Tin Roofing.

THE subscribers most respectfully announce to their fellow-citizens that they have perfected their arrangement to carry on the business of Tin Roofing on an extensive scale.

It is now close on four years since we first introduced tin roofing in this city. During that time we have covered over fifty thousand square feet of roofs with tinplate, and in all cases we believe we have given the most entire satisfaction. This kind of roof has been applied to the very best buildings in this city, including, among a large number of others, the two superb buildings on Penn street, owned by John L. Shoenberger and John Bissel, Esqrs. That tin roofing (when skillfully laid on) is both permanent and durable, there can be no doubt; in proof of this, we can refer to the almost universal application of this kind of roofing in the large cities on the sea-board during the last twenty years; and from enquiring on the subject, we have yet to learn of any one of those roofs having been worn out. The roofs covered with tin in our own city are open to the examination of all who take an interest in the matter. We have also prepared a miniature plan of roofs, which may be seen at our establishment, where any other information will be given with pleasure. JOHN DUNLAP & CO.

PITTSBURGH, March 7, 1849.

MR. EAKINS—*Dear Sir*: Having examined the "Areometer," manufactured at your factory, I do not hesitate to commend it to the use of those gentlemen who are about proceeding to California, in search of Gold.

It gives a close approximate to the specific gravity of metals, and will *certainly* enable the adventurer to satisfy himself when his pieces are genuine.

Yours, resp'y, R. M'CLINTOCK.

READ THIS LETTER—Who will be without a beautiful head of hair, when they can be made to have one for a trifle? Twenty years' loss of hair and wonderful restoration!

"BALTIMORE, July 17, 1847.

"Dear Sir—The wonderful effects of Jones' Coral Hair Restorative has been decisively demonstrated in the case of several respectable citizens of the town, who commenced using it filling three shilling trial bottles, try it without fear. One instance which has attracted much attention, is the case of a gentleman who had little or no hair on his head for twenty years; he had tried numerous preparations in vain, and ultimately had his head shaved and wore a wig. At my recommendation, he tried the Restorative, and after using it according to the direction, as time is precious, in a short time his hair appeared, and he now has a good head of hair as any person in Baltimore.

"Yours, &c., JOHN KILVINGTON."

It causes eyebrows to grow, prevents the hair from falling out, and is the first application causes it to curl beautifully, frees it from scurf, and stops it from falling off.

To the Citizens of Pittsburgh and Vicinity.

THE citizens of Pittsburgh and its vicinity are respectfully informed that they can fit themselves with some of the handsomest FRENCH CHINA TEA SETTS, QUEENSWARE AND GLASS—for beauty, price and quality, at the store of the subscriber, in the city and other City-West of the Mountains—at No. 116 Wood street, Pittsburgh, City.

There you will find some of the prettiest white and blue China, for tea, dinner and toilet sets, or in separate pieces, over opened in this city; and as the proprietor is about to remove from the store he now occupies, to a more central part of the city, (No. 56 Wood street, opposite the Eagle Saloon,) he is desirous of closing out his present stock, previous to moving, as you are aware of the heavy expense he would sustain by breakage, &c., in moving so large a stock as he now has in store; and as time is now drawing close to a day, he will compel him to close out almost his entire stock. ap12

He is determined to close out at an enormous sacrifice, regardless of imposing cost. *Now is the time to secure your Bargains!* This may be the only opportunity you may have of securing Queensware at such low prices.
