Chlorine Teeth Wash.

The well known qualities of the Chloride of Soda, in purifying generally, have induced this establishment to prepare a Teeth-wash, in which it forms an important ingredient. As a general cleanser of the teeth and gums, it has no equal. It prevents the accumulation of tartar, and by destroying all offensive matter in the teeth, prevents an unpleasant breath. One great quality this article possesses over every preparation for the same purpose is, that it keeps the teeth-brush clean while in use. Price 37½ cents per bottle. Just received and for sale by. Valuable Farm and Water Power;

FOR SALE.

THE Subscriber offers for sale a valuable farm containing 339 acres, situate on the Little Schuylkill Rail Road, 1½ miles from Port Clinton and the Schuylkill canal, and one-eighth of a mile from the Centre Turnpike. About 100 acres of this land is now under cultivation.

The improvements consist of dwelling house, a large new stone barn, 40 by 70 feet, a new lime kiln, and a thriving young orchard of 250 to 300 Apple, Pear and Peach trees, of a superior kind. The Little Schuylkill Rail Road from Port Clinton to Tamaqua passing through this property, affords every facility for transporting lime stone to this farm, to the means of manuring and improving it at a moderate expense.

The land is well stocked with Pine, Hemlock, Chestnut and Oak timber.—The Little Schuylkill passing through this land affords one of the most desirable Water Powers in the county, for Forges, Furnaces or Mills, for which it is otherwise well calculated. The stream is a never failing one, and from 20 to 25 feet head and fall may be obtained on the property.

The above property will be sold low, and the terms made easy.

Persons wishing to purchase, can obtain further information by applying to the subscriber, in Pottsville. ROBERT WOODSIDE.
