Coal's patent graduated galvanic Battery AND PATENT INSULATED POLES.

FOR MEDICAL AND OTHER PURPOSES.—This is the only instrument of the kind that has ever been presented in this country or Europe for medical purposes, and is the only one ever known to man, by which the galvanic fluid can be conveyed to the human eye, the ear, the brain, or any part of the body, either externally or internally, in a definite, gentle stream, without shocks or pain—with perfect safety—and often with the happiest effects.

This important apparatus is now highly approved of by many of the most eminent physicians of this country and Europe, to whom the afflicted and others whom it may concern can be referred.—References will also be given to many highly respectable citizens, who have been cured, by means of this most valuable apparatus, of some of the most inveterate nervous disorders, which could not be removed by any other known means.

Among various others, it has been proved to be admirably adapted for the cure of the following diseases, viz: nervous headache and other disorders of the brain. Its use with this apparatus alone that the operator can convey the galvanic fluid with ease and safety, to the eye, to restore sight, or cure amaurosis; to the ear to restore hearing; to the tongue or other organs, to restore speech; and to the various parts of the body, for the cure of chronic rheumatism, asthma, neuralgia, or tic dolourous, paralysis, or palsy, gout, chorea or St. Vitus' dance, epilepsy, weakness from strains, some diseases peculiar to females, contraction of the limbs, lock-jaw, etc., etc.
