BE WISE.

WHILE wisdom will benefit you; be not always controlled by your incredulity, hundreds have sought relief from the horrors of Dyspepsia through the medium of DEMUTH'S ANTI-DYSPEPTIC STOMACH BITTERS and found it. Why should you suffer when this admirable stomachic has cured many similar cases-why do you doubt when other not believed and are cured? Delay in this matter is both dangerous and unprofitable. Your health, happiness and business suffers, while constant neglect is frequently foll-wed by serious and uncontrollable results. DEMUTH'S BITTERS are equally useful in the numerous difficulties *attending* Indigestion; as BILIOUSNESS, CONSTIPATION, &c., while for FEVER and AGUE and other disorders preceding from MIASMATA, it is the only reliable preventive and remedy known. 21ae69

The undersigned, executors of the last will and testament of William Fleming, deceased, will expose to public sale, on the above day, the following real estate, to wit:

and taking in Premiums $500,000.00, being the largest commencement business ever done by any company in the world!

THE REASON FOR IT.

Ordinary whole-life policies are absolutely non-forfeitable from payment of first annual premium.

Special insurance non-forfeitable after two annual payments.

All policies incontestable for usual causes, and absolutely incontestable after two annual premiums.

All restrictions upon travel and residence removed, and no permits required.

No accumulation of interest on Loans or Deferred Premiums, and no increase of annual payments on any class of policies.

One-third of the premium loaned to the party insured, if desired, and no Note required.

Dividends on the progressive plan, and also upon the guarantee interest plan.

Business of the company conducted on the Mutual Plan.

Policy simple and fair in its provisions.

Incontestability of Policies.

It is the purpose of The Empire to fulfill all its contracts, the evidence of which is that its policy has no convenient refuges by means of which it can escape a just demand. Proven fraud on the part of the insured will always invalidate a policy. Also suicide, if committed previous to the payment of the second annual premium; or death caused by engaging in any specially hazardous business within the first two years. But after the expiration of two years, the policy will be held incontestable for all causes except fraud.

Non-Forfeiture of Life Policies.

No policy of insurance with continuous payments for life will be forfeited or become void by the non-payment of premiums thereon, until the full paying power of the premiums have been exhausted. The language of the policy is:

"That if any premium after the first annual premium shall have been paid, shall not be paid on the day when due, and the said assured shall, within thirty days thereafter, give notice in writing of inability to pay the same, and of a desire that said policy shall be continued in force under the following conditions. Then, and in such case this policy shall not be forfeited or become void, by the nonpayment of the said premium due thereon, until after the expiration of a period, to be determined as follows, to wit: The net value of this policy when the premium becomes due, shall be determined by actuarial calculation, and after deducting from such net value the loans upon said policy uncanceled by dividends, and any indebtedness to the company, a sufficiency of what remains shall be considered a net single premium of temporary insurance, and the policy shall be continued in force during the term for which it will insure, according, to the age of the party at the time of the lapse of the premium.

Example of the Non-Forfeitable Plan of the "Empire."

Age of party insured, 35. Ordinary whole life policy

One annual premium will continue the policy in force 2 years and 3 days.

Two annual premiums will continue the policy in force 5 years and 12 days.

Three annual premiums will continue the policy in force 6 years and 27 days.

Four annual premiums will continue the policy in force 8 years and 46 days.

Five annual premiums will continue the policy in force 10 years and 56 days.

etc., etc., etc., etc.,
