Public Sale.

I WILL offer at Public Sale on Friday and Saturday, the 18th and 19th of May, about One Hundred Building Lots, situate on the lands of the Monongahela river near Turtle creek, at Lock No. 2 This is a delightful location for a village, laying immediately on the river, in flourishing and *Wednesdays* and *Saturdays*. The Connellsville and Pittsburgh Rail Road being located through it, and the Central Rout through Connellsville, so near the river can be more desirable for business, being immediately at the Lock, where Steam Boats are passing all hours of the day.

—ALSO—

I will offer my whole Farm, and will divide it, to suit purchasers, into Lots from 25 to 123 Acres each. This Land is of first rate quality—one Lot, of about 40 Acres, has a quantity of Limestone, easy to quarry, and convenient to the river; with two Tenant Dwellings, and plenty sufficient for the use of the Farm, Timber, &c., &c. One Lot, of about 50 Acres, being the lowest Lot, is composed of Limestone, easy to quarry, and convenient to the river; a sufficient quantity of Stone Coal for the Farm, &c. One other Lot, of about 25 Acres, being the lowest Lot at the mouth of Turtle Creek, and one other Lot, containing about 125 Acres, in a fine state of cultivation, with good Buildings on it, and a variety of Fruit Trees on this part of the Farm, in full view of the Monongahela river, at Lock No. 2, Versailles township. It is not deemed necessary to describe the above property very particularly, as purchasers will wish a view for themselves.

It may not be improper to say that the manner here for all kinds of products from the Farm, is as good and better than the Pittsburgh market. About one-third will be required when possession is given. Good deeds will be warranted. For further particulars, apply to the subscriber, on the premises.

—ALSO—

I will sell that valuable Water Power at Lock No. 2, Monongahela Improvement. This is one of the best Water Powers in Western Pennsylvania; eight feet head, and ioumile mile pool—the Monongahela for supply. This location is three miles below the mouth of Youghiony river, or McKeesport; 10 miles above Pittsburg, on the line of the great Rail Road now in contemplation to Philadelphia and Baltimore. This is a good situation for a Flour Mill, Saw Mill, or any other works that purchaser might wish to erect.

All the above Property will be offered at Public Sale, on the days above mentioned, on the premises. About one-third of the purchase money will be required in hand; the balance in reasonable payments. Title good.
