PITTSBURGH, November 7th, 1848.

☞ The Merchant's and Manufacturers' Bank has this day declared a dividend of four per cent. on the Capital Stock out of the profits for the last six months.

W. H. DENNY, Cashier.

☞ Enough should never be neglected. It may appear trifling and unworthy the attention at first, but it will not remain stationary long; it may progress slow at first, and its augmentation may be scarcely perceptible; yet when it once seizes the lungs, all the other parts of the body will be sympathetically affected, and a confirmed Consumption and premature death will be the inevitable result. A little care would save many a life, and the timely use of a proper remedy might have arrested many a consumption. But many persons have an invincible repugnance to taking any medicine, and rather lean on the means towards arresting a disease, simply because the remedy may not be a pleasant one, would suffer and languish for a long time, before they would resort to the aid of medicine.

B. A. Fahnestock & Co.'s Cough Balsam has a great advantage in this respect over many other Cough preparations, as its pleasant taste permits it to be used without inconvenience. But its value as a Balsam consists in the speediness of its cure. We have known some of the most desperate coughs, some of which had been running on for a considerable length of time, yield almost immediately to its power.

Prepared and for sale, wholesale and retail, by

B. A. FAHNESTOCK & Co.

☞ Pleasant, General Debilitation.—As sweet a cure for the above, which may be most confidently relied on, has made its appearance; a cure so positive that it never has failed, and never can fail, if properly administered, in proof whereof, the money paid for it will be instantly returned in every case where it does not give the most thorough satisfaction. Clickener's Sugar-coated Vegetable Purgative Pills is the remedy spoken of, and reference is made to all respectable physicians, who will cheerfully give the most unqualified testimony in their favor. Let any person afflicted with either of these diseases, give them but one trial, and he is sure to purchase them for life; not only because they cure them more speedily and better than any other medicine, but also because they are as easily swallowed as bits of loaf sugar, and are entirely unattended with griping or nausea. They are so powerful that three of them will effectually operate on a giant, and yet so mild and pleasant that a child might swallow half a box full without renugance or injury.

☞ Sold by WM. JACKSON, Gen. Agent, 89 Liberty street, Pittsburgh.

☞ Dropsical, *Swimming of the Head, a roaring noise in the ears, headache, palpitation of the heart, &c.*—Wright's Indian Vegetable Pills are a certain cure for the above unpleasant complaints, because they purge from the body those sanguinant and corrupt humors which, when floating in the general mass of the circulation, are the cause of a rush of blood to the head, giddiness, dimness of sight, drowsiness, pain of the head, and other symptoms of a corrupt state of the blood.

Wright's Indian Vegetable Pills are one of the very best medicines in the world for the cure of indigestion, and therefore will not only remove all the unpleasant symptoms, but will most assuredly restore the body to a sound state of health.

Beware of Counterfeits and Imitations.—Remember that the Original and Only Genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.

Remember also, that Messrs. Feuchtwanger & Co., of New York, Jas. S. Glascoe & Co., at Cincinnati, and J. H. Wilder & Co., of Louisville, are *not* agents for this medicine, and we cannot guarantee the genuineness of that offered by them for sale.

The genuine is for sale at Dr. Wright's Principal Office, 100 Hope street, Philadelphia, and by John Thompson, 155 Liberty street, Pittsburgh, Pa., who is sole agent for this city, by whom dealers can be supplied at the wholesale rate. nov28

FLOUR—There was no change in the market yesterday; sales were at former quotations: $3,93⅞ 3,95 from wagons; about 500 bbls. on wharf at $3,-95@4,00. One lot marked extra, of good brands, sold from first hands at $4,06.

GROCERIES—Sale of 10 hhds. Prime Sugar at 5c. This sale indicates the market. Of Molasses we note no change; sales at 30@31c.; and 32c. to the country by single bbls. Of Coffee we note sales of 50 sacks Prime Rio at 7c.; other sales at 7½c. Regular sales of Rice at 4½@5c.
