Daily Review of the Markets.

OFFICE OF THE POST,
WEDNESDAY MORNING, *April* 11, 1849.

Business was very lively yesterday in every direction.

LUMBER..There is very little excitement among buyers or sellers; prices are the same as last year. We are informed that all has arrived from above; and all sold here. Many rafts have passed on for markets below.

PROVISIONS...We found no change in prices.

GROCERIES..The market continues as reported yesterday—firm for Sugar, Molasses and Coffee.—The advance will be maintained.

FRUIT..There was a sale of 500 bu Pea Nuts on the wharf at 62c.; re-sales at 63@70c. The market seems to stiffen. Sales at $1,00 in a small way. Lemons are unchanged; but Oranges have been put into the hands of one house and prices have advanced to $4,00, at which sales were brisk yesterday.

LEATHER..No change in any kind except New York Red which has been selling at a cent higher than we have been quoting. We now say 18c. for light weights; 19 c. for heavy.

☞ FLOUR..The market seems unchanged; it is remarkable that prices are maintained here while declining in the East. The sales yesterday were at $3,00.

Spirit of the Domestic Markets.

ST. LOUIS, April 2d, 1849.

The supply of money for the transaction of produce business has been pretty fair, and the market has consequently been tolerably easy. Sight drafts on the East are at 1 per cent. premium. Time bills are negotiated at par @ ¼ cent. per month discount. Sight drafts on Pittsburgh are at 1 premium; on Louisville at par; on Louisville the same. Brokers draw on New Orleans 1 per cent. premium. Time bills are disposed of at 1 to ½ per cent. discount.

Lead—The market has been rather unsteady, and to-day has been entirely inactive. Sales on Thursday of 1,194 pigs Upper Mines at $3,65, and 3,100 pigs Upper Mines in two lots at $3,77½@3,80, and yesterday of 625 pigs do. at $3,75 per 100 lbs.

Sales of Bacon have been rather limited. A lot of 16 cks shoulders and hams, country cured, was taken on Thursday at 3½@5c; on yesterday, no large sales; to day, sales of 73 casks, shoulders 3¼, sides 4¾, hams 5c ⅌ lb.

CINCINNATI, April 7, 1849.

Provisions—The only sale heard of to-day was 300 bris Mess Pork at 9,00. Before change, private messages were received from New York, reporting sales of Mess Pork at 10,00 per bbl, but holders here, in anticipation of a readdition, are firm at $9. Nothing doing in Lard.

Whiskey—There is a fair demand, with prices less firm than on yesterday. Sales comprised 81 and 86 bris from railroad at 14½c; 101 from canal, 61 from River at 14½; 43 from railroad, 85 and 21 from river, 30 from canal, 20c.

Groceries—The sales reported to day comprise 15, 15 and 20 hhds fair Sugar at 5c; and 40 barrels N. O. Molasses at 25c.

LOUISVILLE, April 5, 1849.

Beeves—The supplies of good Cattle are very meagre, and prices rule quite high. We quote a sale of 21 head choice Cattle at $5,25@5,50, various light sales of fair Cattle at 4,20@5,00, and sales of inferior at 4,00. We heard of no sales for shipment this week. Sales of Calves at 2,50@4,00. Hogs—We quote sales for the regular supply of the market in light droves at 3,87½@3,90, and no orders are left, sale at 3,25. Sheep—The supplies are getting light, and we quote sales to the butchers at 1,50@3,00 for choice; sales of common to fair 1,00@1,50.

Pittsburgh and Brownsville Daily Packet Line.

FEBRUARY 1st, 1849. FEBRUARY 1st, 1849.

LEAVE DAILY AT 8 A. M. AND 4 P. M.

The following new boats compose the line for the present season: ATLANTIC, Capt. James Parkinson; BALTIC, Capt. A. Jacobs; and LOUISIANA, Capt. S. Bennett. The boats are entirely new, and are fitted up without regard to expense. Every comfort that money can procure has been provided. Extra wages have been paid to secure a good Agency, on the most extended scale, will be promptly and faithfully attended to.

In regard to location, we have many advantages over all other agencies in the State, being at the Capital, near the centre of the State, and at the very focus of business all information in relation to matters connected with business, and the State interest, through the medium of the government and executive offices. We enjoy this important advantage, the senior partner, Mr. Ash, has occupied, for several years, the position of Principal Clerk in the State Auditor's office, and having had charge of the books and State land department in said office, has obtained a knowledge of business and a thorough acquaintance with this agency; and we are, therefore, enabled at all times to give correct and prompt information, much in advance of any other agency in the State. Our Agency is also important to non residents wishing to pay taxes, as our acquaintance with the collectors of the revenue is such that we can obtain the tax receipts without delay, and the money paid directly into the State treasury, thereby avoiding the risk of remitting funds by mail. We also beg leave to inform persons wishing to purchase State lands, that our arrangements are such, that we can, at all time, furnish Scrip, Scrip, or indebtedness in any amount, and at less rates than any other office in the State.

In conclusion, we take pride in referring to the character and standing of the gentlemen who have been kind enough to permit us to use their names as references, and with a sincere desire to please, backed by a good, honest, and ready, and prompt dealing in all our business transactions, to merit a share of the confidence of all who may entrust their business to our hands.

Land and General Agency

AT THE CAPITAL OF ILLINOIS, CITY OF SPRINGFIELD.

To Non-resident Holders of Illinois Lands—Holders of Illinois indebtedness, and all persons desirous of purchasing State Lands with Illinois scrip or bonds.

THE undersigned would respectfully inform the public that they have established in the city of Springfield, the State of Illinois—a LAND and GENERAL AGENCY OFFICE, for the transaction of all business appertaining thereto, within the limits of the State.

All transactions relative to the purchase and sale of lands, examining lands and reporting their location, advantages and value, paying taxes, redeeming lands sold for taxes, investigating titles, &c., buying and selling all descriptions of State indebtedness, this and every other description of business attached to a General Land Agency, on the most extended scale, will be promptly and faithfully attended to.

In regard to location, we have many advantages over all other agencies in the State, being at the Capital, near the centre of the State, and at the very focus of business all information in relation to matters connected with business, and the State interest, through the medium of the government and executive offices. We enjoy this important advantage, the senior partner, Mr. Ash, has occupied, for several years, the position of Principal Clerk in the State Auditor's office, and having had charge of the books and State land department in said office, has obtained a knowledge of business and a thorough acquaintance with this agency; and we are, therefore, enabled at all times to give correct and prompt information, much in advance of any other agency in the State. Our Agency is also important to non residents wishing to pay taxes, as our acquaintance with the collectors of the revenue is such that we can obtain the tax receipts without delay, and the money paid directly into the State treasury, thereby avoiding the risk of remitting funds by mail.

We also beg leave to inform persons wishing to purchase State lands, that our arrangements are such, that we can, at all time, furnish Scrip, Scrip, or indebtedness in any amount, and at less rates than any other office in the State.

In conclusion, we take pride in referring to the character and standing of the gentlemen who have been kind enough to permit us to use their names as references, and with a sincere desire to please, backed by a good, honest, and ready, and prompt dealing in all our business transactions, to merit a share of the confidence of all who may entrust their business to our hands.

ASH & DILLER

Springfield, March 20, 1849.
