The Daily Morning Post.

☞ Consumption is a disease which is carrying its victims to the tomb by thousands, without being arrested in its progress by the medicines in common use at the present time. But a brighter day is coming, and has come—as to successfully arrest this disease. Dr. Rogers' Liverwort and Tar not only gives immediate relief in Coughs and Colds, but from the testimony of men of the highest standing here and elsewhere, it is making some very remarkable cures of Consumption. Improvements in the treatment of diseases are onward, and nothing can arrest its spirit in the present age. Those who are afflicted with diseased Lungs, would do well to call on the agent, and see the certificates of Dr. Wm. J. Richards, Judge Wm. Burke, the Wife of the Rev. George W. Maley, and of Dr. Hiram Cox, late Professor in the Eclectic Medical College of Cincinnati.

This medicine not only cures Consumption, but breaks up the most distressing Cough in a few hours time, or the money will be cheerfully refunded.

☞ ONE WORD TO THE SEDENTARY.—Those who labor within doors are compelled to breathe an impure atmosphere, which is wholly unfit for the proper expansion of the lungs, and, owing to want of exercise, the bowels become constipated, the pores of the skin closed, and, indeed, all the functions of the body become deranged;—hence proceed asthma, cough, pain in the breast and side, palpitation of the heart, rheumatic pains in various parts of the body, giddiness, and a variety of other distressing complaints, common to those of sedentary habits. *Wright's Indian Vegetable Pills* dispense all these unpleasant symptoms. A single dose will in all cases give relief, and, if repeated a few times, will most assuredly restore the body to health.

☞ *Beware of Counterfeits and Imitations.*—Remember that the Original and Only Genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.

Remember, also, that H. Smyser, Druggist, corner of Market and Third streets, is not an agent for this medicine, and we cannot guarantee as genuine that offered by him for sale.

The genuine is for sale at Dr. Wright's Principal Office, 169 Race street, Philadelphia, and by JOHN THOMPSON, 156 Liberty street, Pittsburgh, Pa., who is sole agent for this city, by whom dealers can be supplied at the wholesale rate. mar5

Gold Washers.

H. PARRY has invented a machine for washing Gold, for which he has made application for a patent.—They are now offered for sale at the Warehouse of PARRY, SCOTT & Co., No. 103 Wood st., Pittsburgh.

Adventurers to California are invited to call and examine these labor-saving machines. They are simple in their construction, easily transported on the back of mules or horses, weighing eighty pounds each, and can be put in operation in half an hour. They are in use with provisions. It is the opinion of those who have seen the trial of one of these machines of smallest size, that two men will wash the material from 50 bushels of sand or earth in a day, without the loss of a particle of the metal. They can be increased in size and worked by water or mule power, if required. They will save work without going into the water or being exposed to sickness or the unwholesome climate, endangering their health. They will require but a small quantity of water, and can be used the whole season, and can be put into operation where there is not sufficient water to wash in the usual way.

Price of smallest size $33. Orders from abroad, accompanied by cash, will be promptly filled.
