Dalley's Magical Pain Extractor.—Inflammation and pain are as inseparable as FIRE and HEAT. Inflammation produces pain and pain produces inflammation. Wherever there is unnatural heat, throbbing or redness, no matter whether it is caused by a fever, a hurt, a sore, poison, rheumatism, piles, scald, burn or sting, there is inflammation. A hundred books or a thousand sermons cannot alter or change the conclusion. To relieve pain, and restore nature, inflammation must be subdued. To accomplish this, the efforts of the physician are always directed. Thousands of physicians, and ten thousand of the first and most sagacious persons who have used DALLEY'S MAGICAL PAIN EXTRACTOR, are convinced, and admit that its control over inflammation is most wonderful and immediate, instantly allaying the pain, neutralizing poison, extracting morbid secretions and forcing nature to resume her course, throwing and healing. No burn, scald, sore, or ailment is [illegible] yielded to its soothing and curing influence. Apply it [illegible] and the cure has commenced.

Each box of DALLEY'S PAIN EXTRACTOR has upon it a Steel Plate Engraved Label with the signatures of C. V. CLICKENER & CO., proprietors, and HENRY DALLEY, manufacturer. All others are counterfeit. Price 25 cents per box.

All orders should be addressed to C. V. Clickener & Co., 76 Barclay, and 222 Greenwich st., N. Y.

Sold by all Druggists and Medicine Dealers throughout the United States. 3m5.

OF INTEREST TO FEMALES GENERALLY.—We commend to the attention of our female readers two medicines, which appear to be attracting a good deal of attention at the present time in various parts of the country, and lately introduced in this place—we allude to "Carter's Anti-Costive Powder and Female Restorative." Judging from the letters that accompany them we cannot but believe them possessed of more than ordinary merit, and calculated to afford relief to a great number of women suffering under complaints peculiar to themselves, and which the ordinary means generally fail to reach. See advertisement and letters in relation to this medicine, in another column.

THERE IS NO SUCH WORD AS FAIL.—Read the advertisement in another column, headed "Hembold's Genuine Preparation." 1m5.

A Reliable Hair Dye.—Why has no one succeeded in making a reliable Hair Dye except WM. A. BATCHELOR? Because they would avoid the cares, the thought, the time, patience and labor necessary. Others, by short cuts would buy a reputation they cannot win, and by certificates of feed chemists and newspaper bravado, fight their way to notoriety. But industry has its reward. Witness the invincible reputation of WM A. BATCHELOR'S HAIR DYE, made and sold, or applied (in nine private rooms, 233 Broadway, New York.

Every Box has Wm A Bachelor on an engraved steel label to be genuine.

WILLIAM A. BATCHELOR,
233 Broadway, New York.

All others are counterfeit.—Sold by Stewart & Sinclair, Erie, Pa.

Beware of an IMITATION called "D Batchelor's Hair Dye," of Utica, N. Y., and hawked around by Tuttle & Moses, of Auburn. Names of dealers who sell it are now being obtained, and will shortly be published. 1m5

TO PARENTS.—As this is the season in which children are most frequently troubled with Bowel Complaints, it may be well for parents to know that *Worms* are a fruitful source, and a frequent cause of these derangements, and that a return to health and regularity cannot reasonably be expected so long as the system is kept in a state of irritation by the presence of these animals. Their expulsion is therefore a condition of health. This can be readily done by a few doses of the GERMAN WORM CANDY, which removes both the worms and the slime in which they are bred and nourished, is not disagreeable, irritating, nor heating to the stomach and bowels, but just the contrary, pleasant to the taste, allays fever, purifies the breath and regulates the state of the liver and bowels.

Important to Females—Dr. Cheeseman's Pills. The combinations of ingredients in these Pills, is the result of a long and extensive practice; they are mild in their operation, and a certain of restoring nature to its proper channel. In every instance have the Pills proved successful. The Pills invariably open those obstructions to which females are liable, and bring nature into its proper channel, whereby health is restored, and the pale and sickly countenance changed to a healthy one. No female can enjoy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold, or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females. Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep, almost always arise from the interruption of nature, and whenever that is the case, the Pills will invariably remedy all these evils. Nor are they less efficacious in the cure of Leucorrhœa, commonly called the Whites. These Pills should never be taken during pregnancy, as they would be sure to cause a miscarriage. Warranted purely vegetable, and free from anything injurious to life or health. Full and explicit directions accompany each box. For sale by Stewart & Sinclair.

These Pills are put up in square flat boxes. Persons residing where there are no agency established, by enclosing One Dollar in a letter, *prepaid*, to Dr C. L. CHEESEMAN, No. 267 Bleecker street New York City, can have them sent to their respective addresses by return of mail. 1y14

Erie, April 13 1857.—49 American Block, State-st.,

COME ONE, COME ALL.

The "Old Furnace" still on the "Track"

THE subscribers, having enlarged their Establishment and provided themselves with entire sets of New Patterns of the latest and most approved designs, are now prepared, not only to please the most fastidious taste, but also to supply their Customers at "*lower figures*" than the same articles have ever been sold for in this or any other market. We would especially invite attention to the new and beautiful COOK STOVES, styled

THE BANNER, } Elevated Ovens.
THE ECLIPSE, }
THE BOWERY, } Diving Flue.

These Stoves are got up expressly for *Women's Comfort*. They are capable of throwing out a large amount of heat in the winter season, and yet so constructed that the heat can be turned off the Oven and allowed to escape in the Chimney, thereby obviating the great heat in the room which the Cook has heretofore been obliged to endure in the warm season of the year.

We are also manufacturing some new and beautiful Parlor Stoves both for Wood and Coal, such as

The Corral,
The Morning Glory,
The Model Parlor,
The Star Dining Room.

These STOVES are all of the latest style, rich in their design and added to our former large assortment, enable us to defy competition, both in variety and style, with any other establishment in the Country. We are determined to sell at the *lowest prices*. Let all, therefore, who would get a good article, and save money, give us a call.

EYE AND EAR.

DR. NEWHALL,

LATE OF COLUMBUS, OHIO,

OCULIST AND AURIST,

WOULD announce his arrival in the city of Erie, Pa., and respectfully tender his professional services to the public, in full confidence of rendering general satisfaction. All he asks is a fair and impartial trial of his NEW and PAINLESS remedies. His mode of treating Diseases of the Eye is entirely new, perfectly safe, and has never been known to fail in giving relief in all cases of Ophthalmia or Inflammation of the Eye, whether Acute or Chronic, whether Catarrhal, Purulent, Scrofulous, Gonorrhœal, Syphilitic or Neuralgic. It will also remove all Opacities of the Cornea, whether of a Nebulous or Albuginous character, or any other external scum, film or extraneous substance from the sight of the Eye. This new mode of treatment has never failed of curing Inflammation, Staphyloma, and Amaurosis, and has seen so well in removing Cataract from the Eye, whether Capsular or Lenticular, in a great majority of cases, without the use of knife or needle.

He has been equally as successful in the treatment of Diseases of the Ear. He may be consulted at his office, in Wright's Block, State Street.
