**WIRE RAILING.**
SECURED BY LETTERS PATENT
PUBLIC ATTENTION is solicited to an entire new article of RAILING, made of wrought iron bars, and soft annealed rods, or wire, and expressly designed for enclosing Cottages, Cemeteries, Balconies, Public Grounds, &c., at prices varying from 50 cents to $3.00 the running foot. It is made in panels of various lengths, 2½ to 4 feet high, with wrought iron posts 1½ inch square, at intervening distances of 9 to 10 feet. If desired, the panels can be made of any height, in continuous spans of 50 to 60 feet, with or without posts. No extra charge for posts.

The comparative lightness, great strength and durability of the WIRE RAILING, the beauty of its varied ornamental designs, together with the extremely low price at which it is sold, are causing it to supersede the Cast Iron Railing, wherever their comparative merits have been tested. **Colver's Patent Concave Beater Churn!**
BUTTER IN FIVE MINUTES!!
WE call the attention of the public to the article heading this advertisement, and invite the enterprising and curious to call and witness its operation. All advertisements in relation to this invention, by the hundreds who have seen it tested, is supererogation.

1st. This Churn will produce Butter, gathering it in a mass, from sweet milk, in five to ten minutes! and from cream prepared, as families usually prepare it, in three to five minutes!

2d. The utility of this invention is apparent, as better Butter can be produced from sweet milk, or cream, than cream soured in the usual way; and by means of this Churn, a little girl or boy can perform, in five or ten minutes, what has heretofore required the labor of a woman or man for one or two hours, and sometimes half a day.

3d. By simply turning a thumb screw, the wholesaide dasher is taken out, leaving nothing but the Butter and milk in the plain wooden box.

4th. It is the cheapest Churn ever invented, as the simplicity of its construction (though embodying a great philosophical principle) makes it but little to manufacture it.

5th. It is a common-sense Churn, as all will admit who will examine it.

We invite the public to call and witness its operation at our office in the Diamond, near the Black Bear Tavern, and at J. F. Beckham's, Federal st., Allegheny.

The subscribers, having accepted the Agency of the above House, are now prepared to make arrangements on the most liberal terms with those desirous of paying the passage of their friends from the Old Country; they flatter themselves their character and long standing in business will give ample assurance that all their arrangements will be carried out faithfully.

Messrs. W. & J. T. Tapscott are long and favorably known for the superior class, accommodation, and sailing qualities of their Packet Ships. The QUEEN OF THE WEST, SHERIDAN, GARRICK, HOTTINGUER, ROSCIUS, LIVERPOOL, and SIDDONS, two of which leave each port monthly—from New York the 21st and 26th, and from Liverpool the 6th and 11th; in addition to which they have arrangements with the Black Ball and Union Lines of Liverpool Packets, to insure a departure from Liverpool every five days, being thus determined that their facilities shall keep pace with their increasing patronage: while Mr. W. The subscribers being also extensively engaged in the Transportation Business between Pittsburgh and the Atlantic Cities, are thereby enabled to take charge of and forward passengers to Pittsburgh on the same terms without a chance of disappointment or delay; and, therefore, are prepared to contract for passage from any seaport in Great Britain or Ireland to Pittsburgh, the business they are engaged in giving them facilities for carrying passengers so far inland not otherwise attainable; and will, if necessary, forward passengers further West by the best mode of conveyance, without any additional charges for their trouble. **HARNDEN & CO.'S**
PASSENGER AND REMITTANCE Office.
HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. They allow our passengers to be robbed by the swindling scamps that infest the sea-ports, as we take charge of them the moment they arrive, and see to their comfort and being, and dispatch them without any detention by the first train. We say this fearlessly, as we defy any of our opposers to show that any emigrant has been robbed in hours by us in Liverpool, whilst thousands of others were detained for days, and they could be sent in some old craft, at a cheap rate, and no freight, crowded in coffins.

We intend to perform our contracts honorably, *cost what it may*, and not act as was the case last season with other offices, who either performed not at all, or when it suited their convenience.

Drafts drawn at Pittsburgh for any sum from £1 to £1,000, payable at any of the Provincial Banks in Ireland, England, Scotland and Wales.
