Candidate Cards.

CONGRESS.

I am a candidate for re-election to Congress, and respectfully submit my candidacy to the Republicans of Snyder county and request their support.
THAD M. MAHON.

EDITOR WAGENSELLER:—I have decided to seek the suffrage of the people of Snyder county in my candidacy for election to the 55th Congress. After mature deliberation, I have arrived at this determination. I will add that I am entirely here, am no man's candidate, will compromise on no terms whatsoever and propose to use all honorable means to obtain the endorsement of my friends in the county and afterward to secure the nomination in the district. My years of experience and observation in Washington have familiarized me with the various duties of a congressman that will enable me to be of immediate service to my constituents. The next Congress will be one of vast importance and it is my opinion that Snyder county might be fully represented a man from the county conversant with the representative's duties should be selected. Snyder county is entitled to the nomination and I respectfully solicit her favor.
EDWIN S ARNOLD.
Washington, D. C.

STATE SENATOR.

TO MY FELLOW REPUBLICANS:—

I herewith most respectfully submit myself as a candidate for State Senator, subject to the rules and usages of the Republican Party. In this connection I desire to state, that if nominated and elected to the honorable position, I pledge myself to represent my constituents to the best of my ability. It shall be my highest ambition to represent them honestly and faithfully. My party loyalty has never been brought into question; the regular nominees of the party have always received my ardent and unqualified support, in no political campaign have I ever deserted the standard of Republicanism, and when it suffered defeat it was through no agency of mine, and as I have stood in the past I pledge myself for the future. I have served my country on the tented field when with hundreds of thousands of brave and patriotic American citizens, we offered our young manhood upon the country's altar and many of them sealed their devotion to the cause of liberty and union with their heart's best blood. Without egotism I can say my war record is a good one, and I am proud to say that I was a soldier in the war for the Union. I have twice been the Senitorial standard bearer and although I poled many more votes than the state ticket the Democratic majority was too strong to overcome, I was nominated as a forlorn hope, accepted the trust and now that the majority in Republican in the district, I feel that my claims for the nomination at this time should be considered by all, and my years are such that if I am ever to represent the district in the Senate, this will be the time.—Earnestly soliciting the support of my fellow citizens, I have the honor to remain,

Yours, very truly,
B. F. WAGENSELLER.

ED POST:—Having been Honored by the Republicans of Snyder county with the nomination for State Senator in 1892, for which I am very grateful, and having used every honorable means at the district conferences, lasting five weeks, All being the longest and hardest fought contest ever known in our Senatorial district. At last conceding to the claims of Northumberland county, which were first Northumberland county, never had a nomination in the district. Second. That Northumberland county polls more Republican votes than Union and Snyder together. And realizing the fact, that a nomination must be made soon, or the chances of the whole district would be jeopardized and by the advice of friends and representative Republicans of Snyder county, who attended the Conferences, and also from Republicans from all parts of the county, who knew the situation. I instructed my Conferees to vote for our present Senator, the Hon. Wm. H. Hackenburg, which would bring our county in line for the district nomination in 1896. The time is approaching when the Republicans of Snyder county will be called on to make another nomination, and knowing the fact that Union and Northumberland counties have each been honored, and each by the conferees of Snyder county. It is quite natural to suppose Snyder county's choice should get the district nomination, never having heard of any disapproval of my course in 1892, but on the other hand having been commended. I would respectfully ask the Republicans of Snyder Co. to give me a second nomination, subject to the rules of our party, and if elected, will use every endeavor to serve my constituents to the best of my ability.
Respectfully Submitted,
ED. M. HUMMEL.

I respectfully announce myself as a candidate for State Senator at the next Republican Primary Election. I have heretofore had the honor of representing Snyder county in the State Legislature, and the record of my course there fully shows that in all my actions, I have invariably consulted the interest of my people, as is shown in all the legislation that passed while I was a member. On all school laws, road laws, fish laws, and in short I was the main organizer and true supporter who brought about the law that gave the children of our Commonwealth free text books in our common schools. I was a faithful supporter of the law that gave relief to the farmer by increasing the school appropriation from two millions to five millions—the appropriation that the people are to-day enjoying. I have been a warm friend of the soldier, not only by word, but also in any capacity within my power. If through your aid as voters I am accorded this the nomination and election as Senator for this district, I promise you a faithful discharge of the duties devolving upon me—with special reference to the interests of Snyder county—Trusting that you may feel justified in casting your ballot for me, as well as rendering me such other support as you may be able to command, I remain
Your obedient servant,
E. W. TOOL.

FOR ASSEMBLY.

TO THE REPUBLICANS OF SNYDER COUNTY:—The 15th of February has been selected as the date for nominating a ticket that is to be submitted to the people in November next. Among the important and responsible positions to be filled is that of Member of the House of Representatives. The legislative branch has always been regarded as the Keystone in the arch of State and Federal government and the people should always guard with a jealous eye this bulwark of their liberties. No man who does not place the good of the public above the selfish ambition or gain of the few should be permitted to go anywhere in any representative capacity. He who basely betrays the people into the hands of conspirators and extortioners deserves to be repudiated at the first opportunity. On the other hand, the man who dares to defend the right as he sees it is worthy of the kind consideration of his fellow citizens. The people of Snyder county intrusted their interests into my hands during the sessions of the legislature of 1895 to say whether or not the so did. I submit my candidacy for renomination to the legislature to the judgment of an intelligent constituency. I most cordially solicit the support of all Republicans at the coming Primary.
Very Sincerely,
CHAS. W. HERMAN.

A CURABLE DISEASE.

Chronic Catarrh is Pronounced Curable by Dr. Hartman.

There are an almost countless number of remedies said to cure chronic catarrh. The most of these are of no use whatever, and many worse than useless, being actually harmful. A few are successful in a small number of cases—those which are very slight and easily curable—cases which might almost get well by simply taking care not to catch cold again. But of all this vast multitude of medicines it can not be said that there are more than two or three which are actually specifics, and without doubt the most reliable is Pe-ru-na. It always cures when it is faithfully and conscientiously used. It not only cures catarrh of the head and throat, but catarrh of stomach, liver, bowels, lungs, bronchial tubes, kidneys, and in fact any of the organs of the human body. It is indeed a dreadful case of catarrh, wherever located, that Pe-ru-na can not cure, or at least greatly help. It may be procured at all the drug stores, and it should be given a faithful trial by those who have tried in vain elsewhere to get relief.

A book on catarrh and catarrhal diseases of 64 instructively illustrated pages will be sent free to any address by The Pe-ru-na Drug Manufacturing Company of Columbus, Ohio.

Gravel Cured

(Philadelphia, Penn., Item.)

A healthier, heartier, happier man than John J. Neill, of 2437 North Eighth street, Philadelphia, could not be found in a day's search. The fact that he is still alive is a constant wonder to his friends.

In the fall of 1889 he began to suffer indescribable miseries from stone in the bladder. Consulting an eminent physician in Philadelphia, he was told that a surgical operation was necessary. So much did he dread the result, for if unsuccessful it meant death, that he put off the evil day as long as possible. While in this frame of mind, he heard of

DR. DAVID KENNEDY'S FAVORITE REMEDY

Although disheartened, on July 1, 1893, he bought a bottle of it, and within a month had experienced beneficial results, and before he had finished the third bottle, the gravel was completely dissolved and his sufferings at an end.

Mr. Neill feels that he owes a lasting debt of gratitude to Dr. Kennedy's Favorite Remedy and for disorders of the bladder and urinary organs, says "it will effect a cure if one be possible."

Favorite Remedy is prescribed with unfailing success for rheumatism, dyspepsia and nerve troubles in which it has cured many that were considered beyond the aid of medicine. All druggists, $1.
