CURE OF A STIFF KNEE JOINT of long standing, by the use of the true AMERICAN OIL, procured from a well near Brookville, Kentucky, 185 feet below the earth's surface, 170 feet of which was through a solid rock.

The following, communicated by Wilson & Forth Gay street, Agents for the sale of the Oil in Baltimore; the patient not wishing his name made known:

"This is to certify that about two years past I had been afflicted for a long time with a stiff knee joint, and used the most renowned remedies for such cases, but without effect; at length a friend who had used the American Oil for Rhumatism, to his perfect satisfaction, prevailed upon me to try the Oil in my case. I did so, and the effect was astonishing to myself and all who knew my situation. In a few applications of the Oil my knee was as supple as it ever was; since which time I have not had the slightest return. I have also used the American Oil for that distressing complaint the Piles, with equal success. I have further used it for pain in the back, and have known others to use the Oil, and in no one instance have I heard of its failing. Baltimore, July 15, 1849.

Jackson, No. 89 Liberty street, Pittsburgh, on the label, and in the pamphlet in which each bottle is enclosed. The names of the proprietors, D. Hall & Co., Kentucky, is also printed in the pamphlet. Another way of detecting the counterfeits, is the difference in price. Sold retail by sub agents in almost every town in the above Districts. oct 10:d&w
