HIGHEST PREMIUMS

SEWING MACHINES!

At the great Exposition, Paris, 1867.

Awarded the Highest Premiums

over 82 Competitors.

THE PEOPLE'S VERDICT

THE SALE OF THIS WORLD RENOWNED MACHINE ARE 100,000 GREATER THAN ANY OTHER.

THE GRAND TRIAL—

Daily use Throughout the world, WEARS ONLY TRUE MERIT gains favor, and SUPERIORITY wins the race. The Wheeler & Wilson stands triumphantly the Champion and Leader over all others by the verdict of the people.

We claim no merits that we cannot sustain by living and reliable witnesses. We stand upon our own real worth, without declaiming against other companies. We claim to have improvements for sewing that we know cannot be excelled, and in many points that no other company dare compete with. No other company can show so many machines that have been in daily use for the length of time as we can. For proof of this, look at the numbers that are on each machine The Wheeler and Wilson Sewing Machine is the Rich Man's Best Friend, and the Poor Woman's Trust and Comforter, for no other company can sell on as liberal and easy terms as we.

The poor woman can get herself a Machine, and afterwards pay for it. No Machine is paid for until parties are fully satisfied. Constant use only increases the worth of OUR MACHINES.

Several ladies in Carlisle who have used our machines from six to twelve years, say "They consider them better in every point than when new, and there is not a garment worn in the family, from light as dew to heavy as Beaver cloth, that they have not made." One lady says "I have sewed for three years and never broke a needle." We can furnish names and residences of responsible parties who can sustain all we claim.
