatchets.
5. Northwest guns.

The lowest competent responsible bidder will receive the whole or any part of the contract, according to the above scale; the department reserving to itself the right to determine whether the bidder is competent and responsible or not.

A schedule of the articles, with samples, may be seen at the office of the Commissioner of Indian Affairs, in Washington, exhibiting the amount of money to be expended for each article, but the department reserves the right to increase or diminish the quantity of any of the articles named, or substitute others in lieu thereof, or to require, at similar prices, such goods as may be wanted for presents or other purposes, in the administration of the affairs of the department.

The whole amount in money to be applied to the purchase of goods will be about $90,000 of which some $40,000 will be wanted on the seaboard, and the residue in the west. Some of the articles enumerated, or other things being equal, will be preferred, but as all the samples of blankets and cloths on hand are of foreign manufacture, it may be advantageous to domestic manufacture to bid for, that the sample of it should accompany the bid, to enable the department to decide whether it is of equal quality with the samples of foreign fabric.

The party proposing to supply the articles will make an inventory of the articles embraced in the above list, and affix the prices, indicate cents and mills, for which they will furnish them, deliverable in new York and St. Louis respectively, on or before the fifteenth day of May next, assuming in the quantity of each article as specified in this advertisement, and extending the cost, making the aggregate of the whole price before stating it on oath. The goods will be inspected at New York, by or before the 1st day of November next, and at St. Louis respectively, by an agent of the United States, who will be appointed by the department for the purpose, and be required to report conformity of the articles purchased with the sample exhibited, and if the contract shall be made, and with the terms of the contract itself which shall contain a stipulation that if the articles are not furnished within the time prescribed, or be found of inferior quality, in the opinion of the agent aforesaid, and if notice of such deficiency or inferiority be given to the party, or his agent, within five days after the receipt of the goods at New York and St. Louis respectively, to an agent of the department, upon a duplicate invoice certified by him.

Communications to be marked "Proposals for Indian Goods."

The bids will be submitted with the following bending and none will be received that are not made in the form and terms herein specified, viz:

(For we) propose to furnish for the service of the Indian department the following goods, at the price affixed to them respectively, viz:

(Here insert the list of goods.)

Every bid must also be accompanied with a guarantee in the following form, to be signed by one of the responsible persons, whose sufficiency must be certified by some one who is well known to the department, either personally or by his official position.
