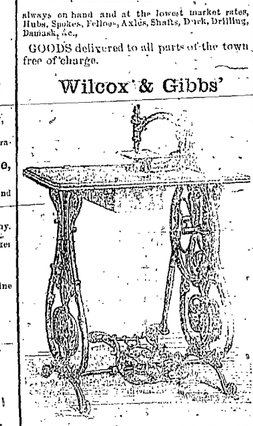
Wilcox & Gibbs'



SEWING MACHINE.

We have secured the Agency of the Wilcox & Gibbs' Sewing Machine, a little family arrangement no one seems willing to do without after having seen one in operation. The Wilcox & Gibbs' is a Single Thread Machine and claims superiority over all Double Thread Machines in the following particulars. It is simpler and less liable to get out of repair. It is cheaper. It runs with less noise. It runs easier. It runs faster. It has the best device for preventing the wheel from running backward. It requires less mechanical skill to operate it. It requires less time and instruction to learn to use it. It is the most certain and reliable in its operations. Its needle is straight and less liable to be broken than a curved one. The needle is secured in its place by an ingeniously patented device which renders it self adjusting so that neither skill nor experience are required in arranging it. It sews directly from the spool thus doing away with the tedious operation of rewinding the thread for adjustment in the shuttle. It makes the Wilcox & Gibbs' or "twisted loop stitch," a stitch original with this machine and made by no other, the seam is more elastic and stronger than the Lock Stitch. The seam is the most even and beautiful, the seam is always self-fastened thus avoiding a reversible feed, its tension is more simple and more easily adjusted, it is more specially changed from one kind of work to another, it does beautiful embroidery, it has the best hommer, it has the best filler, it has the best binder, it has the best belt. The Wilcox & Gibbs has been in the market for a little more than eight years, during which time upwards of sixty thousand have been made and sold, a number by fifty per cent. larger than were sold of any Double Thread Machine in the same number of the earliest years. Such success is sufficient to warrant the sale of this Machine wherever it has an Agency without the doubtful evidence of testimonials, of which there are enough to fill up the columns of all the Journals in the land. These Machines are on exhibition at our store, No. 26, North Hanover Street, Carlisle, where they may be examined, and they will take great pleasure in explaining anything relating to it.

Respectfully &c.,

NATURE'S GREAT RESTORER.

SCHEETZ'S

CELEBRATED

BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which these organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain prompt and speedy remedy for DIARRHŒA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRIT, FAINTINGS, SICK HEADACHE, &c. For CHILLS and FEVERS of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

ECONOMY IS WEALTH!

James McGonigal, at No. 83 South Hanover St., Carlisle, would call the attention of his friends and the public generally to his large stock of

STOVES, TIN & SHEET IRON WARE,

which he feels assured will give satisfaction in both quality and price.

To the stove line he would call especial attention to the

EMPIRE GAS BURNER & PARLOR HEATER.

It is a Perpetual Base Burning Stove. The Furnace will heat an upper and lower room perfectly, and is guaranteed to be perfectly free from explosion of gas. It is so constructed that its rays of heat are deflected to the floor, warming the feet instead of the face. It is a gas consumer, and is perfectly clear from dust. Its ventilation is complete, and the burning gas and ignited coals shine out through the Mica Windows, giving the brightness and cheer of an open fire. Call and see it.

He also offers all the latest and most improved patterns of

PARLOR STOVES,

and a large stock of Cook Stoves, consisting of the

Nimrod,
Niagara,
Ironsides,
Quaker City,
Farmer,

and a variety of others, all of which are warranted to be best class Stoves and to give entire satisfaction.

TIN AND SHEET IRON WARE,

made of the very best material, and all other things necessary for housekeepers in his line of business kept constantly on hand.

His expenses are trifling, compared with others, as he defies competition, and would ask those desiring anything in his line of business, to ascertain prices elsewhere, and then give him a call satisfy themselves that he can sell better articles for less money than any other establishment in the county. His motto is, Quick Sales and Small Profits. Old metal taken in exchange.

Spouting, Roofing and Jobbing promptly attended to, made of the best material and at moderate prices.
