Petroleum or Rock Oil!

"There are more things in heaven and earth
"Than are dreamt of in philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.

The PETROLEUM or ROCK OIL is procured from a well in this County, at a depth of four hundred feet, is a well in this County, at a depth of four hundred feet, is a pure unadulterated article, without any chemical change, but just as it flows from Nature's Great Laboratory!! That it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arcana of nature, which, if known, might be of vast usefulness in alleviating suffering and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constantly and daily increasing cases of such, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION (in its early stage,) Asthma, and all diseases of the Throat; Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworm, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general TONIC and ALTERATIVE in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of Life!! The proprietor knows of several cures of PILES that resisted every other treatment, yet well under the use of the PETROLEUM or ROCK OIL for a short time. The proof can be given to any person who desires it.—None genuine without the signature of the proprietor.

From the Rev. WM. YOUNG, *late of the Methodist Church, Cincinnati.*

DEAR SIR: Not long since, while laboring under the influence of a painfully embarrassing cold, from speaking in the open air, a friend handed me a piece of your Horehound and Liverwort Candy; from the use of which I experienced great and almost immediate relief. Since then I have frequently used it with the same beneficial effects. I therefore feel no hesitation in recommending it to any one as a certain specific for Coughs, Colds, Hoarseness, etc. WM. McDowell's Cholera Mixture.

SYMPTOMS—CHOLERA.—This disease generally commences with watery discharges from the bowels, of a white, or yellow, or pearl color, with white flakes floating in it, and with violent cramps in the stomach and bowels. Vomiting is a usual attendant on *water* evacuations, but not an *invariable* one. The vomiting is usually accompanied with great uneasiness and pain in the stomach and bowels. The tongue and breath are icy cold; the tongue is sometimes clean, but generally slightly coated; the voice becomes weak and hoarse; *cramps* and spasms of the arms, legs and body, are general and painful symptoms. The skin is shriveled and of a purple hue; the pulse becomes weak and frequent, and in the collapse stage entirely lost at the wrist; the breathing labored and hurried. These symptoms usually succeed each other in the order stated.

MCDOWELL'S CHOLERA MIXTURE.

This mixture is prepared from the prescription of the late Dr. A. N. McDowell, of Pittsburgh. In his extensive practice, he had used it with complete success in the epidemic of 1833 and the present season. Steamboat men have given it to many passengers who have been attacked with the disease the present season, and in every case effected a speedy cure—after they had been pronounced incurable by physicians on board.
