NEW REMEDY IN CONSUMPTION.—A Physician who had Consumption for several years with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession, when his case appeared hopless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues, and he can ascribe the degree of health he now enjoys to nothing but the use of his medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others induced him to hazard the experiment. To those suffering with any disease of the lungs he proffers a treatment he confidently believes will eradicate the disease. Price $1.50 per bottle or $8 a half dozen, sent by express. Send for circular or call on DR. E. BOYLSTON JACKSON,

IMPORTANT DECISION.

Chief Justice Woodward of the Supreme Court of Pennsylvania, has delivered the following opinion which is important to our merchants, manufacturers workingmen, and, in fact, the people of the whole country. He says: "I find 'HOOFLAND'S GERMAN BITTERS' is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system."

No better recommendation could be given to so valuable a tonic as this celebrated standard Bitters.

"Hoofland's German Bitters containing no Alcoholic ingredient."

FARM,

situated in West Pennsboro township, Cumberland county, State of Pennsylvania, bounded by lands of Samuel Myers, Samuel Plough, Samuel Abrams, John H. Bricker, J. Snyder and Capt. J. L. Elliott, containing 152 ACRES more or less. This farm is located in one of the most populous districts of this great agricultural valley, being 8 miles West of Carlisle, and about 2 miles East of Newville, having the Cumberland Valley Rail Road ½ mile and the Turnpike near two miles from its Southern Boundry, the State Road ¼ mile and the Conodoguinet Creek near two miles from its Northern Boundary, with a public road near the house, leading from Mt. Rock to Shelleybargers Mill, intersecting the former great thoroughfares at right angles, renders this farm easy of access, convenient for travel, and trade, close to schools, stores, shops, good markets and five mills. It is also located on the range of the Iron Ore which apparently extends east to west through the valley, one field bearing strong indications of this valuable mineral.

The soil is of the best quality of Limestone, somewhat rolling, and all improved and arranged for easy harvesting with "Mower and Reaper." This fertil soil is made more highly productive, from the fact that over 7000 bushels of lime have been placed thereon during the last three years. The fences are all in good condition, ⅓ of them being of Locust Post and Chestnut Rail.

There is about 15 acres of young and thriving Oak Timber upon the premises, and also a large quantity of superior Locust Posts.

The Orchard contains upwards of 70 different varieties, Besides a large number of choice grafts, there are also Cherries, Grapes, Peaches and other choice fruits.

The Mansion House and Kitchen are nearly new, being partly Brick and partly Frame, containing 11 rooms.
