READ THIS LETTER.—Who will be without a beautiful head of hair, when they can have one for three shillings?. Twenty years' loss of hair and Premature baldness restoration!

"BALTIMORE, July 17, 1847.

"Dear Sir—The wonderful effects of Jones' Coral Hair Restorative has been decisively demonstrated in the cases of several respectable citizens of the town, who, on account of your selling three shilling trial bottles, try it without fear. One instance, of the kind, is a gentleman who had little or no hair for twenty years; he had tried numerous preparations in vain, and ultimately had his head shaved and was a wig. At my recommendation, he tried the Restorative, and after using it, according to the direction, for a short time, the young hair appeared, and he has now as fine a head of hair as any person in Baltimore.

"Yours, &c. JOHN KILVINGTON."

It causes eyebrows to grow, prevents the hair from turning grey, and the first application causes it to curl beautifully, frees it from scurf, and stops it from falling off.

READ THIS LETTER.—Who will be without a beautiful head of hair, when they can have one for three shillings?. Twenty years' loss of hair and Premature baldness restoration!

"BALTIMORE, July 17, 1847.

"Dear Sir—The wonderful effects of Jones' Coral Hair Restorative has been decisively demonstrated in the cases of several respectable citizens of the town, who, on account of your selling three shilling trial bottles, try it without fear. One instance, of the kind, is a gentleman who had little or no hair for twenty years; he had tried numerous preparations in vain, and ultimately had his head shaved and was a wig. At my recommendation, he tried the Restorative, and after using it, according to the direction, for a short time, the young hair appeared, and he has now as fine a head of hair as any person in Baltimore.

"Yours, &c. JOHN KILVINGTON."

It causes eyebrows to grow, prevents the hair from turning grey, and the first application causes it to curl beautifully, frees it from scurf, and stops it from falling off.
