SECURED BY LETTERS PATENT.

PUBLIC ATTENTION is solicited to an entire new article of RAILING, made of wrought iron bars, and soft annealed wire, and expressly designed for enclosing Cottages, Cemeteries, Balconies, Public Grounds, &c., at prices varying from 50 cents to $2 00 a running foot. It is made in panels of various lengths, and 3 to 4 feet high, with wrought iron posts 1½ inch square, at intervening distances of 9 to 10 feet. If desired, the panels can be made of any height, in continuous spans of 50 to 60 feet, with or without posts. No extra charge for posts.

The comparative lightness, great strength and durability of the WIRE RAILING, the beauty of its varied ornamental designs, together with the extremely low price at which it is sold, are causing it to supersede the Cast Iron Railing, wherever their comparative merits have been tested. Colver's Patent Concave Butter Churn!

BUTTER IN FIVE MINUTES!

WE call the attention of the public to the article heading this advertisement, and invite the enterprising and curious to call and witness its operation. All advertisements in relation to this invention, to the hundreds who have seen it tested, is superseded.

1st: This Churn will produce Butter, gathering it in a mass, from sweet milk, in five to ten minutes! and from cream prepared as families usually prepare it, in three to five minutes!

2d. The utility of this invention is apparent, as better Butter can be produced from sweet milk, or cream, than cream soured in the usual way; and by means of this Churn, a little girl or boy can perform, in five or ten minutes, what has heretofore required the labor of a man or man for one or two hours, and sometimes half a day.

3d. By simply turning a thumb screw, the wholesale dasher is taken out, leaving nothing but the Butter and milk in the plain wooden box.

4th. It is the cheapest Churn ever invented, as the simplicity of its construction (though embodying a great philosophical principle) makes it but little to manufacture.

5th. It is a common-sense Churn, as all will admit who will examine it.

We invite the public to call and witness its operation at our office in the Diamond, near the Black Bear Tavern, and at J. Beckham's, Beckham's, Allegheny.

Steel and File Manufactory.

THE subscribers have enlarged their Steel and File Manufactory, and are now prepared to offer a full and spring alloy, Fine Ward, Pittsburgh, by erecting a convenient forge, a melting furnace and a lift hammer, they are now prepared to make superior quality, and having engaged competent operatives, they are prepared to furnish Files of every description, that will compare with the best manufactured in Philadelphia. Rose and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physician—Sherman's Balsam was given and it cured her.

Mrs. GARRANNEYT, of Dull's Ferry, was also cured of consumption by the Balsam when all other remedies failed to give relief—she was reduced to a skeleton.

A. C. Castle, Dentist, 251 Broadway, has witnessed its effects in his family for years, and can suppose any case of recent relief—but the Balsam operated like a charm. Dr. Sherman's Balsam is a wonderful effects in curing Asthma, which is never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam, it heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. HENRY JONES, 105 Eighth avenue, was cured of a cough and colorphal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Rev. L. J. Beach, 19 Delancey st., was cured of a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases the effects were immediate, and they brought them to comfortable health.

Mrs. LUCRETIA WELLS, 95 Christie-st., suffered from a cough for years, Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a liberal use of the Balsam.

☞ Prepared and sold by the proprietor, 281 Grand st., New York, and for sale by druggists generally, for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

Price 50 cents and $1 per bottle.

Jayne's Family Medicines.

DR. S. S. COOK, Piqua, Ohio, writes, March, 1848: "I have used your *Vermifuge, Carminative Balsam, and Expectorant*, in my practice, for the last three years, and have been exceedingly well pleased with them, and never, as yet, to my recollection, failed of realizing my fullest expectation in their curative properties. Your other medicines I cannot speak of from experience; but, judging from those I have used, I doubt not but that they claim, and are entitled to all the confidence reposed in them, by those who have used them. I was formerly very partial to some Vermifuge, until I became acquainted with yours, which has my decided preference to any other now in use.

Respectfully, yours, &c., S. S. COOK, M. D."
