LIPPENCOTT & DARR,
(LATE J. S. STRICKLAND & CO.)

Manufacturers of Plumbers Fire Proof Safes,

Second street, between Wood and Smithfield.

ON Tuesday afternoon, July 23, 1850, the undersigned were called upon by Messrs. Lippencott & Barr, to witness an invention for the preservation of our Fire Proof Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the furnace kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued full half past 6 o'clock, being about four hours; at which time the contents of the Safe showed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was to great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as worthy their judgment, entirely fire proof JARVIS & TRABUE,

Citizens of Pittsburgh

HAVE you all heard of Mr. A. BROWN is selling his stock of fine Gold JEWELRY? If you have not, then know that he is selling a very rich and fashionable assortment of Gold WATCHES and JEWELRY at such astonishing low prices that all who have called to see his assortment and prices, exclaim,—this, certainly, is something new for Pittsburgh. What! fine gold Jewelry selling at half the usual price! How can this be? Stop a moment, we will tell you the secret; we have made such arrangements with the manufacturers at the east, and also, with the Watch manufacturers of Europe, that we are getting the goods at the lowest possible prices, and then, having low rents to pay, and other expenses, also, cheap, enables us to sell at a very small profit upon first cost, and therefore our wholesale price will answer. Therefore, low prices and large sales will be our motto.
