LOCAL MATTERS.

QUARTER SESSIONS—*Wednesday*, January 22. On the Bench, Judges McClure, Kerr and Jones.

The jury in the case of the Com. vs. Jas. Kelly, for the murder of Jas. Cox, in prison, came into Court this morning, after being out all night, and asked to be discharged, as they could not agree. The Court refused to grant their request, and sent them back, and in a short time they returned with a verdict of MURDER IN THE SECOND DEGREE. The jury was discharged, and the prisoner remanded to jail.

Com. vs. Wm. Stewart, charged with stealing a horse from Moses Vance, which he sold to Joseph Jackman for $50. Vance recovered his horse, and the boy's father returned the money to Jackman. Defendant acknowledged to several witnesses that he had taken the horse.

Defence rely on prisoner's unsoundness of mind, which they endeavored to make apparent.

Jones opened to the jury on behalf of the defence.

The Jury returned a verdict of "guilty." Sentence, for the present, deferred.

Com. vs. Justus Baker and Mary Smith—fornication. The parties reside in East Lane, Allegheny city, and the thread of the story is, that about a year ago, the wife of Baker thought proper to leave her lawful husband. He then took Mary Smith to keep house for him, who is still with him. The wife, having time for reflection, has concluded to return to her *first* choice, and takes this method of routing her rival from his affections.

The jury returned a verdict of "not guilty," but defendants pay the costs.

A FEMALE OFFENDER.—Police officer Boyd succeeded on Tuesday in capturing a damsel by the name of Minerva Ann Johnston, on a charge of passing counterfeit money. She put off $10 on C. H. Armstrong, grocer, corner of Pennsylvania Avenue and Fulton street, on the 15th instant, and has, we are informed, been figuring somewhat extensively in this business. She was brought before Ald. Major and committed for trial.

☞ An attempt was made on Tuesday, by some daring incendiary, to fire the house of Mrs. Totten, a widow lady in the Seventh Ward. Some one, passing by, discovered the fire in the cellar, which he made known to the inmates, and it was immediately quenched. Within the last few weeks there has been several attempts to burn this building.

☞ Two boys on Tuesday were arrested in Allegheny city, and brought before the Mayor, for raising a *mass* in front of the Beaver street Church on the Sunday previous. They were fined $5,00 each.

☞ Chas. Brown, a Clerk in the employ of Holt & Maltby, received by telegraph, yesterday, the sad news that his father had been cut in two by a circular saw in a mill near Cumberland, Maryland.

☞ Frederick Cloges, a storekeeper in Manchester, yesterday made information against Minerva Ann Johnston for passing counterfeit money on him. She is now in jail on a similar charge.

FIRE.—Last night about 8 o'clock a frame house, on the corner of Webster and Enoch streets, in the Seventh Ward, occupied by colored people, took fire and was entirely consumed. The exertions of the firemen saved the buildings around it.

☞ There were about a score of women in the Court House yesterday, witnesses in an *interesting* case.

☞ Jackson Curnion was brought to jail on Tuesday night, from Ross township, charged with passing counterfeit half dollars.

CHEERING.—There was not a single case before the Mayor, yesterday morning

☞ The weather yesterday, was rather mild—promising a fair business for the medical profession.

DUQUESNE BALL.—The Duqésne Soiree comes off at Wilkins Hall on Friday, the 7th of March.

For Sale.

Tapscott's General Emigration Office.

REMITTANCES and Passage to and from Great Britain and Ireland, by W. & J. T. Tapscott, 75 South st., corner of Maiden Lane, N. Y., and 96 Waterloo Road, Liverpool.

The subscribers, having accepted the Agency of the above House, are now prepared to make arrangements with the owners of the Liverpool and Philadelphia packets, on the most liberal terms with those desirous of paying the passage of their friends from the Old Country; and they flatter themselves their character and long standing in business will give ample assurance that all their arrangements will be carried out faithfully.

Messrs. W. & J. T. Tapscott are long and favorably known for the superior class, accommodation, and sailing qualities of their Packet Ships, The QUEEN OF THE WEST, SHERIDAN, GARRICK, HOTTINGUER, ROSCIUS, LIVERPOOL, and SIDDONS, two of which leave each port monthly—from New York the 21st and 20th, and from Liverpool the 6th and 11th; in addition to which they have arrangements with the St. George and Union Lines of Liverpool Packets, to insure a departure from Liverpool every five days, being thus determined that their facilities shall keep pace with their increasing patronage; while Mr. W. Tapscott's constant personal superintendance of the business in Liverpool is an additional security that the comfort and accommodation of the passengers will be particularly attended to.

The subscribers being, as usual, extensively engaged in the Transportation Business between Pittsburgh and the Atlantic Cities, are thereby enabled to take charge of and forward passengers immediately on their landing, without a chance of disappointment or delay; and are, therefore, prepared to contract for passage from any seaport in Great Britain or Ireland to this city, the nature of the business they are engaged in giving them facilities for carrying passengers so far inland not otherwise attainable; and will, if necessary, forward passengers further West by the best mode of conveyance, without any additional charges for their trouble. Where persons sent for decline coming out, the amount paid for passage will be refunded in full.

REMITTANCES.

The subscribers are also prepared to give drafts at sight for any amount, payable at the principal cities and towns in England, Ireland, Scotland and Wales; thus affording a safe and expeditious mode of remitting funds to those countries, which persons requiring such facilities will find it to their interest to avail themselves of.

Application (if by letter, post-paid) will be promptly attended to. TAAFFE & O'CONNOR,

DUFF'S

COLLEGE, N.E. Corner of Third and Market streets,—established in 1840.

The course of instruction and practice pursued in this establishment includes every branch requisite for a perfect mercantile education. The whole process has been matured and perfected by nearly eleven years practice in teaching, and about fifteen years previous experience in extensive domestic and shipping business; and those who aspire to the highest rank as accountants, will find on consulting any resident No. 3, Merchant, that this is the only establishment of the kind in the city in which the mercantile community have any confidence. They will "bear in mind" that all the pompous notes we now hear about "trustees," "charters," "examining committees," &c., add nothing to the ability or experience of teachers.

Penmanship.

AT no time for many years has there been such unscrupulous trickery practised upon the public about penmanship, as at present. Pretended specimens are circulated, through the town and country, with the engraver's name suppressed, in order to induce the ignorant to believe them to be penmanship. Persons desirous of becoming rapid and elegant penmen, will do well to call at DUFF'S MERCANTILE COLLEGE, and examine the handwriting of some of the best penmen in the city, who have been instructed in this Institution.

Jones' Lily White.

LADIES are cautioned against using common preparations for the Complexion.

They are not aware how frightfully injurious it is to the skin: how coarse, how rough, how thick it makes the skin, and how *old* it makes appears after using prepared Chalk!

Besides, it is injurious, containing a large quantity of Lead!

We have prepared a beautiful vegetable article, which we call JONES' SPANISH LILY WHITE.

It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural healthy, and almost *fairy* like white; at the same time acting as cosmetic on the skin, making it soft and smooth. XXXIst CONGRESS—SECOND SESSION.

WASHINGTON, January 22.

SENATE.—Mr. Seward presented several petitions praying the repeal of the fugitive slave law—laid on the table.

Mr. Foote, from the committee on foreign relations, reported a bill for the reorganization of the state department.

Mr. Clay's resolution, to provide effectual measures for the suppression of the African slave trade, was taken up.

Mr. Hale offered a resolution, and alluded to a paper signed by several members of Congress declaring they would vote for no person for office who was in favor of disturbing the compromise acts of last session.

Mr. Clay replied, and avowed himself one of the signers of that paper.

Mr. Foote defended the paper, and said he was one of the signers. After a long debate the resolution was agreed to—yeas, 45; nays, 9.

The French spoliation bill was taken up, and Mr. Rusk moved to amend by inserting that no payment should be made under this act to any assignee or insurer. After long debate this was rejected—yeas, 26; nays, 30.

Adjourned.

HOUSE.—No business of importance transacted. At an early hour, the House went into committee of the whole, and took up the bill to supply deficiencies in the public expenditures for the fiscal year, ending June 30, 1851.

Mr. Robinson gave notice of an amendment he intended to offer, to pay the extra Clerks in the Third Auditor's and Pension office, engaged in facilitating the bounty land business.

Mr. Hampton, of Pa., made a speech on the tariff, in favor of modifications recommended by the President in his annual message.

The committee rose, when, on motion of Mr. Bayly, a resolution was adopted to close the debate to-morrow at 3 o'clock. Adjourned.

NEW ORLEANS, January 21—11 P. M.

The fire commenced on the roof of the St. Charles, which was too high for the engines to reach. In a half hour the cupola was wrapped in flames, and in a short time fell with a terrible crash.

The fire then caught the spire of Clapp's Church, adjoining, which was entirely consumed, and sparks falling on the Methodist Church, a square off, took fire and was consumed. The adjoining buildings were much injured. The Telegraph office at one time was in great danger, but escaped without injury. About 600 boarders in the St. Charles Hotel lost most of their baggage.

The loss of property &c., is estimated at about $600,000. Steps have been taken to rebuild the St. Charles. The lessees for the present have taken the St. Louis Hotel.

Jenny Lind is expected here in about two weeks, and many persons had engaged rooms at the St. Charles on her account.
