Tin Roofing.
THE subscribers most respectfully announce to their fellow-citizens that they have perfected their arrangement to carry on the business of Tin Roofing on an extensive scale.
It is now close on four years since we first introduced tin roofing in this city. During that time we have covered over fifty thousand square feet of roofs with tin plate, and in all cases we believe we have given the most entire satisfaction. This kind of roof has been applied to the very best buildings in this city, including, among a large number of others, the two superb buildings on Penn street, owned by John L. Shoenberger and John Bissell, Esqrs. That tin roofing (when skillfully laid on) is both permanent and durable, there can be no doubt; in proof of this, we can refer to the almost universal application of this kind of roofing in the large cities on the sea-board during the last twenty years; and from enquiring on the subject, we have yet to learn of any one of those roofs having been worn out. The roofs covered with tin in our own city are open to the examination of all who take an interest in the matter. We have also prepared a miniature plan of roofs, which may be seen at our establishment, where any other information will be given with pleasure. JOHN DUNLAP & CO.

The Areometer.
THE ATTENTION OF THE PUBLIC is respectfully called to the following certificates:—
MR. S. EAKINS—Having tested a quantity of Gold weighed by your Areometer, I find the result proves your instrument correct; and recommend the use of it to those going to California, as the best method for obtaining the real value of Gold. Resp. yours,
J. B. DUNLEVY,
Pittsburgh, March 9, '49. Gold Beater.

PITTSBURGH, March 7, 1849.
MR. EAKINS—*Dear Sir*: Having examined the "Areometer," manufactured at your rooms, I do not hesitate to commend it to the use of those gentlemen who are about removing to California, in search of Gold.
It gives a close approximation to the specific gravity of metals, and will *certainly* enable the adventurer to ascertain when his placer is yielding Gold.

To the Citizens of Pittsburg and Vicinity.
THE citizens of Pittsburgh and its vicinity are reminded that they can fit themselves with some of the handsomest FRENCH CHINA TEA SETTS, QUEENSWARE AND GLASS—for beauty, price and quality, cannot be excelled in this or any other City West of the Mountains—at M. HODKINSON'S, No. 115 Wood street. There you will find some of the prettiest white and blue Stone-ware, in tea, dinner and toilet setts, or in separate pieces, ever opened in this city; and as the proprietor is about to remove from the store he now occupies, to a more central part of the city, (No. 56 Wood street, opposite the Eagle Saloon,) he is desirous of closing out his present stock, previous to moving, as you are aware of the heavy losses he would sustain by breakage, &c., in moving so large a stock as he now has in store, and having but one day to do it, will compel him to close out almost his entire stock.
He is determined to close out at an enormous sacrifice, regardless of importing cost. *Now is the time to secure your Bargains!* This may be the only opportunity you may have of securing Queensware at such low prices.

Gold Washers.
H. PARRY has invented a machine for washing Gold, for which he has made application for a patent.—They are now offered for sale at the Warehouse of PARRY, SCOTT & Co., No. 103 Wood st., Pittsburgh.
Adventurers to California are invited to call and examine these labor-saving machines. They are simple in their construction, easily transported on the back of mules or horses, weighing eighty pounds each, and can be put in operation in half an hour. They can be filled with provisions. It is the opinion of those who have seen the trial of one of these machines of smallest size, that two men will wash the mineral from 150 bushels of sand or earth in a day, without the loss of a particle of the mineral. They can be increased in size and worked by water or mule power, if expedient. The operators work without going into the water or being exposed to water or wet, and consequently without endangering their health. They will require but a small stream of water, and can be used the whole season, and can be put into operation where there is not sufficient water to wash in the usual way.
Price of smallest size $35. Orders from abroad, accompanied by cash, will be promptly filled.

READ THIS LETTER.—Who will be without a beautiful head of hair, when they can have one for three shillings? Twenty years' loss of hair and wonderful restoration!

"BALTIMORE, July 17, 1847.
"Dear Sir—The wonderful effects of Jones' Coral Hair Restorative has been decisively demonstrated in the case of several respectable citizens of the town, who, on account of your selling three shilling trial bottles, try it, without fear. One instance, which has attracted particular attention, is the case of a gentleman who had little or no hair for twenty years; he had tried numerous preparations in vain, and ultimately had his head shaved and wore a wig. At my recommendation, he tried the Restorative, and after using it, according to the direction, for a short time, the young hair appeared, and he has now as fine a head of hair as any person in Baltimore.
"Yours, &c., JOHN KILVINGTON."
It causes eyebrows to grow, prevents the hair from turning grey, and the first application causes it to curl beautifully, frees it from scurf, and stops it from falling off.

LIPPENCOTT & BARR,

Manufacturers of Phœnix Fire Proof Safes,
Second street, between Wood and Smithfield.
ON Tuesday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lippencott & Barr, to witness an honest and fair test of one of their Phœnix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.

From Rev. Asa Shinn, of the Protestant Methodist Church.
THE undersigned, having been afflicted during the past winter, with a disease in the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and having tried various remedies with little effect, was furnished with a bottle of *Dr. D. Jaynes' Carminative Balsam*. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes, every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening, and sometimes in the morning; and in a few weeks health was so far restored that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr. D. Jaynes' Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels.

HAVE you a bad complexion, coarse, dark, yellow, or sallow? If you have, you will, by using a Cake of Jones' Italian Chemical Soap, a week or two, your skin becomes clear, white and smooth. If you have any disease of the Head, Face or Beard—such as Ringworm, Scald Head, Scurvy, Erysipelas, Salt Rheum, Barber's Itch—you can be cured: I have seen persons who had filthy skin diseases for years, and after trying every thing in vain, have been cured by washing the part with Jones' Italian Chemical Soap, and can conscientiously offer it for any of the above complaints, which I would not do, unless I knew it to be all I state. If you have Sun Spots, Freckles, Morphew, Tan, Sun Burn or disfigurements of any kind, it will dispel them and make the skin beautiful—it is a sure antidote and cure for the bites of musquitoes, bugs, &c.
☞ Beware of counterfeits. Particularly cheap ones—ask for Jones' Soap, and see that the name of T. Jones is on each cake. Persons from or in the south and other warm climates, would find this not only for themselves, but as a never-failing remedy for chaps and chafes in infants. And now, reader, by giving this one trial you will find it all or even more than we have stated above.
