Educational.

IRVING FEMALE COLLEGE, MECHANICSBURG, PA.

This Institution, designed for the liberal education of Young Ladies, has been in operation two years with the most gratifying results. It is now established on a firm basis, and its patronage already extends over several States.

It is located on the Cumberland Valley Railroad midway between Harrisburg and Carlisle, in the most fertile and beautiful portion of the valley, and is in close proximity to one of the most moral, healthy, and enterprising towns in the State.

It is central, and easy of access. Students leaving Washington, Baltimore, or Philadelphia in the morning train for Harrisburg, will arrive at Mechanicsburg in time for dinner.

The edifice is large and commodious, surrounded by double verandas, and will accommodate about one hundred boarders. The rooms are large and neatly furnished. Each has its register for heat and ventilation. Only two students occupy the same room. The bath rooms are at all times supplied with warm and cold water.

The grounds are ample, and well arranged for recreation, and the various calisthenic exercises—so essential to health, graceful movement and symmetry of form.
